

Rate changes

As of 1 July 2023

New rates for a number of products and services will apply from 1 July 2023. Here is an overview of the changes:

Bulk mail within the Netherlands

We are increasing the rates for domestic bulk mail by 4.5%. If you have a contract, you have already been personally informed about how this will affect you. The new rates will be shown in the business section of **Mijn PostNL** by 1 July 2023 at the latest. Please note: the rates for international bulk mail will remain the same.

Minimum order amount for mixed bulk mail

- Domestic: the minimum order amount for mixed bulk mail and mixed bulk mail extra will be €23.50 (previously €17.50)
- International: the minimum order amount for mixed bulk mail will be €23.50 (previously €22)

Pick-up and delivery service rates

The rates for the pick-up and delivery service for mail and letterboxpackets+ will increase by 5.5%. This rate increase also applies to combined trips where we collect mail, letterboxpackets+ and parcels at the same time.

Domestic business reply service rates

The rates for domestic letters sent to a business reply service number are increasing by 2%. The annual fee for the service will remain the same.
