Announcement of production discontinuation

Firstly, we would like to thank you for your continued support of our LVS product range.

This document provides formal notification of the planned discontinuation of the following DIN rail product series:

MCB: BHW-T10, RCCB: BVW-T, Isolator: KBW

The decision to discontinue these products has been made as part of Mitsubishi Electric's ongoing product portfolio optimization strategy.

At present, the MDRC series is the recommended replacement. Please note that alternative products may differ in terms of technical specifications, certifications, and product design. Customers are therefore advised to verify the suitability of replacement products for their specific application requirements prior to implementation.

Materials to be discontinued		Replacement Materials (not necessarily 100% compatible)

Phase Out Schedule

End of Life (EOL)	**01.10.2026**	*Date from which the discontinuation will become effective*
Last Time Buy (LTB)	**30.11.2026**	*Date until when last Purchase Order from customer is accepted by Mitsubishi Electric*
End of Service (EOS)	**30.11.2031**	*Date until support and service will be maximum available. If we are able, we are trying to repair a unit for a longer period. But this cannot be guaranteed.*

Additional Information

The above listed materials are just the main standard materials. All corresponding options or non-standard materials for the target series are also in scope of discontinuation.

Customer Action Requested

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.

If you have further questions, please contact your regional sales representative
