

Nourishing the best start in life

At Mead Johnson, we respect diverse backgrounds and beliefs. That's why we are happy to present a selection of our infant, toddler, and metabolic formulas that are **certified kosher and halal**.

Mead Johnson Nutrition kosher products are manufactured under the supervision of The Union of Orthodox Jewish Congregations (OU). Mead Johnson Nutrition halal products are manufactured under the supervision of the Islamic Food and Nutrition Council of America (IFANCA).

Let's fuel the wonder.™
