

DO YOU KNOW WHAT YOUR CLAIMS MANAGEMENT TEAM CAN DO FOR YOU ?

GAP has an exceptional claims team which assesses; administers and pays claims. However, our claims team is also able to provide other exciting services to assist our valued clients with their overall claims management.

THE SERVICES BELOW ARE INCLUDED IN YOUR RISK PREMIUMS, AND WE INVITE YOU TO CONTACT US TO DISCUSS THEM FURTHER.

Assistance with identifying potential disability and other claims.

HR 911: A telephonic consulting service to employers and HR personnel.

Training on the disability or other claims processes to trustees or selected employer representatives.

Regular status and trend reporting on claims.

Case management aimed at facilitating a return to work process for disability income claimants.

Regular liaison with medical professionals and industry experts to ensure that our claims management is of a high standard.
