

OLDMUTUAL

OLD MUTUAL SUPERFUND WITHDRAWAL GUIDE

CORPORATE

DO GREAT THINGS EVERY DAY

YOUR OLD MUTUAL SUPERFUND OPTIONS

when leaving your employer due to
resignation, retrenchment or dismissal

AS AN OLD MUTUAL SUPERFUND MEMBER, YOU HAVE A NUMBER OF OPTIONS IF YOU RESIGN, ARE RETRENCHED OR DISMISSED FROM YOUR CURRENT EMPLOYER.

This guide is intended to help you:

1. Understand your retirement savings options.
2. Complete the processes and paperwork.
3. Make the right decisions.
4. Review your death, disability, funeral and medical cover.

FOR FREE GUIDENANCE, speak to an Old Mutual SuperFund Retirement Benefits Counsellor (RBC) or call Old Mutual Member Support Services on 0860 388 873 - who will answer any questions you have about the options available to you and help you to reach a decision. This RBC will not, however, give you advice on what option you should choose. Alternatively, speak to your financial adviser.

For more information on what Old Mutual SuperFund has to offer, visit www.oldmutual.co.za/superfund or phone the Old Mutual SuperFund service centre at 0860 20 30 40.

NOTE:

1. The purpose of this Withdrawal Guide is to give information only.
2. This Withdrawal Guide has been prepared based on legislation and the Rules of the Old Mutual SuperFund Pension and Provident Funds.
3. Every effort has been made to ensure the information in your Withdrawal Guide is correct. However, should any error have been made, the Rules of the two Funds will apply.
4. You are encouraged to read the Rules of the Old Mutual SuperFund. You can obtain these from your employer or by phoning the Old Mutual SuperFund service centre at 0860 20 30 40 or superfund@oldmutual.com.

Remember: Your rights as a member of the Fund are contained in the Fund Rules.

YOUR OLD MUTUAL SUPERFUND RETIREMENT SAVINGS

As an Old Mutual SuperFund member, when you resign or are retrenched or dismissed from your job, your fund membership automatically continues even though you are no longer with your employer. This means that your retirement savings will remain invested and can continue to grow.

If you prefer not to stay with Old Mutual SuperFund, you can cancel your membership and transfer your retirement savings to another fund and/or take the money in cash.

Given that the amount in your retirement fund has been built up over many years, and it plays an important role in how well you can retire, it is vital that you make the right decision.

Let's take a closer look at your three retirement savings options:

OPTION 1

STAY AN OLD MUTUAL SUPERFUND MEMBER

Old Mutual SuperFund provides you with an innovative way of keeping your retirement savings invested, protected and growing - without having to pay any tax. It does this by letting you become a Preserver member.

There are many benefits to becoming a Preserver member.

- **Helps your retirement planning to stay on track** - since your retirement savings will stay invested, while allowing you investment choice and flexibility.
- **You keep your options open** - although you should do everything you can to keep your retirement savings intact, we understand that sometimes you need access to cash. Should the need arise; you can withdraw your retirement savings in cash. Or you can transfer your retirement savings to another retirement fund.
- **You have the time and flexibility to make good choices** - since your retirement savings have the ability to continue growing, you can take time deciding what to do with them. This also gives you the time to speak to a financial adviser if you need to.
- **Best of all - this option is incredibly simple to activate - no forms, no fuss!** The most important thing when choosing this option is to ensure that Old Mutual SuperFund has your latest contact details on record. Give these to your payroll administrator or phone the Old Mutual SuperFund service centre at 0860 20 30 40.

NOTE: THE FOLLOWING IMPORTANT INFORMATION ABOUT PRESERVER MEMBERSHIP

1. Preserver membership is only available to members of Old Mutual SuperFund Pension and Provident Funds.
2. **Retrenched** members get a tax break when they choose a cash withdrawal instead of becoming a Preserver member. For more information, call the Old Mutual SuperFund service centre at 0860 20 30 40.
3. Old Mutual SuperFund members cannot partly withdraw cash and invest the rest of their retirement savings into Preserver. There are also no part withdrawals allowed once invested in Preserver. A member must either invest all their retirement savings or withdraw all.
4. Even though Preserver membership offers you lots of investment choice, it does not include all of the investment portfolios offered under the Old Mutual SuperFund Customised option.
5. If you were invested in the Old Mutual SuperFund Customised option, you will remain in the investment portfolio(s) that you were invested in when transferring to Preserver. Should you elect to switch out, only the standard Preserver portfolios will be available to you. Once you have elected to switch out, you will not be able to switch back into the investment portfolio(s) that you were invested in under the Old Mutual SuperFund Customised option.
6. There is no minimum amount for investing in Preserver.
7. Members with R30 000 or less in their Old Mutual SuperFund account: We recommend that you invest in the Trustee Choice investment package as this will keep fees to a minimum. This will protect you against the risk that fees reduce your investment growth over time.
8. Please note that the investment portfolios as well as the investment and administration fees could be different from your current structure. For details regarding the investment portfolios and fee structures, please contact the service centre or access the Investment Portfolio and Fees list at www.oldmutual.co.za/superfund/investment-funds.

Activating your Preserver membership is easy - no forms, no fuss!

Here's how:

1. Tell your payroll administrator that you are choosing Preserver membership and make sure that your current contact details are sent to Old Mutual SuperFund.
2. Or, after you have left the service of your employer you can contact the Old Mutual SuperFund service centre directly at 0860 20 30 40 and let them know you want to be a Preserver member.

To find out more about Old Mutual Preserver membership visit www.oldmutual.co.za/preserver or contact the Old Mutual SuperFund service centre at 0860 20 30 40.

OPTION 2

MOVE YOUR RETIREMENT SAVINGS TO ANOTHER FUND

You can also keep your retirement savings invested by transferring the full amount to another retirement fund¹, like:

- a preservation fund;
- a retirement annuity fund; or
- your new employer's fund.

Remember transfers to other retirement funds are tax free.

If you want information about Old Mutual preservation and retirement annuity funds, phone Member Support Services at 0860 38 88 73.

What you must do to transfer to another retirement fund:

1. Complete the Old Mutual SuperFund Benefit Reinvestment Form. Download it at www.oldmutual.co.za/superfundforms or request it from the Old Mutual SuperFund service centre at 0860 20 30 40.
2. Then complete the relevant application form for the new fund you have selected.
3. Attach a certified copy of your identity document (or passport if you are not a South African citizen), and ensure that you provide all required data on the application form.
4. Give all these to your payroll administrator within 60 days of leaving your employer, or call the Old Mutual SuperFund service centre at 0860 20 30 40.

¹ Subject to legislation and the rules of the receiving fund, at the time of transfer.

OPTION 3

WITHDRAW SOME, OR ALL, OF YOUR RETIREMENT SAVINGS IN CASH (and transfer the balance, if any, to another retirement fund)

Your final option is to take some, or all, of your retirement savings in cash. But **beware of the risks!** Any cash you withdraw could be taxed. What's more, by not keeping your retirement savings invested, you lose out on all the extra growth you could enjoy. You will also have to start saving for your retirement all over again – which means you will need to put a lot more money aside every month from now on!

Think about the impact

You need to think carefully before taking cash, as it could have a serious impact on your chances of enjoying a comfortable retirement one day.

Old Mutual SuperFund recommends that you do your utmost to invest your retirement savings rather than taking it in cash. After all, this money was saved up to help you enjoy your retirement.

If you have to take some as cash, try to withdraw as little as possible and transfer the balance of your retirement savings to another retirement fund, so that it keeps growing for your retirement.

What tax will you have to pay?

The tax you will pay depends on your reason for leaving your employer.

The tax tables are as follows for withdrawal benefits:

REASON FOR LEAVING EMPLOYMENT			
Resigned or Dismissed		Retrenched	
Benefit amount ¹	Rate of tax	Benefit amount ¹	Rate of tax
R0 - R25 000	0%	R0 - R500 000	0%
R25 001 - R660 000	18% of taxable income above R25 000	R500 001 - R700 000	18% of taxable income above R500 000
R660 001 - R990 000	R114 300 + 27% of taxable income above R660 000	R700 001 - R1 050 000	R36 000 + 27% of taxable income above R700 000
R990 001 +	R203 400 + 36% of taxable income above R990 000	R1 050 001 +	R130 500 + 36% of taxable income above R1 050 000

¹ **Benefit Amount** means:

- the benefit that is currently being paid to you, **plus**
- the following amounts that have previously been paid to you:
 - all retirement and retrenchment benefits received by you as from 01/10/2007, **plus**
 - all other withdrawal benefits paid in cash to you as from 01/03/2009, **plus**
 - all retrenchment amounts paid to you by any employer as from 01/03/2011.

Remember:

Every time you withdraw cash from a retirement fund, it adds up. So the amount of tax you pay each time will probably increase. Withdrawals you make now will also reduce your total tax-free amount when you retire.

Of course, if you choose to preserve your retirement savings now, you will lose nothing to tax and all your savings will keep on working hard for your retirement.

What to do if you want to take all, or some, of your retirement savings in cash:

1. Complete the Old Mutual SuperFund Benefit Reinvestment Form. You can download it at www.oldmutual.co.za/superfundforms or get it from the Old Mutual SuperFund service centre at 0860 20 30 40.
2. If you are preserving part of your retirement savings, complete the relevant application form for the new fund you are joining.
3. Make certified copies of your identity document and bank statement. Give all these documents to your payroll administrator within 60 days of leaving your employer, or call the Old Mutual SuperFund service centre at 0860 20 30 40.

WHAT HAPPENS IF YOU DON'T CHOOSE ANY OF THESE OPTIONS?

You will automatically become a Preserver member if you don't inform Old Mutual SuperFund about your choice:

1. within 120 days of the date on which notification of your exit is received by Old Mutual or the period as published on the Fund's website, or
2. such shorter period as designated by your Employer if they are of the view they have no indication of your choice upon exit and no means of making further contact with you.

THE BEST THING YOU CAN DO NOW IS...

call the Old Mutual SuperFund service centre at 0860 20 30 40 to tell them your choice and make sure they have the right contact details for you.

If you become a Preserver member, Old Mutual SuperFund will be able to give you updates on your retirement savings in the future and make sure you can easily claim your retirement benefit when you are ready to retire. Of course, as a Preserver member you still keep all your options open. You can transfer your savings to another retirement fund¹ or withdraw them in cash at any time (even though you should always try to keep them invested).

What happens next?

When you become a Preserver member, you will be sent a letter explaining how Preserver membership works and what you need to do next. If you do not receive your letter, please call the Old Mutual SuperFund service centre at 0860 20 30 40.

¹ Subject to legislation and the rules of the receiving fund, at the time of transfer.

MAKE THE RIGHT DECISION

ABOUT YOUR OLD MUTUAL SUPERFUND RETIREMENT SAVINGS

Take a good look at all the information in this document, as well as the following table of options, to get a good idea of everything you should think about when making the important decision about what to do with your retirement savings. Then, make the right decision for you – and your future.

Remember, as a Preserver member you keep your options open, and you can make a decision at any time in the future – whether it's taking cash and/or going to another retirement fund¹.

Getting financial advice is a good idea

Before you make a final decision about what to do with your retirement savings, it makes good sense to discuss your options with a financial adviser. An adviser will help you make suitable decisions, taking your future retirement needs into account. An adviser can also help you to make sure you have enough death, disability, funeral and medical cover going forward.

If you don't have a financial adviser or broker, you can call the Old Mutual Member Support Services at 0860 38 88 73 for help.

¹ Subject to legislation and the rules of the receiving fund, at the time of transfer.

HOW WILL THIS AFFECT ME IN THE FUTURE?

	Move to Old Mutual SuperFund Preserver	Move to a Preservation Fund	Move to a Retirement Annuity	Move to your new employer's fund	Take a cash withdrawal

LET'S TALK ABOUT YOUR

DEATH, DISABILITY, FUNERAL AND MEDICAL COVER

If you are disabled, or you pass away, shortly after you leave your employer, you or your family should call Old Mutual SuperFund service centre at 0860 20 30 40 to find out if you are still covered.

So what do you need to do next?

Old Mutual SuperFund recommends that you follow these three easy steps:

1. Ask your ex-employer's HR department what cover you had and how much you were covered for. If you had cover through Old Mutual SuperFund, you can also call Old Mutual Member Support Services at 0860 38 88 73 for this information.
2. Find out how much cover, if any, you will get from your new employer.
3. If you will have less cover than you had, you can make up the difference. You can do this by:
 - a. Speaking to a financial adviser - if you don't have one, call Old Mutual Member Support Services at 0860 38 88 73.
 - b. Asking the Old Mutual Member Support Services about Old Mutual's GREENLIGHT death, disability and funeral cover. You might be able to convert your old cover to any of these with less medical underwriting than is normally required.

YOU NEED TO ACT FAST

If you can convert your old cover to GREENLIGHT cover, any special arrangement on medical underwriting will only be available for 60 days from when you leave your employer. Make sure you find out about your options and make your GREENLIGHT cover choices quickly by calling Old Mutual Member Support Services at 0860 38 88 73 as soon as you can.
