- 2.20. For the terms and conditions of particular Savings Accounts offered through the Raisin UK Platform, please refer to the specific product details provided by the Partner Bank within your Raisin UK Account.
- 2.21. After registration and opening of the Raisin UK Account in accordance with clause 2.11 above, you will have access to the Raisin UK Platform. Via the Platform, you can – subject to the specific conditions of each Savings Account – manage your Savings Account(s) and, for example, renew or request a termination or receive messages from the Partner Bank. You can also use the Platform to transfer funds in your Transaction Account (for example, proceeds received following a closure of a Savings Account) back to your Nominated Account (subject to clause 8 of the Service Bank Terms), in which case the Service Bank will receive such instructions the day you give them. This option will be clearly displayed on the Platform. Once given, your instructions cannot be withdrawn. Occasionally, we may need to make checks or ask for further information, which may delay the payment.
- 2.22. Once you are a Raisin UK customer and have a Raisin UK Account and a Transaction Account, should you decide to open a Savings Account, you will need to enter into a deposit contract with the relevant Partner Bank, unless the Trustee enters into a deposit contract with the relevant Partner Bank as bare trustee on your behalf. Further information in relation to the terms of each Savings Account is available on the Raisin UK Platform.
- 2.23. Your Raisin UK Account can hold one or more Savings Accounts, allowing you to select and monitor your portfolio. Please note that while most Savings Accounts involve only ordinary deposits, some may be structured deposit products. Structured deposits are deposits with interest rates linked to the performance of underlying investments. We will always make it clear when a Partner Bank product is a structured deposit and explain to you how the particular product works.
- 2.24. As the Savings Account is held by a Partner Bank, there may be some additional verification or information required from you. Opening a Savings Account may involve the Partner Bank (or its subcontractor(s)) performing certain checks and verifications, including checks required under AML Requirements and other applicable UK law. The Partner Banks

may decline your application to open a Savings Account following their completion of such checks.

- 2.25. We will send you details of how to fund any Savings Accounts opened through your Raisin UK Account within the Funding Window, and explain what information is required, with an acknowledgement of receipt of your application for the Savings Account(s).
- 2.26. If you want to (subject to any specific terms and conditions of each savings product) select any savings products, order a renewal or carry out any other action or transaction in relation to your Transaction Account or any Savings Account, you can action these via the Platform when logged into your Raisin UK Account. You will first need to send funds from your Nominated Account to your Transaction Account. When you do this, your Nominated Account provider may request to check that your name matches the account number and sort code you've given them ('Confirmation of Payee'). You can ask us to opt out of your details being checked using the contact details at 3.2 and opt in again the same way.
- 2.27. If your application to open a Savings Account is successful, you will need to make a transfer from your Transaction Account to a Partner Bank (or to the Trustee who will then make a deposit in a Savings Account with the Partner Bank as bare trustee on your behalf). You can, via the Platform, instruct the Service Bank to transfer the confirmed deposit amount from your Transaction Account to your Savings Account at the Partner Bank (or the Trustee, if appropriate), once the required funds are held in your Transaction Account (subject to clause 8 of the Service Bank Terms). The Service Bank will receive the instructions the day you give them. Occasionally, we may need to make checks or ask for further information, which may delay the payment. Please note these instructions cannot be withdrawn. The Trustee works as a deposit administrator for some of our Partner Banks and will, as required, provide administration services in order to execute your instructions. If the Trustee deposits funds with a Partner Bank on your behalf, this may be in a pooled account with other customers' funds.
- 2.28. If a Partner Bank is in the UK, your funds are likely to be protected under the FSCS, even if you invested through the Trustee as bare trustee. If a Partner Bank is abroad, we will explain whether a different deposit guarantee scheme applies instead.
- 2.29. For further information about the FSCS (including current limits, amounts covered and eligibility to claim) contact us or visit our website. You can also visit the FSCS website at [fscs.org.uk](https://www.fscs.org.uk) or call the FSCS on 020 7741 4100 or 0800 678 1100.
- 2.30. In addition to the agreements you have in place under clause 2.11, you will need to enter into the following contracts to invest in a savings product provided by any Partner Bank:
 - 2.30.1. terms and conditions and/or product factsheet applicable to the specific product you are investing in (provided by the Partner Bank via the Raisin UK Platform); and
 - 2.30.2. where the Trustee provides deposit administration services, the Trustee's terms and conditions, under which the Trustee deposits funds in certain Savings Accounts as bare trustee on your behalf.
- 2.31. You agree to provide us from time to time with all such information about you as we may reasonably require in order to fulfil:
 - 2.31.1. our legal or regulatory obligations; and/or
 - 2.31.2. our obligations to you under these Terms.
- 2.32. You acknowledge and agree that when authorising and operating a Savings Plan via the Platform:
 - 2.32.1. only the specific reference provided for investment in a specified Savings Account must be used, and if you try to use any other reference, this will not move any funds to the specified Savings Account, but instead remain in your Transaction Account;

- 2.32.2. you must be accurate in the provision and inputting of the reference provided;
 - 2.32.3. only Savings Plan transfers initiated from your Nominated Account will be accepted; and
 - 2.32.4. you agree that you instruct and authorise us to make payment from your Transaction Account to the specified Savings Account when you provide a payment instruction requesting the initiation of a payment from your Nominated Account using a specific Savings Plan reference.
- 2.34 From time to time, we may ask you for information or invite you to take part in surveys to determine whether our Services, the Transaction Account or Savings Accounts are appropriate, provide fair value and are producing the right outcomes for you. We may share the results of such information on an anonymised basis with the Service Bank or Partner Banks.

The Service Bank may also suspend your ability to access your Transaction Account in certain circumstances, as set out in the Service Bank Terms.

9.2. We may take action to close your Raisin UK Account (including any associated accounts) immediately if we reasonably believe that:

For clarity, the Service Bank may be liable to you in certain circumstances when payments from or to your Transaction Account have gone wrong (for example, if a payment was unauthorised or incorrectly executed by the Service Bank). See the Service Bank Terms for details. Where the Service Bank would usually be liable to you but the fault is ours, we may be liable to you instead.
