CORN SYRUP SOLIDS & MILK PROTEINS:

A hypoallergenic source of carbohydrates and milk for infants with cow's milk allergy.

PLANT-BASED OILS:

Palm olein oil, coconut oil, soy oil, and high oleic sunflower oil have important fats for infant growth and development.

MODIFIED CORN STARCH:

Serves as a thickening agent, an emulsifier to prevent separation in formula.

MORTIERELLA ALPINA OIL & SCHIZOCHYTRIUM SP. OIL:

Both sources of DHA & ARA, to support brain and eye development.

LACTOBACILLUS RHAMNOSUS (BRANDED AS LGG®):

The most studied probiotic for allergy management, promoting gut health.

CALCIUM CITRATE & PHOSPHATE:

Sources of calcium essential for the development of strong bones.

SODIUM CITRATE:

Source of sodium, regulates pH, acts as a buffer.

ESSENTIAL MINERALS:

Essential minerals to support bone development, nerve function, and cellular activities.

CHOLINE CHLORIDE & INOSITOL:

Important nutrients to support brain development and overall growth.

ESSENTIAL VITAMINS:

Essential to support bone health and overall growth.

AMINO-ACIDS & COMPOUNDS:

Playing important roles in central nervous system development and energy metabolism.

Nutramigen® with Probiotic LGG® Powder

For cow's milk allergy. Starts to reduce excessive crying/colic* within 24 hours.

LGG is a registered trademark of Chr. Hansen A/S.
* Due to cow's milk allergy.
