## GUARANTEES

The Absolute Stable Growth Portfolio offers an 80% guarantee on the amounts invested and bonuses earned on the fund. This guarantee applies to Defined Benefit Payments, which are payments that occur in the event of death, retirement, resignation, retrenchment or disability. On a Defined Benefit Payment event, the investor's full smoothed value will be paid out without a Market Value Adjustment. Guarantees are backed by Old Mutual shareholders' capital. Old Mutual has the ability to remove the non-guaranteed element in poor markets by declaring a negative bonus.

## MARKET VALUE ADJUSTMENTS
