NONFAT MILK:

Nonfat milk has a combination of proteins and carbohydrates to support growth and development.

CORN SYRUP SOLIDS:

An easily digestible source of carbohydrates to support developing digestive systems.

PLANT-BASED OILS:

Palm olein oil, coconut oil, soy oil, and high oleic sunflower oil have important fats to support growth and development.

PREBIOTIC BLEND:

Prebiotics that support good gut bacteria growth and the immune system.

CALCIUM CARBONATE:

Source of calcium to support bone health.

ESSENTIAL MINERALS:

Has essential minerals that support bone development, nerve function, and cellular activities.

TUNA FISH OIL:

A source of DHA to support brain development.

ESSENTIAL VITAMINS:

To support the immune system, bone health, and overall growth.

NATURAL FLAVOR:

Flavor derived from natural sources.

SOY LECITHIN:

Acts as an emulsifier for improved drink texture.

Enfagrow® PREMIUM Toddler Powder

For a complement to toddler diets.
