 - A US citizen (including persons with dual or multiple citizenships)
 - US lawful permanent residents (e.g. green card holders).

2. Unit Trusts (UTs) are generally medium to long term investments. The value of the units may go down as well as up and past performance is not necessarily a guide to the future. 3. All Old Mutual Unit Trusts portfolios are valued and priced using forward pricing at 15h00 each business day.
4. Unit Trusts prices are calculated on a net asset value basis by determining the total market value of all assets in the Unit Trusts portfolio including any income accruals, less any deductions from the portfolio namely: brokerage fees, Value Added Tax, Auditors fees, Bank charges, Trustee and Custodian fees and the service charges of the manager. Please refer to the fund summary at the back of this application.

Monies from the repurchase of units will not be paid to third party bank accounts.
6. The manager may borrow up to 10% of the market value of the Unit Trusts Fund to ensure liquidity.
7. The fund(s) may engage in scrip- lending activities, subject to the limits and conditions imposed by the act.
