

Happy tummy. Happy baby. Happy you.

Enfamil NeuroPro™ Gentlease® is designed to calm your baby's tummy in just 24 hours. Which means it won't be long before you *both* feel better.

Our trusted Enfamil® Gentlease® formulation is shown to ease:

- FUSSINESS
- CRYING
- GAS
- SPIT-UP

Just ask other parents:
8 out of 10 moms who switched to Gentlease® said their babies felt better after 24 hours.

Our ingredients are also shown to support baby's growing brain.

Enfamil NeuroPro Gentlease is the only leading gentle formula with an expert-recommended amount of brain-building DHA.*

Learn more about Enfamil NeuroPro Gentlease

* World Health Organization recommended amount of DHA is 0.20% to 0.36% of total fatty acids. Enfamil® has 0.32% of total fatty acids as DHA, similar to the average amount found in worldwide mature breast milk.
