

1. Arriving at LLA

- You can reach LLA by car, taxi, bus or by rail & shuttle bus.
- The Short Term and Multi-Storey car parks are nearest to the terminal building.
- Buses and taxis stop just outside the terminal building.
- Trolleys are available in these areas.
- Please take a moment to locate the pedestrian route and entrance to the terminal.
- If you have bags to drop off, please make your way to the Check In area.
- If you are traveling with hand luggage only, and have checked in on-line, please make your way to Security by following the signs to Departures
- If you have booked Special Assistance, please make your way to the Special Assistance desk.

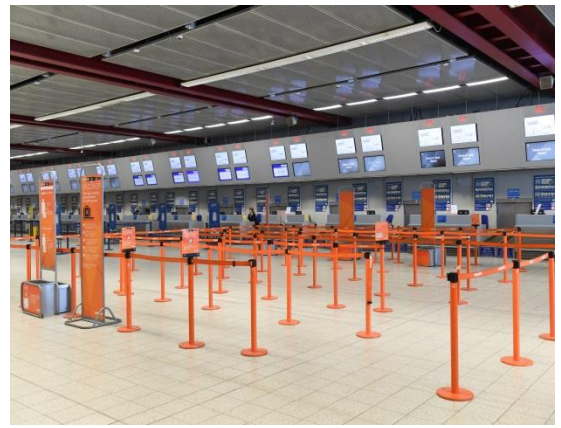

2. Checking In

- Each airline has its own check in desks. Please look at the screens to find the desk number you need.
- If you have any questions or concerns about checking in please ask a member of our terminal team.
- If you have pre-booked special assistance through your airline then please go to the special assistance desk near to the entrance.
- If you haven't pre-booked special assistance and require some help, please visit the desk and we'll help you.

3. How to Check In

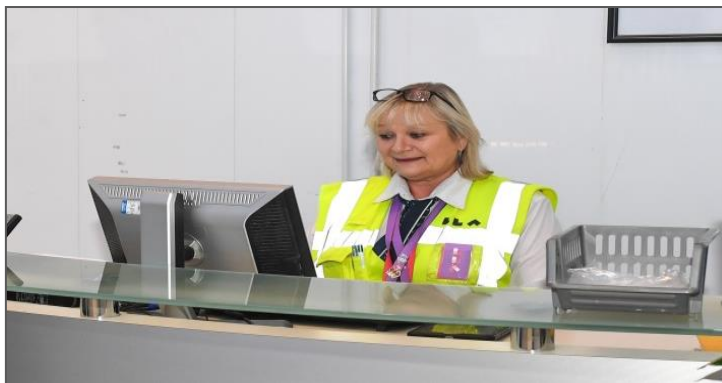

- If you are checking in at a desk please wait in line to be served.
- This area will be busy so please be patient while you wait to be called.
- When you check in, you will be asked for your photo identification (passport or driving licence) and booking reference, or if you booked online, show your confirmation that you printed out.
- You will be asked to put your bag/s on the scales for weighing and tagging.
- Once a bag tag has been attached, your bag will go down the chute for loading on to your aircraft.
- You may be issued a boarding card - or if you booked online, your confirmation will be your boarding pass.
- If you have already checked in online with easyJet you can use the automated bag drop kiosks.
- Instructions are displayed on the screen and easyJet staff are there to help.
- Once you have dropped your bags and have your boarding pass or print out, please go to Security by following the signs to departures)

4. People you might see

The check-in area is always busy with passengers and people who work here. You may see:

- Passenger Service Assistance like Rachel in a hi-vis vest
- Multi-Lingual Hosts like Amine in the yellow jumper
- Airline, Retail & Cleaning staff
- Lots of other passengers

5. Things you may see and hear

The airport is a noisy place but please don't worry.

You may see and hear:

- Cars, buses and other modes of transport
- Announcements over the speaker system
- Television screens
- Sound of luggage or trolleys being rolled along the ground
- Please note, we are currently undertaking building works and maintenance around the airport so you may also hear construction noise.
