----------------------	----

1. DEFINITIONS AND INTERPRETATION

1.1 Definitions

The words and expressions used in the Rules which have initial capital letters have the meanings set out in Appendix 1.

1.2 Interpretation

The headings in the Rules are for convenience and should be ignored when construing the Rules. Unless the context otherwise requires, words in the singular include the plural and vice versa and words implying either gender include both genders.

Reference in the Rules to any statutory provisions are to those provisions as amended or re-enacted from time to time, and include any regulations or other subordinate legislation made under them.

2. PURPOSE OF PLAN

The purposes of this Plan are: (i) to attract and retain the best available personnel to serve as Managing Directors of the Company; (ii) to provide additional incentive to the Managing Directors; (iii) to promote the success of the Company's business; and (iv) to align the economic interests of Managing Directors directly with those of the shareholders.

3. GRANT OF AWARDS

3.1 Operation of the Plan

The Administrator may, from time to time, set the policies for the Company's operation and administration of the Plan within the terms of the Rules. The policies may include the determination of:

- (a) the Managing Directors who may be granted Awards;
- (b) the Market Value of Shares which may be put under a Managing Director's Award;
- (c) what performance condition(s) (if any) will apply to the Vesting of an Award and how the performance condition(s) will be measured;
- (d) how Awards are granted; and
- (e) the terms and conditions of any Award Agreement, not inconsistent with this Plan.

3.2 Managing Directors

A Managing Director may be recommended from time to time for the grant of an Award. The grant of an Award to a Managing Director on a particular basis does not create the right or expectation of the grant of an Award on the same basis, or at all, in the future to such Managing Director.

3.3 How Awards are granted

The Supervisory Board may, at its sole discretion, grant an Award over a whole number of Shares to any Eligible Managing Director in accordance with the Rules.

Each Award will be granted by means of entering into an Award Agreement which constitutes a binding agreement between the Company and the Eligible Managing Director. There will be no payment for the grant of an Award.

3.4 Number of Shares under the Award

The initial number of Shares comprising an Award in any year is equal to a certain percentage, as determined by the Supervisory Board, of the total gross annual base fee under any management agreement between the Company and the Managing Director at the Date of Grant, divided by the Market Value of a Share at the Date of Grant, unless decided otherwise by the Supervisory Board at its sole discretion.

3.5 When Awards can be granted

- (a) Awards may usually only be granted on the first Dealing Day following the publication of the annual accounts of the Company, though Awards may also be granted at other times if the Administrator resolves that exceptional circumstances exist which justify the grant of Awards at that time. For the financial year 2020 only, it is intended that the Awards will be granted on 1 January, 2020. If this is in a Closed Period, the Awards will be awarded in the first Dealing Day following the end of the Closed Period.
- (b) No Award can be granted after the Plan Period.
- (c) No Award may be granted at a time during which dealing in Shares is not permitted by any order, regulation or the Market Abuse Regulation or the Insider Trading Policy.

3.6 Conditions (including performance conditions)

The Vesting of an Award will be subject to performance conditions selected by the Administrator or any other condition which, in either case, will normally have to be met before the Award can Vest. The Administrator will have discretion to decide whether and to what extent the performance conditions or any other condition to which an Award is subject has been met. Any performance or other condition:

- (a) must be stated in writing at the Date of Grant; and
- (b) may be amended only if the Administrator considers that circumstances are such that it is appropriate the performance condition or other condition be amended, and the amended performance condition or other condition would be no more difficult to satisfy.
- (c) the Supervisory Board will have discretion to determine that Awards will vest to a greater extent if the Supervisory Board concludes that the outcome would otherwise be contrary to the interests of the Company, insofar it does not exceed the maximum vesting percentage as set out in the Award Agreement.

3.7 Holding Period

- (a) Following the Vesting of an Award the Shares subject to the Award are subject to a Holding Period of two years as of the date of Vesting or any different Holding Period as the Administrator may determine at the time of grant. The Administrator may determine at its sole discretion that the options under Rule 10.6 apply.
- (b) During a Holding Period, the Shares will be held:

- (i) by a nominee (as chosen from time to time by the Administrator) for the Participant; or
 - (ii) in such other manner as the Administrator may determine to enable it to monitor ownership of the Shares.
- (c) The Award Agreement can provide for circumstances where the Holding Period will be waived at the sole discretion of the Administrator.

3.8 Approvals and consents

The grant of an Award will be subject to obtaining any approval or consent required under any applicable regulations or enactments.

3.9 Award Agreement

Each grant of an Award will be evidenced by an Award Agreement specifying:

- (a) the Date of Grant;
- (b) the number of Shares under the Award;
- (c) the performance condition(s) and any other condition to which the Award is subject;
- (d) the Normal Vesting Date of the Award;
- (e) any Holding Period that will apply;
- (f) whether the Managing Director has the option of Sell-to-Cover;
- (g) any Clawback Period that will apply; and
- (h) such other terms and conditions as determined by the Administrator, in its sole discretion.

The Award Agreement will be provided to the Managing Director as soon as reasonably practicable following the Date of Grant.

3.10 Awards personal to Participants and not pensionable

An Award may not, nor may any rights in respect of it, be made subject to a security interest, be pledged, hypothecated, transferred, assigned, charged, sold or otherwise disposed of to any person except that, on the death of a Participant, an Award may be transmitted to the Participant's heirs.

No pension benefits will accrue on the value of Awards.

3.11 No acceptance of Awards

Any Award will lapse in full if a Managing Director has not signed the Award Agreement within 20 days after receipt of the Award Agreement. A Managing Director will in such case not be entitled to any compensation. To the extent that an Award is not accepted, it will be treated for all purposes as never having been granted.

4. VESTING OF AWARDS

4.1 General rule for Vesting

Subject to Rule 4.10 and except as otherwise provided in this Rule 4 and in Rule 5, an Award will Vest on its Normal Vesting Date provided that the Participant is then a Managing Director.

4.2 Vesting in a Closed Period

An Award will not Vest on a day which is in a Closed Period. If an Award would, but for this Rule 4.2, have Vested on a day which is in a Closed Period, the day on which the Award Vests will be the first Dealing Day following the end of the Closed Period.

4.3 Vesting following ceasing to be a Managing Director (Good Leaver)

Subject to Rules 4.10, 4.11 and 5, if a Participant ceases to be a Managing Director before the Normal Vesting Date due to:

- (a) injury, ill-health, disability (each as evidenced to the satisfaction of the Administrator), or Redundancy or Retirement; or
- (b) any other reason (except for dishonesty, fraud, serious misconduct, serious breach of the management agreement, or circumstances that would justify summary dismissal or termination for urgent or immediate cause) the Administrator determines appropriate in a particular case,

the Participant's Award(s) will Vest on the Normal Vesting Date or, if so decided by the Supervisory Board at its sole discretion, the date the Participant ceases to be a Managing Director.

4.4 Vesting following cessation of the Managing Director position in other circumstances

If a Participant ceases to be a Managing Director before the Normal Vesting Date(s) in any circumstances, including no reappointment as a Managing Director, other than those referred to in Rules 4.3 or 4.6, the Participant's Award will lapse immediately on the date the Participant ceases to be a Managing Director.

4.5 Disciplinary procedures

Unless the Administrator determines otherwise, a Participant's Award will not Vest under this Rule 4 if, at the time it would otherwise have Vested, the Participant has been suspended from his position as a Managing Director pending an investigation under the disciplinary procedures applicable to the Participant. The Award may Vest, subject to the Rules, following the resolution and dependent on the outcome of the disciplinary procedures.

4.6 Death

Subject to Rules 4.10 and 4.11, an Award held by a Participant who dies before the Normal Vesting Date will Vest on the date of death and will be delivered to the Participant's heirs as soon as practicable. The value of the Award may, at the sole discretion of the Administrator, be delivered in cash in accordance with Rule 6.2.

4.7 Change in Control

Subject to Rules 4.10 and 4.11 and provided the Award is not to be exchanged under Rule 4.8, an Award will Vest on the date any person other than a Group Company (i) obtains Control of the Company; or (ii) acquires the majority of the assets of the Group Companies. The Supervisory Board may decide at its sole discretion that Vesting occurs immediately prior to such date. For the purposes of this Rule 4.7, a person shall be deemed to have obtained Control of the Company if he and others acting in concert with him have together obtained Control. If, for the purpose of this Rule 4.7, there is any doubt on what qualifies as the majority of the assets of the Group Companies, this shall be determined conclusively by the Supervisory Board. The value of the Award may, at the sole discretion of the Supervisory Board, be delivered in cash in accordance with Rule 6.2.

4.8 Assumption of Awards Successor Company

If a company has obtained Control of the Company (the **Successor Company**), and either (i) the shareholders of the Successor Company immediately after it has obtained Control are substantially the same as the shareholders of the Company immediately before that event; or (ii) the Supervisory Board (as constituted before the relevant event) decides and the Successor Company consents to the exchange of Awards under this Rule, Awards will not Vest pursuant to Rule 4.7 but will be exchanged for equivalent awards (as determined by the Supervisory Board as constituted before the relevant event) in respect of shares in the Successor Company or another company within the Successor Company's group which awards may be settled in such shares or in cash.

4.9 Winding up

Subject to Rules 4.10, 4.11 and 5, an Award will, unless decided otherwise by the Supervisory Board, Vest:

- (a) immediately before the passing of a resolution for the voluntary winding-up of the Company; or
- (b) on the date the court makes an order for the winding-up of the Company.

This Rule 4.9 does not apply where the winding-up in either case is for the purpose of a reconstruction, merger or amalgamation. The value of the Award may, at the sole discretion of the Supervisory Board, be delivered in cash in accordance with Rule 6.2.

4.10 Performance conditions

An Award will only Vest under Rules 4.1, 4.3, 4.6, 4.7 or 4.9 if, and to the extent that, any conditions imposed under Rule 3.6 have been satisfied at the date of the relevant event, or any earlier date determined by the Administrator. Where the Administrator is required to determine the extent of Vesting of an Award following the occurrence of an event under which the Award Vests before its Normal Vesting Date, the Administrator will be as constituted before the occurrence of the relevant event.

4.11 Pro rata reduction

The number of Shares in respect of which an Award will Vest pursuant to Rules 4.3, 4.6, 4.7 and 4.9 will be reduced on a pro rata basis to take account the number of full calendar months that have elapsed between the Date of Grant and the date of the relevant event as a proportion of the period between the Date of Grant and the Normal Vesting Date, unless decided otherwise or waived by the Supervisory Board at its sole discretion.

4.12 Reduction of number of Shares subject to an Award - Malus

- (a) The Administrator may, subsequent to the grant of an Award but prior to the Vesting of the Award, in its absolute discretion determine that a reduction in the number of Shares subject to the Award is justified or that it is justified that an Award will Vest to a lesser extent despite the performance condition(s) having been satisfied in whole or part. In such circumstances, the Administrator may reduce (including to zero) the number of Shares subject to the Award to take account of the relevant circumstances. If the Administrator exercises its discretion under this Rule 4.12, it will confirm this in writing to the affected Participant.
- (b) The circumstances in which the Administrator may make such a determination include but are not limited to:
 - (i) the Company materially misstated its financial results for any reason and that misstatement would result or resulted either directly or indirectly in an Award being granted or Vesting to a greater extent that would have been the case had that misstatement not been made;
 - (ii) the extent to which any performance condition and/or any other condition was satisfied was based on an error, or on inaccurate or misleading information or assumptions which resulted either directly or indirectly in an Award being granted or Vesting to a greater extent than would have been the case had that error not been made;
 - (iii) serious misconduct by the Participant or serious breach of the Participant's management agreement during the Vesting period of an Award;
 - (iv) circumstances arose (or continued to exist or arise) during the Vesting period of an Award which would have warranted the summary dismissal of the Participant or dismissal for immediate or urgent cause; or
 - (v) such other circumstances in which the Company is required or allowed to operate malus under Article 2:135 of the Dutch Civil Code.
- (c) For the avoidance of doubt if the Administrator exercises this discretion, the Award will be deemed to have been granted over the lower number of Shares and the Vesting of the Award in accordance with the Rules will be by reference to this reduced number of Shares.

4.13 Clawback

- (a) At any time within the Clawback Period, in circumstances where the Administrator determines such action is justified, the Administrator may require a Participant to repay, in such manner as it may determine, such number of Shares (or cash amount) received in respect of the Award (or such cash amount representing the value of the Shares) as the Administrator considers appropriate.
- (b) The circumstances in which the Administrator may make such a determination include but are not limited to:
 - (i) the Company materially misstated its financial results for any reason and that misstatement would result or resulted either directly or indirectly in an Award being granted or Vesting to a greater extent that would have been the case had that misstatement not been made;

- (ii) the extent to which any performance target and/or any other condition was satisfied was based on an error, or on inaccurate or misleading information or assumptions which resulted either directly or indirectly in an Award being granted or Vesting to a greater extent than would have been the case had that error not been made;
- (iii) serious misconduct by the Participant or serious breach of the Participant's management agreement during the Vesting period of an Award or during the Clawback Period;
- (iv) circumstances arose (or continued to exist or arise) during the Vesting period of an Award or during the Clawback Period which would have warranted the summary dismissal of the Participant or dismissal for immediate or urgent cause; or
- (v) such other circumstances in which the Company is required or allowed to operate malus under Article 2:135 of the Dutch Civil Code.

5. LAPSE OF AWARDS

5.1 Lapse of Awards

An Award will lapse on the earliest of:

- (a) the date on which a Participant ceases to be a Managing Director before the Normal Vesting Date in any circumstances other than those referred to in Rule 4.3 or Rule 4.6;
- (b) the Participant being deprived of the legal or beneficial ownership of the Award by operation of law, or doing or omitting to do anything which causes the Participant to be so deprived or being declared bankrupt;
- (c) the Participant attempting to breach Rule 3.10; and
- (d) as soon as any condition imposed under Rule 3.6 can, in the opinion of the Administrator, no longer be met.

5.2 Lapse where no or partial Vesting

Where, as a result of the application of Rules 4.4 or 4.11, an Award has not Vested or has only Vested in part, the part of the Award that has not Vested will lapse immediately.

6. VESTING OF AWARDS AND ISSUE OR TRANSFER OF SHARES

6.1 Consequences of Vesting of Awards

- (a) The Shares subject to an Award in respect of which it has Vested will, subject to the other provisions of this Rule 6 and Rule 10.6, be delivered to the Participant as soon as reasonably practicable following the date of Vesting of the Award.
- (b) Where a Holding Period applies, the Shares will be delivered to a nominee for the Participant, or into such other arrangement, as the Administrator may direct in accordance with Rule 3.7.

6.2 Satisfaction of Awards in cash

Subject to Rules 4.7, 4.9 and 10.6, the Supervisory Board may, at its sole discretion, in lieu of the Participant's right to receive Shares pursuant to Rule 6.1, following the Vesting of an Award, make a

cash payment equal to the (i) closing sales price of the Shares as quoted on Euronext Amsterdam at the date of Vesting or (ii), at the sole discretion of the Supervisory Board, the value offered by a Successor Company for the Shares within the context of a public transaction leading to the change of Control in respect of which the Award had Vested if the Supervisory Board deems cash settlement to be in the Company's shareholders' interests.

6.3 Consents

The delivery of any Shares or cash under the Plan will be subject to obtaining any necessary approval or consent required under any applicable regulations or enactment.

6.4 Ranking of Shares

Shares acquired by a Participant under the Plan will rank equally in all respects with the Shares then in issue, except that they will not be entitled to any rights attaching to Shares by reference to a record date falling before the day on which the Participant is entered on the Company's register of shareholders in respect of those Shares.

6.5 Listing

While the Shares are Listed, the Company will apply for the Listing of any Shares issued pursuant to the Plan as soon as practicable after their allotment.

7. ADJUSTMENT OF AWARDS

7.1 Variation in equity share capital

If there is a Variation, or any other corporate event which in the reasonable opinion of the Supervisory Board justifies an adjustment, the number and/or type of Shares over which an Award is granted and/or the Award may be adjusted in the manner the Supervisory Board determines at its sole discretion, taking into account the underlying economic value of the Award.

7.2 Notifying Participants

The Company will take any steps it considers necessary to notify Participants of any adjustments made under this Rule 7 and may call in, cancel, endorse, issue or re-issue any Award Agreement as a result of that adjustment.

8. ADMINISTRATION

8.1 Administration of the Plan

The Plan will be administered by the Administrator. The Administrator has full authority, consistent with the Rules, to administer the Plan, including authority to interpret and construe any provision of the Plan and to adopt any regulations for administering the Plan and any documents it thinks necessary or appropriate. The Administrator's decision on any matter concerning the Plan will be final and binding.

8.2 Delegation of Authority for Day-to-Day Administration

Except to the extent prohibited by applicable laws, the Supervisory Board may delegate to one or more individuals the day-to-day administration of the Plan and any of the functions assigned to it in this Plan. Such delegation may be revoked at any time.

8.3 Service Provider

The Administrator can select a third party service provider (the **Service Provider**) who provides an online-platform and other services for Participants through which certain actions and transactions of Participants under this Plan will be dealt with and who may act as an intermediary between the Administrator and the Company and the Participant. The Participants accept the terms and conditions of the use of the online-platform and the other services provided by any Service Provider.

8.4 Costs

Without prejudice to Rule 10.6, the Company will bear the costs of introducing and operating the Plan (including, but not limited to, stamp duty, stamp duty reserve tax and any other costs relating to the issue or transfer of Shares on the Vesting of Awards).

8.5 Shares to cover Awards

The Company will ensure that sufficient Shares are available to satisfy all outstanding Awards.

9. AMENDMENT

9.1 Supervisory Board's power to amend the Plan

Subject to the provisions of this Rule 9, the Supervisory Board can at any time amend any of the provisions of the Plan in any respect.

9.2 Shareholder approval

Any material amendment of the provisions of the Plan requires prior approval by the general meeting of shareholders of the Company.

9.3 Permitted amendments

Rules 9.2 and 9.4 will not apply to any amendment which is:

- (a) minor and to benefit the administration of the Plan;
- (b) to take account of any changes in legislation; or
- (c) to obtain or maintain favourable tax, exchange control or regulatory treatment for the Company or any present or future Participant.

9.4 Effect of amendments and termination

Subject to the provisions of this Rule 9, no amendment, alteration, suspension or termination of the Plan shall impair the existing rights of any Participant, unless mutually agreed otherwise in writing between the Participant and the Administrator.

9.5 Notice of amendments

Participants will be given written notice of any material amendments to the Plan made under Rule 9 which affect them as soon as reasonably practicable after they have been made.

10. GENERAL

10.1 Approval general meeting of shareholders

The Plan is subject to approval by the general meeting of shareholders of the Company. Such approval shall be obtained in the manner and to the degree required under applicable laws and legislation.

10.2 Termination of the Plan

The Plan will terminate at the end of the Plan Period or at any earlier time determined by the Supervisory Board. Termination of the Plan will not affect Awards granted before termination.

10.3 Rights of Participants and Managing Directors

- (a) Participation in one grant does not imply a right to participate or be considered for participation in a later grant.
- (b) The rights and obligations of any Participant under the terms of the Participant's management agreement with the Company will not be affected by the Participant's participation in the Plan nor any right which the Participant may have to participate under it.
- (c) A Participant holding an Award will not have any rights of a shareholder of the Company with respect to that Award or the Shares subject to it prior to Vesting.
- (d) The grant of an Award or the delivery of Shares or the payment of a cash amount in accordance with the specific Rules of this Plan by the Company in relation to an Award in any year shall in no event be included in the calculation of any other emoluments or compensation, including, without limitation any severance payments.

10.4 No rights to compensation or damages

A Participant waives all and any rights to compensation or damages for the termination of the Participant's office or other engagement with the Company for any reason whatsoever (including unlawful termination of the engagement or office or the management agreement) insofar as those rights arise or may arise from the Participant ceasing to have rights under the Plan as a result of that termination or from the loss or diminution in value of such rights or entitlements. Nothing in the Plan or in any document executed under it will give any person any right to continue to be engaged or in office or will affect the right of the Company to terminate the engagement or office of any Participant or any other person without liability at any time, with or without cause, or will impose on the Company, the Supervisory Board or their respective agents and employees any liability in connection with the loss of a Participant's benefits or rights under the Plan or as a result of the exercise of a discretion under the Plan for any reason as a result of the termination of the Participant's engagement or office.

10.5 Articles of association

Any Shares acquired on the Vesting of Awards will be subject to the articles of association of the Company from time to time.

10.6 Withholding for tax and social security contributions

- (a) The Company may withhold such amounts and/or make such arrangements as it considers necessary to meet any tax liability (including wage withholding tax, social security

contributions or any other tax liability) for which it is liable to account in connection with the Vesting of Awards.

- (b) The Company may, in lieu of the Participant's right to receive the full number of Shares pursuant to Rule 6.1 determine to reduce the number of Shares in respect of which that Award will Vest by a number of Shares that have a value at least (in its estimation) equal to the liability of the Participant to any wage withholding tax, social security contributions (or overseas equivalent) or any other tax liability for which there is a withholding obligation for the Company that would have arisen in connection with the Vesting of the original Award, so that the Award becomes an entitlement to receive a reduced number of Shares and a cash amount (the **Cash Amount**) equal to the value of the number of Shares by which the Award is reduced (the **Adjusted Award**) and procure that the Company applies such of the Cash Amount as is necessary in making a payment directly to the relevant tax authority to discharge the liability for wage withholding tax, social security contributions (or overseas equivalent) or any other tax liability for which there is a withholding obligation for the Company that arises as a result of the Vesting of the Adjusted Award (with any surplus cash being returned to the Participant).
- (c) The Company may give the Participants the option to allow the Company to sell the number of Shares in respect of which that Award will Vest that have a value at least (in its estimation) equal to the liability for wage withholding tax, social security contributions (or overseas equivalent) or any other tax liability in cash where the Company subsequently applies such of the cash amount as is necessary in making a payment directly to the relevant tax authority to discharge the liability of the Participant to wage withholding tax, social security contributions (or overseas equivalent) or any other tax liability that arises as a result of the Vesting of the Award (with any surplus cash being returned to the Participant) (**Sell-to-Cover**).
- (d) Rule 10.6(b) and (c) will not apply to Awards made in any jurisdiction where the presence of this Rule would cause:
 - (i) the grant of the Award to be unlawful or for it to fall outside any applicable securities law exemption; or
 - (ii) adverse tax consequences for the Participant and/or the Company.

10.7 Severability

The invalidity or non-enforceability of one or more provisions of the Plan will not affect the validity or enforceability of the other provisions of the Plan.

10.8 Data protection

- (a) Participants acknowledge, as a condition of their participation in the Plan, that personal data in relation to them may be held or otherwise processed by the Company and the Service Provider and passed on to a third party broker, registrar, administrator and/or future purchaser of the Company for the operation or administration of the Plan and/or the Award Agreement or in order to comply with legal obligations or if this is necessary for the Company's business interests.
- (b) In addition, Participants acknowledge, that the processing as described in Rule 10.8(a) may involve the processing, including transfer, of personal data in or to a country which is outside the scope of EU data protection laws. The Company will comply with any applicable data protection laws and regulations in that respect.

- (c) Further information about how the Company processes personal data of Participants is set out in the Company's Privacy Policy for employees (in Dutch: *Privacybeleid voor Medewerkers*) as amended from time to time.

11. GOVERNING LAW

These Rules and any Award Agreement will be governed by and construed in accordance with the laws of the Netherlands. All Participants, the Company will submit to the jurisdiction of the court of Amsterdam in relation to any dispute (including non-contractual disputes) arising under the Plan or any Award Agreement.
