Groundhandling Arrangements

No aircraft movements shall take place at LLA without the relevant aircraft operator pre-appointing a ground handling agent.

Aircraft movements without a pre-appointed ground handling agent will incur a surcharge in accordance with the provisions set out on page 17.

Equipment Pooling

All groundhandlers operating at the airport must participate in the groundhandling equipment pooling arrangements LLA has in place.

Airside Driver Training

Airside driver training (which is required to obtain and hold an airside driving permit) is provided by AirDAT and can be booked at <https://www.airdat.org/training>. Separate charges apply.

Inbound Cats, Dogs & Ferrets

Animals which are flown to the airport under the Pet Travel Scheme are processed by Animal Aircare. A booking must be made in advance of arrival at www.animalaircare.co.uk. Separate charges apply.

De-icing

All commercial aircraft and cargo operators must have a de-icing contract in place with a groundhandler for the winter season.

Glycol Recovery

All commercial aircraft and cargo operator must have in place for the winter season a de-icing fluid disposal contract with an approved disposal provider.

All Fixed Base Operators shall be responsible for the recovery, storage and disposal of run-off de-icing fluid within the parts of the airport which they lease from LLA.

Information and Communication Technology Services

London Luton Airport is able to offer a range of

technology services to customers, including dedicated Wi-Fi, telephone & radio systems, internet connections, high resolution CCTV camera and recording facilities, electronic security access control solutions, and a host of other technology-based solutions.

Please contact LLA’s IT Services team to discuss requirements on +44 (0)1582 395307 or via helpdesk@ltn.aero

Billing

All aircraft operators that utilise the services of an FBO will be billed in accordance with the charges set out in these Charges and Conditions of Use by that FBO.

British Summer Time

British Summer Time applies to the local time applicable at the Airport and runs from the last Sunday in March until the last Saturday in October of the same year.

Real Living Wage

LLA pays the “real living wage” (as set by the Living Wage Foundation) to its employees and workers, and encourages all other operators at the Airport to do the same.

New or Amended Charges

New or amended charges payable by some or all Operators to LLA may be introduced to these CCU from time to time (in accordance with clause 3.1.2 of Section 13 of these CCU): including in respect of amended or new baggage access charges in connection with the cost to LLA of implementing an upgraded baggage system..

Notifications

Noise Certificates

Prior to an aircraft undertaking a movement at the airport, the operator of that aircraft must submit (or ensure that a groundhandler or a Fixed Based Operator submits on its behalf) a noise certificate to LLA in respect of that aircraft. Noise certificates must be sent to operations.control@ltn.aero. LLA may introduce an automated service to replace this process, and operators will be informed if and when that system is implemented.

Sustainable Aviation Fuel (SAF)

LLA is committed to supporting the aviation industry achieve “net zero” carbon emissions by 2050. Sustainable aviation fuel (“SAF”) is one of the key elements in the industry's decarbonisation roadmap. SAF has the potential to reduce aircraft carbon emissions by as much as 70%. LLA wishes to support aircraft operators in utilising SAF and may in the future implement a SAF incentive scheme for that purpose.

Delivery Charges for Operators

LLA will be launching an Airport Consolidation Centre in 2025 to better assist the goods-in process for Operators at the Airport. Additional goods-in delivery, consolidation, security screening and transport charges may apply following any such implementation. LLA will issue an itemised Consolidation Centre Rate Card when the Airport Consolidation Centre is operational, the charges will be reviewed and published periodically. For more information, please contact retail.operations@ltn.aero.

1. Application of Terms

Management of the Airport

London Luton Airport is managed and operated by London Luton Airport Operations Limited, a company registered in England and Wales under registration number 03491213 whose registered office address is Percival House 134 Percival Way, London Luton Airport, Luton, United Kingdom, LU2 9NU.

Interpreting these CCU

The definitions and rules of interpretation set out in clause 1 of Section 13 of these CCU, apply to the interpretation of all other sections of these CCU. The terms set out in Section 13 of these CCU, set out the rights and obligations of Operators undertaking Activities (whether or not at the Airport). The Charges payable by each Operator in accordance with Section 13 of these CCU are set out in Sections 2 to 12 of these CCU.

When, and to who, these Charges and Conditions of Use (“CCU”) apply

These CCU take effect from the Effective Date and shall apply until these CCU are updated or replaced by LLA from time to time. These CCU apply to all Operators undertaking Activities (whether or not at the Airport). By undertaking Activities (whether or not at the Airport), each Operator is deemed to have accepted, and agrees to adhere to, the terms of these CCU.

Limitation of LLA’s liability & additional charges

Each Operator’s attention is in particular drawn to the limitations on LLA’s liability set out clause 28 of Section 13 of these CCU, and the additional charges which may be payable by that Operator in accordance with clauses 4.6, 4.7 and 4.8 of Section 13.

Commercial Next Generation Aircraft* –Standard Charges

Passenger Charge (PLS)

Each **Aircraft Operator** shall pay to LLA a “passenger charge (PLS)” for each of its CA Next Generation Aircraft which Takes-off from the Airport, calculated as follows:

£23.15 per Departing Passenger Carried by that CA Next Generation Aircraft;

provided that:

a) **GA Operators** shall pay **50% of the applicable passenger charge (PLS)** if using the services of an **FBO** at the Airport in connection with the operations of the relevant CA Next Generation Aircraft; and

b) **no passenger charge (PLS)** shall be payable by an Aircraft Operator in respect of **Departing Passengers under two years of age** who are Carried by that Aircraft Operator’s CA Next Generation Aircraft.

Landing Charge

Each **Aircraft Operator** shall pay to LLA a “landing charge” for each of its CA Next Generation Aircraft which Lands at the Airport, calculated as follows:

£233.80 for each Landing of that CA Next Generation Aircraft, **plus;**

£3.49 per Tonne of that CA Next Generation Aircraft; and

subject to a **minimum charge of £578.97 per Landing** of such CA Next Generation Aircraft.

Navigation Service Charge

Each **Aircraft Operator** shall pay to LLA a “navigation service charge” for each of its CA Next Generation Aircraft Landing (or Approaching without Landing) at the Airport, calculated as follows:

£4.18 per Tonne of that CA Next Generation Aircraft; and

subject to a **minimum charge of £413.76 per Landing (or Approach without Landing)** of such CA Next Generation Aircraft.

Night Operating Charge

Each **Aircraft Operator** shall pay to LLA a “night operating charge” for each of its CA Next Generation Aircraft Landing at, or Taking-off from, the Airport between the hours of 23:00 and 07:00 (Local Time), calculated as follows:

£184.64 for each Landing or Take-off of that CA Next Generation Aircraft undertaken **between the hours of 23:00 and 07:00** (Local Time); **plus**

£3.48 per Tonne of that CA Next Generation Aircraft; and

subject to a **minimum charge of £529.41 per Landing or Take-off** of that CA Next Generation Aircraft.

Baggage Access Charge

Each **Aircraft Operator** shall pay to LLA a “baggage access charge” for each of its CA Next Generation Aircraft Taking-off from the Airport, calculated as follows:

£0.52 per Departing Passenger Carried by that CA Next Generation Aircraft;

provided that a **minimum charge** shall be applied and calculated on the basis that the number of Departing Passengers Carried on an Aircraft Operator’s CA Next Generation Aircraft **shall be assumed to be at least 25% of that CA Next Generation Aircraft’s Capacity.**

Aircraft Parking Charge

Each **Aircraft Operator** shall pay to LLA an “aircraft parking charge” for each of its CA Next Generation Aircraft parking at the Airport, calculated as follows:

FOC for the first 15 minutes after that CA Next Generation Aircraft first Lands at the Airport or exits a Hangar (“**Free Period**”); and **thereafter**

£0.059 per Tonne of that CA Next Generation Aircraft, multiplied by the total number of minutes such CA Next Generation Aircraft is Parked at the Airport (less the applicable Free Period).

*For the purposes of any Operator Agreements which are entered into prior to the date of these CCU, the charges in these CCU applicable to “CA Next Generation Aircraft” shall be deemed to be to charges applicable to “Chapter 14 Aircraft” (using the previous definition for “Chapter 14 Aircraft” set out in LLA’s Charges and Conditions of Use 2025).

2. Aircraft Charges

Commercial Non-Next Generation Aircraft* – Standard Charges

Passenger Charge (PLS)

Each **Aircraft Operator** shall pay to LLA a “passenger charge (PLS)” for each of its CA Non-Next Generation Aircraft which Takes-off from the Airport, calculated as follows:

£32.16 per Departing Passenger Carried by that CA Non-Next Generation Aircraft;

provided that:

- a) **GA Operators** shall pay **50% of the applicable passenger charge (PLS) if using the services of an FBO** at the Airport in connection with the operations of the relevant Non-Next Generation Aircraft; and
- b) **no passenger charge (PLS)** shall be payable by an Aircraft Operator in respect of **Departing Passengers under two years of age** who are Carried by that Aircraft Operator’s CA Non-Next Generation Aircraft.

Landing Charge

Each **Aircraft Operator** shall pay to LLA a “landing charge” for each of its CA Non-Next Generation Aircraft which Lands at the Airport, calculated as follows:

£324.99 for each of Landing of that Non-Next Generation Aircraft; **plus,**

£4.84 per Tonne of that CA Non-Next Generation Aircraft undertaking the Landing; and

subject to a **minimum charge of £803.96 per Landing** of such CA Non-Next Generation Aircraft;

provided that for each of an Aircraft Operator’s CA Non-Next Generation Aircraft which is a **Chapter 2 Aircraft**, and which undertakes a Landing, there shall be a **200% increase** to the total applicable Landing Charge.

Navigation Service Charge

Each **Aircraft Operator** shall pay to LLA a “navigation service charge” for each of its CA Non-Next Generation Aircraft Landing (or Approaching without Landing) at the Airport, calculated as follows:

£5.82 per Tonne of that CA Non-Next Generation Aircraft; and

subject to a **minimum charge of £576.49 per Landing (or Approach without Landing)** of such CA Non-Next Generation Aircraft;

provided that for each of an Aircraft Operator’s CA Non-Next Generation Aircraft which is a **Chapter 2 Aircraft**, and which undertakes a Landing (or Approach without Landing), there shall be a **200% increase** to the total applicable Navigation Service Charge.

Night Operating Charge

Each **Aircraft Operator** shall pay to LLA a “night operating charge” for each of its CA Non-Next Generation Aircraft Landing at, or Taking-off from, the Airport between the hours of 23:00 and 07:00 (Local Time), calculated as follows:

£256.66 for each Landing or Take-off of that CA Non-Next Generation Aircraft undertaken **between the hours of 23:00 and 07:00** (Local Time); **plus,**

£4.84 per Tonne of that CA Non-Next Generation Aircraft undertaking the Landing or Take-off;

subject to a **minimum charge of £735.64 per Landing or Take-off** of that CA Non-Next Generation Aircraft;

provided that the applicable Night Operating Charge shall be **increased by 50%** if the relevant Landing or Take-off of that CA Non-Next Generation Aircraft takes place at any time **during the period commencing 1 June to 30 September** in a Year.

Baggage Access Charge

Each **Aircraft Operator** shall pay to LLA a “baggage access charge” for each of its CA Non-Next Generation Aircraft Taking-off from the Airport, calculated as follows:

£0.52 per Departing Passenger Carried by that CA Non-Next Generation Aircraft;

provided that a **minimum charge** shall be applied and calculated on the basis that the number of Departing Passengers Carried on an Aircraft Operator’s CA Non-Next Generation Aircraft **shall be assumed to be at least 25% of that CA Non-Next Generation Aircraft’s Capacity.**

Aircraft Parking Charge

Each **Aircraft Operator** shall pay to LLA an “aircraft parking charge” for each of its CA Non-Next Generation Aircraft parking at the Airport, calculated as follows:

FOC for the first 15 minutes after that CA Non-Next Generation Aircraft first Lands at the Airport or exits a Hangar (“Free Period”); and **thereafter**

£0.059 per Tonne of that CA Non-Next Generation Aircraft, multiplied by the total number of minutes such CA Non-Next Generation Aircraft is Parked at the Airport (less the applicable Free Period)

*For the purposes of any Operator Agreements which are entered into prior to the date of these CCU, the charges in these CCU applicable to “CA Non-Next Generation Aircraft” shall be deemed to be to charges applicable to “Non-Chapter 14 Aircraft” (using the previous definition for “Non-Chapter 14 Aircraft” set out in LLA’s Charges and Conditions of Use 2025).

2. Aircraft Charges

All Aircraft – Standard Charges

Police Services Charge

Each **Aircraft Operator** shall pay to LLA a “police services charge” for each of its Aircraft which Takes-off from the Airport, calculated as follows:

£0.58 per Departing Passenger Carried by that Aircraft; and

each Aircraft Operator acknowledges and agrees that for the purposes of spreading the costs incurred by each Aircraft Operator:

- (a) in setting the Police Services Charge applicable to these CCU, LLA has set the rate for the purpose of seeking to recover the sum of:
 - (i.) the Police Services Costs it anticipates it will incur from 1 January 2025 to 31 December 2026;
plus
 - (ii.) in part the Unrecovered Police Services Costs for the period 1 April 2020 to 31 December 2025;
- (b) in setting the Police Services Charge in each subsequent version of LLA’s “charges and conditions of use” (“**New CCU**”) to these CCU, LLA may adjust the rates for the purpose of seeking to recover the sum of:
 - (i.) the Police Services Costs LLA anticipates it will incur during the period covered by that New CCU;
plus (if applicable):
 - (ii.) the amount of any under-recovery by LLA of its Police Services Costs through the Police Services Charge during any period prior to the effective date of that New CCU;
less (if applicable):
 - (iii.) the amount of any over-recovery by LLA of its Police Services Costs through the Police Services Charge during any period prior to the effective date of that New CCU.

Next Generation Security Charge

Each **Aircraft Operator** shall pay to LLA a “next generation security charge” for each of its Aircraft which Takes-off from the Airport, calculated as follows:

£0.375 per Departing Passenger carried by that Aircraft.

NOx Levy Charge

Each **Aircraft Operator** shall pay to LLA a “NOx levy charge” for each Landing and each Take-off of its Aircraft from the Airport, calculated as follows for each such Landing or Take-off:

1. the **Engine NOx LTO Figure** applicable to an engine on that Aircraft;
multiplied by:
2. the **number of engines** on that Aircraft;
(the resultant figure being the “**Aircraft Total Emissions**”)
divided by:
3. either
 - a. the number of **Passengers Carried** by that Aircraft (if that Aircraft is a Passenger Aircraft); or
 - b. the **total weight in kilograms of Cargo Carried** by that Aircraft divided by 100 (if that Aircraft is a Cargo Aircraft and the total weight of Cargo Carried by that Cargo Aircraft exceeds 200 kilograms);
multiplied by:
4. **0.12565**

and the resultant figure shall be the applicable NOx levy charge in pounds sterling;

provided that if the relevant Cargo Aircraft is not Carrying in excess of a total of 200 kilograms of Cargo or the relevant Passenger Aircraft is not Carrying any Passengers during the relevant Landing or Take-off the Aircraft Total Emissions for such Aircraft shall be divided by 1,000 and then multiplied by £25.79 to determine the applicable NOx levy charge

CAA Aviation Security Charge

Each **Aircraft Operator** shall pay to LLA a “CAA aviation security charge” for each of its Aircraft which Takes-off from the Airport, calculated as follows

£0.0789 per Departing Passenger Carried by that Aircraft;

each Aircraft Operator acknowledges and agrees that as the CAA ordinarily sets a new Variable Charge after the effective date of these CCU:

- (a) LLA has set the CAA Aviation Security Charge rate in these CCU for the purpose of seeking to recover the sum of:
 - (i.) the Variable Charges it anticipates it will incur from 1 January 2026 to 31 December 2026;
plus
 - (ii.) the unrecovered portion of the Variable Charges for the period 1 January 2025 to 31 December 2025;
- (b) in setting the CAA Aviation Security Charge in each subsequent version of LLA’s “charges and conditions of use” (“**New CCU**”) to these CCU, LLA may adjust the CAA Aviation Security Charge rates for the purpose of seeking to recover the sum of:
 - (i.) the Variable Charges LLA anticipates it will incur during the period covered by that New CCU;
plus (if applicable):
 - (ii.) the amount of any under-recovery by LLA of the Variable Charges through the CAA Aviation Security Charge during any period prior to the effective date of that New CCU; less (if applicable):
 - (iii.) the amount of any over-recovery by LLA of its Variable Charges through the CAA Aviation Security Charge during any period prior to the effective date of that New CCU.

2. Aircraft Charges

All Aircraft – Standard Charges

Persons of Reduced Mobility Charge (PRM Levy)

Each **Aircraft Operator** shall pay to LLA a “persons of reduced mobility charge (PRM Levy)” for each of its Aircraft which Takes-off from the Airport, calculated as follows:

£0.87 per Departing Passenger Carried by that Aircraft;

provided that LLA will review the amount if its PRM Costs which it recovers through the PRM Levy for the period from 1 February 2026 to 31 January 2027 (“**Initial Period**”), and **may adjust the above rates from 1 February 2027** (in accordance with clause 3.1.2 of Section 13 of these CCU) for the purpose of recovering the sum of:

(a) the PRM Costs LLA anticipates it will incur from 1 February 2027 to 31 January 2028;

plus (if applicable):

(b) the amount of any under-recovery by LLA of its PRM Costs through the PRM Levy during the Initial Period;

less (if applicable):

(c) the amount of any over-recovery by LLA of its PRM Costs through the PRM Levy during the Initial Period.

3. Aircraft Charges

All Aircraft - Additional Charges

Groundhandler Non-Appointment Charge

Each **Aircraft Operator** shall pay to LLA a “groundhandler non-appointment charge” for each Groundhandling Infringement committed by that Aircraft Operator, calculated as follows:

£5,000 for each such Groundhandling Infringement.

Engine Run-up Bay Charge

Each **Aircraft Operator** shall pay to LLA an “engine run-up bay charge” for each of its Aircraft which uses the Engine Run-up Bay at the Airport (“ERB”), calculated as follows:

£250 for the first half-hour of that Aircraft’s use of the ERB; and

£150 for each subsequent 15 minutes of that Aircraft’s use of the ERB, or part thereof;

provided that if any use of the ERB is undertaken by an Aircraft Operator’s Aircraft between the hours of 23:00 and 07:00 (Local Time) there shall be a 75% increase to the applicable Engine Run-up Bay Charge.

Diverted Flight Charge

Each **Aircraft Operator** shall pay to LLA a “diverted flight charge” for each of its Aircraft which undertakes a Diverted Flight which Lands at the Airport, calculated as follows:

£23.15 per Arriving Passenger Carried by that Aircraft if that Aircraft is a GA Chapter 14 Aircraft or a CA Next Generation Aircraft; or

£32.16 per Arriving Passenger Carried by that Aircraft if that Aircraft is a GA Non-Chapter 14 Aircraft or a CA

Non-Next Generation Aircraft;

provided that no Diverted Flight Charge shall be payable by a GA Operator if using the services of an FBO at the Airport in connection with the operations of the relevant Aircraft.

Stand De-icing Charge

Each **Aircraft Operator** shall pay to LLA a “stand de-icing charge” each time LLA de-ices a Stand at the request of that Aircraft Operator (or its Appointed Groundhandler), calculated as follows:

£260.69 for each such de-icing, plus;

£2.44 per litre of de-icing fluid applied by LLA in the course of such de-icing.

Unauthorised Stand Use Charge

Each **Aircraft Operator** shall pay to LLA an “unauthorised stand use charge” for each of its Aircraft which is Parked at a Stand at the Airport without the prior permission of LLA, calculated as follows:

an amount equivalent to the Aircraft Parking Charge which would apply to an Airbus A300-600 (AB6) for the duration that that Aircraft is Parked at the Airport.

Technical Wash Charge

Each **Aircraft Operator** shall pay to LLA a “technical wash charge” for each Technical Wash of its Aircraft undertaken at the Airport, calculated as follows:

£248.62 if that Technical Wash is an **Authorised Technical Wash**;

or **£1,241.65** if that Technical Wash is an **Unauthorised Technical Wash**

Non-Allocated Slot Charge

Each **Aircraft Operator** shall pay to LLA a “non-allocated slot charge” for each of its Aircraft which undertakes a Flight to the Airport, without a Slot for that Aircraft to Land at the Airport having first been allocated by ACL to that Aircraft Operator prior to that Flight commencing (“**Non-Allocated Slot Movement**”), calculated as follows:

£5,000 for the first Non-Allocated Slot Movement between the hours of 07:01 to 22:59 (Local Time) in any 12 month period undertaken by that Aircraft Operator;

£10,000 for the second and each subsequent Non-Allocated Slot Movement between the hours of 07:01 to 22:59 (Local Time) in any 12 month period undertaken by that Aircraft Operator;

£10,000 for the first Non-Allocated Slot Movement between the hours of 23:00 to 07:00 (Local Time) in any 12 month period undertaken by that Aircraft Operator; and

£20,000 for the second and each subsequent Non-Allocated Slot Movement between the hours of 23:00 to 07:00 (Local Time) in any 12 month period undertaken by that Aircraft Operator.

3. Aircraft Charges

All Aircraft – Additional Charges

Out of Schedule Landing Charge

Each **Aircraft Operator** shall pay to LLA an “out of schedule landing charge” for each of its Aircraft which undertakes a Flight to the Airport, if ACL originally allocated a Slot to that Aircraft Operator for that Aircraft to Land at the Airport between the hours of 06:00 to 23:29 (“**Allocated Day Slot**”), and the Landing in connection with the use of that Slot occurs between the hours of 23:30 and 5:59 (“**Out of Schedule Landing**”), calculated as follows:

£10,000 for the first Out of Schedule Landing in any 12 month period undertaken by that Aircraft Operator; and

£20,000 for the second and each subsequent Out of Schedule Landing in any 12 month period undertaken by that Aircraft Operator;

provided that no Out of Schedule Landing Charge shall be payable in respect of an Out of Schedule Landing if:

- a) the Out of Schedule Landing is undertaken by a CA Aircraft carrying Passengers and occurs 24 hours or less after the relevant Allocated Day Slot occurs; or
- b) the Out of Schedule Landing is undertaken by a GA Aircraft (or a CA Aircraft not carrying Passengers) and occurs 2 hours or less after the relevant Allocated Day Slot occurs.

Check-in Desk Charge

Each **Groundhandler** shall pay to LLA a “check-in desk charge” in connection with its operations at the Airport, calculated as follows:

£0.391 per Departing Passenger Carried by each CA Client of that Groundhandler;

excluding any Departing Passenger carried by a CA Client of that Groundhandler with which LLA has a separate agreement for billing check in desk charges (as confirmed by LLA in writing to that Groundhandler from time to time).

Use of Infrastructure Charge

Each **Groundhandler** shall pay to LLA a “use of infrastructure charge” in connection with its operations at the Airport, calculated as follows:

£0.0760 per Arriving Passenger and per Departing Passenger Carried by each CA Client of that Groundhandler plus

£48.40 for each Landing and each Take-off undertaken by each CA Client and each GA Client of that Groundhandler (except in respect of such Aircraft which are undertaking a Landing or Take-Off without carrying Passengers or Cargo, for the purposes of positioning such Aircraft for scheduled maintenance or undertaking another scheduled flight);

provided that the applicable Use of Infrastructure Charge shall be reduced by 70% if that Infrastructure Charge is incurred by a Groundhandler at any time during the period commencing on 1 January 2026 and ending on 31 December 2026.

Groundhandler Cargo Charge

Each **Groundhandler** shall pay to LLA a “groundhandler cargo charge” in connection with its operations at the Airport, calculated as follows:

£0.765 per tonne of Cargo loaded or unloaded at the Airport by that Groundhandler from an Aircraft which is operated by a CA Client of that Groundhandler.

Groundhandler Support Charge

Each **Groundhandler** shall pay to LLA a “groundhandler support charge” in respect of LLA’s provision of Groundhandler Support (except for Marshalling Support) to that Groundhandler, calculated as follows:

£52 per Chargeable Support Hour, subject to a daily minimum charge of five Chargeable Support Hours per member of Support Staff who is assigned by LLA to provide Groundhandler Support to that relevant Groundhandler.

Common User Terminal Charge (“CUTE Charge”)

Each **Groundhandler** shall pay to LLA a “common user terminal charge (CUTE Charge)” in connection with its operations at the Airport, calculated as follows:

£0.058 per Departing Passenger Carried by each CA Client of that Groundhandler.

Reporting Administration Charge

Each **Groundhandler** shall pay to LLA a “reporting administration charge” for each Reporting Failure committed by that Groundhandler, calculated as follows:

£150 for each such Reporting Failure.

3. Aircraft Charges

All Aircraft – Additional Charges

Marshalling Support Charge

Each **Groundhandler** shall pay to LLA a “marshalling support charges” in respect of LLA’s provision of Marshalling Support to that Groundhandler, calculated as follows:

£152 for each Aircraft Marshalled by LLA;

except that **no marshalling support charge** shall be payable by a Groundhandler in respect of an Aircraft Marshalled by LLA, if:

- a) that **Aircraft arrived at the Airport more than 25 minutes earlier or later than scheduled** in the relevant Flight Schedule; or
- b) the **total number of that Groundhandler’s Client Flights** which departed, or arrived at, the Airport in the **30 minutes before and after that Aircraft** arrived at the Airport (the “**Combined Period**”) was **two or more over the total number of that Groundhandler’s Client Flights scheduled to arrive or depart** the Airport during that Combined Period in the relevant Flight Schedule; and

the **Groundhandler has used its reasonable endeavours to avoid the need for such Marshalling.**

4. Operational Charges

Refueller Spillage Charge

Each **Operator** shall pay to LLA a “refueller spillage charge” in respect of the spillage of a Contaminant by that Operator on to any part of the Airport, calculated as follows:

all costs, loss or damage incurred or suffered by LLA (including in respect of clean up, repair of damage and any regulatory fines or third party claims) in connection with that spillage; **plus**

£6,000 if such spillage is not reported to LLA in accordance with the Contaminant reporting procedure set out in the Mandatory Policies; **plus**

£6,000 if such spillage occurs in connection with that Operator fueling an Aircraft, and LLA reasonably determines that that Aircraft was fueled in excess of its maximum fueling capacity and the spilled Contaminant was not wholly contained using a suitable fuel spillage capture kit.

Aircraft Operator Spillage Charge

Each **Aircraft Operator** shall pay to LLA an “aircraft operator spillage charge” in respect of the spillage of a Contaminant by a Refueller on to any part of the Airport in the course of that Refueller fueling one of that Aircraft Operator’s Aircraft, calculated as follows:

£6,000 per spillage if:

- a) that **Aircraft was fueled above its maximum fueling capacity** and the spilled **Contaminant was not wholly contained using a suitable fuel spillage capture kit**; and
- b) LLA reasonably determines that the **Aircraft was fueled in excess of its maximum fueling capacity** in whole or in part **due to the instructions (or lack thereof)** given by the **Aircraft Operator to the Refueller**.

FBO Spillage Charge

Each **FBO** shall pay to LLA an “FBO spillage charge” in respect of the spillage of a Contaminant by a Refueller on to any part of the Airport in the course of that Refueller fueling one of that FBO’s GA Client’s Aircraft, calculated as follows:

£6,000 per spillage if:

- a) that **Aircraft was fueled above its maximum fueling capacity** and a suitable **fuel spillage capture kit was not adequately deployed** by the FBO to contain the Contaminant;
- b) a Contaminant has previously been spilled from the Aircraft (or that type of Aircraft) at the Airport; and
- c) LLA reasonably determines that the **Aircraft was fueled in excess of its maximum fueling capacity** in whole or in part **due to the instructions (or lack thereof)** given by the **Aircraft Operator of that Aircraft to that Refueller**.

Staff Supply Charge

Each **Operator** shall pay to LLA a “staff supply charge” in respect of LLA’s provision of Operational Support to that Operator, calculated as follows:

£625.09 for the first hour (or part thereof) during which LLA provides a **director** to assist with the Activities of that Operator and **£1250.18 for each subsequent hour (or part thereof)**;

£309.71 for the first hour (or part thereof) during which LLA provides a **manager** to assist with the Activities of that Operator and **£619.41 for each subsequent hour (or part thereof)**;

£241.51 per hour (or part thereof) during which LLA provides a **supervisor** to assist with the Activities of that Operator (**subject to a minimum charge of 5 hours**, unless LLA specifies that the provision of such staff is necessary on its own initiative); and

£120.76 per hour (or part thereof) during which LLA provides **any other staff** to assist with the Activities of that Operator (**subject to a minimum charge of 5 hours**, unless LLA specifies that the provision of such staff is necessary on its own initiative);

provided that no such staff supply charges shall be payable by a Groundhandler to LLA in respect of the provision of Operational Support which is Groundhandler Support (which shall instead be payable by such Groundhandler to LLA in accordance with the provisions in respect of “Groundhandler Support Charges” set out in these CCU, and prior to that date, in accordance with the terms of each Operator Agreement in place between LLA and that Groundhandler).

4. Operational Charges

Forklift Truck Charge

Each **Operator** shall pay to LLA a “forklift truck charge” in respect of LLA’s provision of Forklift Truck Services to that Operator, calculated as follows:

£109.38 per hour (or part thereof) for the provision by LLA to that Operator of a **small sized forklift truck** (with a loading capacity of up to, but not including, 3 metric tonnes) **and a driver** to undertake such Forklift Truck Services and

£163.44 per hour (or part thereof) for the provision by LLA to that Operator of a **medium sized forklift truck** (with a loading capacity of up to, but not including, 5 metric tonnes) **and a driver** to undertake such Forklift Truck Services.

CTA Access Charge

Each **Coach Operator** shall pay to LLA a “CTA access charge” in respect of its use of the CTA, calculated as follows:

£1.93 per Coach Movement undertaken by a Coach (operated by that Coach Operator).

5. Training Charges

Fire Service Training Charge

Each **Operator** shall pay to LLA a “fire service training charge” in respect of the provision of training by LLA’s “Fire Service” to that Operator’s Personnel, calculated as follows:

£101.84 per Participant of the “Manual Handling” course;

£113.15 per Participant of the “Fire Wardens” course;

£113.15 per Participant of the “Hot Works” course;

£74.17 per Participant of the “AED” course;

£155.90 per Participant of the “First Aid 1 Day” course;

£421.17 per Participant of the “First Aid 3 Day” course;

£264.02 per Participant of the “First Aid at Work Revalidation (2 Day)” course;

£2,144.82 per Participant of the “Compartmental Fire Behaviour Training” course;

£147.64 per Participant of the “Airline Training” course (subject to a minimum of 4 course Participants);

£2,251.69 per Participant of the “External Fire Fighting” day course; and

£1,470.95 per Participant of the “External Fire Fighting” half day course.

6. Noise & Track Violation Charges

Noise Limit Violation Charge

Each **Aircraft Operator** shall pay to LLA a “noise limit violation charge” for each of its Aircraft (undertaking a Flight) which breaches an applicable noise violation limit stated below, calculated as follows:

£1,250 per applicable Aircraft recorded at a Noise Monitoring Station as **louder than** the day time noise violation limit of **79 decibels between the hours or 07:01 and 22:59** (Local Time); and

£2,250 per applicable Aircraft recorded at a Noise Monitoring Station as **louder than** the night time noise violation limit of **78 decibels between the hours or 23.00 and 07:00** (Local Time).

Noise limit violation charges are paid by LLA into the LLA Community Trust Fund. For more details please visit <http://www.london-luton.co.uk/corporate/community/community-trust-fund>.

Track Violation Charge

Each **Aircraft Operator** shall pay to LLA a “track violation charge” for each of its Aircraft (undertaking a Flight) which commits a Track Violation, calculated as follows:

£1,250 per applicable Aircraft determined by LLA to have caused a **Track Violation between the hours of 07:01 and 22:59** (Local Time); and

£2,250 per applicable Aircraft determined by LLA to have caused a **Track Violation between the hours of 23:00 to 07:00** (Local Time).

Track violation charges are paid by LLA into the LLA Community Trust Fund. For more details please visit <http://www.london-luton.co.uk/corporate/community/community-trust-fund>.

7. Security Compliance Charges

Security Compliance Charge

Each **Operator** shall pay to LLA a “security compliance charge” in respect of that Operator’s breach of a Security Requirement, calculated as follows (in each 12 month period specified by LLA from time to time):

£0.00 for the **first Minor Deficiency** breach by that Operator in that period;

£250 for each of the **second and third Minor Deficiency** breach by that Operator in that period;

£500 for each of the **fourth and each subsequent Minor Deficiency** breach by that Operator in that period;

£500 for each of the **first, second and third Serious Deficiency** breach by that Operator in that period;

£2,500 for the fourth and each subsequent Serious Deficiency breach by that Operator in that period;

£5,000 for each of the first, second and third Deficiency Notice breach by that Operator in that period in connection with a failure to keep secure any Security Restricted Area or any boundary between Airside and Landside;

£10,000 for each of the fourth and each subsequent Deficiency Notice breach by that Operator in that period in connection with a failure to keep secure any Security Restricted Area or any boundary between Airside and Landside a;

£5,000 for the first Deficiency Notice breach by that Operator in that period in connection with the misdirection of Arriving Passengers to, or within, the Arrival Area; and

£10,000 for each of the second and each subsequent Deficiency Notice breach by that Operator in that period in connection with the misdirection of Arriving Passengers to, or within, the Arrival Area.

Aviation Security Services Charge

Each **Operator** shall pay to LLA an “aviation security services charge” in respect of LLA’s provision of access control services training and other ad hoc aviation security services requested by, and provided to, that Operator (including aviation security training), calculated as follows:

£114 per member of that Operator’s Personnel undertaking a “National X-Ray Competency Test” administered by LLA; and

for all other such services, at such rates as are specified by LLA from time to time to that Operator (including in respect of aviation security training).

8. Passes & Permit Charges

Airport ID Charges

Each **Operator** shall pay to LLA “airport ID charges” in connection with each ID Pass issued by LLA to that Operator’s Personnel, calculated as follows:

£127.86 from 1 January 2026 to 28 February 2026, and £131.06 from 1 March 2026, for each “full airport” ID Pass issued to a member of that Operator’s Personnel;

£22.76 from 1 January 2026 to 28 February 2026, and £23.33 from 1 March 2026 for each “1-7 day temporary (visitor)” ID Pass issued to a member of that Operator’s Personnel;

£90.21 from 1 January 2026 to 28 February 2026, and £92.47 from 1 March 2026, for each “1-60 day temporary (employment)” ID Pass issued to a member of that Operator’s Personnel;

£90.21 from 1 January 2026 to 28 February 2026, and £92.47 from 1 March 2026, for each 30 day extension to a “1-60 day temporary (employment)” ID Pass issued to a member of that Operator’s Personnel;

£45.26 from 1 January 2026 to 28 February 2026, and £46.39 from 1 March 2026, for each “landside” ID Pass issued to a member of that Operator’s Personnel;

£116.17 from 1 January 2026 to 28 February 2026, and £119.07 from 1 March 2026, for each renewal of a “full airport” ID Pass (following expiry of such pass) for a member of that Operator’s Personnel; and

£45.26 from 1 January 2026 to 28 February 2026, and £46.39 from 1 March 2026 for each re-issue of a “full airport” ID Pass or a “landside” ID Pass (if such ID Pass is faulty or to amend the details on such ID Pass) to a member of that Operator’s Personnel;

plus;

£11.36 for each Accreditation Check undertaken in connection with the application for each such ID Pass;

£214 for each such ID Pass not returned to LLA by that Operator on the applicable Return Date; and

£105.13 for each such ID Pass which is a replacement for a lost or stolen ID Pass issued to a member of that Operator’s Personnel (provided that if a replacement for a lost or stolen ID Pass is required to be issued to the same member of that Operator’s Personnel on any subsequent occasion, such charge will increase to **£186.07 for the second replacement ID Pass** and **£279.10 for the third and each subsequent replacement ID Pass**).

Tools of the Trade Permit Charge

Each **Operator** shall pay to LLA a “tools of the trade permit charge” for each “tools of the trade permit” issued by LLA to that Operator’s Personnel, calculated as follows:

£29.83 for each such “tools of the trade permit” issued to a member of that Operator’s Personnel.

Airside Vehicle Permit Charges

Each **Operator** shall pay to LLA “airside vehicle permit charges” in connection with each “airside vehicle permit” issued by LLA to that Operator, calculated as follows:

£754.41 for the first such “airside vehicle permit” issued by LLA to that Operator in respect that Operator’s Vehicles;

£163.44 for the second and each subsequent such “airside vehicle permit” issued by LLA to that Operator in respect of that Operator’s Vehicles; and

£110.82 for each such “airside vehicle permit” issued by LLA to that Operator in respect of each trailer to be towed by that Operator’s Vehicles.

9. Staff Car Parking Charges

Staff Car Parking Charge

Each **Operator** shall pay to LLA “staff car parking charges” in connection with each car park disc and car park swipe issued by LLA to that Operator, or a member of that Operator’s Personnel, calculated as follows:

£3,710.06 for each “**Executive Car Park**” car park disc issued to that Operator or a member of that Operator’s Personnel;

£1,247.16 for each “**Car Park B**” car park disc issued to that Operator or a member of that Operator’s Personnel;

£1,757.59 for each “**Executive Car Park – Car Share**” car park disc issued to that Operator or a member of that Operator’s Personnel;

£585.86 for each “**Car Park B – Car Share**” car park disc issued to that Operator or a member of that Operator’s Personnel;

£186.07 for each replacement “**Car Park Swipe**” issued to that Operator or a member of that Operator’s Personnel;

£186.07 for each non-returned “**Car Park Swipe**” issued to that Operator or a member of that Operator’s Personnel, which is not returned to LLA’s ID Centre on its expiry date, or on the date requested by LLA from time to time;

£71.03 for each replacement “**Car Park Disc**” issued to that Operator or a member of that Operator’s Personnel;

£71.03 for each amendment and re-issue of a “**Car Park Disc**” issued to that Operator or a member of that Operator’s Personnel; and

£71.03 for each non-returned “**Car Park Disc**” issued to that Operator or a member of that Operator’s Personnel, which is not returned to LLA’s ID Centre within 30 days following its expiry date, or on the date requested by LLA from time to time;

provided that, at LLA’s discretion, if a car park disc is purchased by the relevant Operator part way through a calendar year, the applicable charge set out above may be reduced on a pro rata basis in proportion to the expired period during that calendar year (rounded down to the nearest whole month).

Export Charges

Export Processing and Handling Charges

Each **Cargo Operator** shall pay to LLA “export processing and handling charges” in connection with that Operator’s Cargo which is Delivered for Export by or on behalf of that Cargo Operator, calculated as follows:

£0.187 per kilogram of Chargeable Weight of Loose Cargo of such Cargo, subject to a **minimum charge of £36.93 per AWB** which is applicable to such Cargo;

£87.65 per Main Deck ULD of Unitised Cargo of such Cargo; and

£44.61 per Lower Deck ULD of Unitised Cargo of such Cargo;

and, for the avoidance of doubt, if the relevant Cargo is not Exported for any reason, such charges shall remain payable by the relevant Cargo Operator to LLA.

Export Storage Charges

Each **Cargo Operator** shall pay to LLA “export storage charges” in connection with the storage of that Operator’s Cargo which is Delivered for Export by or on behalf of that Cargo Operator, calculated as follows:

FOC for the first 48 hours of LLA storing such Cargo; and thereafter

£0.187 per kilogram of Chargeable Weight of such Cargo **per day**, subject to a **minimum charge of £24.46 per AWB** which is applicable to such Cargo **per day**;

provided that each FOC period referenced above shall commence once LLA has entered the details of the storage of such Cargo into its cargo data inventory system.

Dangerous Goods Check Charges

Each **Cargo Operator** shall pay to LLA “dangerous goods check charges” in connection with the Operator’s Cargo which contains Dangerous Goods and is Delivered for Export by or on behalf of that Cargo Operator, calculated as follows:

£72.46 for the first 10 UN Numbers checked and noted on the DGD applicable to such Cargo;

£3.38 for each additional UN Number (in excess of 10 UN Numbers) checked and noted on the DGD applicable to such Cargo;

£3.38 for each Piece of Dangerous Goods (in excess of 10 Pieces of Dangerous Goods) checked and noted on the DGD applicable to such Cargo; and

£153.38 for each AWB applicable to such Cargo, without a correct DGD;

and, for the avoidance of doubt, if the relevant Cargo is not Exported for any reason, such charges shall remain payable by the relevant Cargo Operator to LLA.

Amendment to AWB Charges

Each **Cargo Operator** shall pay to LLA “amendment to AWB charges” for each AWB which LLA amends at the request of the Cargo Operator, calculated as follows:

£79.99 for each AWB which LLA amends at the request of that Cargo Operator **prior to the Departure of the Aircraft** undertaking the relevant Exporting Flight; and

£159.96 for each AWB which LLA amends at the request of that Cargo Operator **following the Departure of the Aircraft** undertaking the relevant Exporting Flight.

Security Screening Charges

Each **Cargo Operator** shall pay to LLA “security screening charges” in connection with that Operator’s Insecure Cargo which is Delivered for Export by or on behalf of that Cargo Operator, calculated as follows:

£0.171 per kilogram of Chargeable Weight of such Insecure Cargo which undergoes one Screening Process, subject to a minimum charge of **£24.46 per AWB which is applicable to such Insecure Cargo; plus an additional**

£0.171 per kilogram of Chargeable Weight of such Insecure Cargo which undergoes two or more Screening Processes, subject to a minimum charge of **£85.23 per AWB which is applicable to such Insecure Cargo;**

and, for the avoidance of doubt, if the relevant Cargo is not Exported for any reason, such charges shall remain payable by the relevant Cargo Operator to LLA.

Import Charges

Import Processing and Handling Charges

Each **Cargo Agent** shall pay to LLA “import processing and handling charges” in connection with Cargo which is Imported by a Cargo Operator on behalf of that Cargo Agent, calculated as follows:

£0.271 per kilogram of Chargeable Weight of such Cargo which is **Loose Cargo**, subject to a **minimum charge of £65.67 per AWB** which is applicable to such Cargo; and

£0.187 per kilogram of Chargeable Weight of such Cargo which is **Unitised Cargo**, subject to a **minimum charge of £65.67 per AWB** which is applicable to such Cargo;

provided that such import processing and handling charges shall not apply to Transshipment Cargo (which shall be charged in accordance with the Transshipments Import Processing and Handling Charges set out below).

Transshipment Import Processing and Handling Charges

Each **Cargo Operator** shall pay to LLA “transshipment import and processing and handling charges” in connection with Transshipment Cargo which is Imported by that Cargo Operator, calculated as follows:

£0.187 per kilogram of Chargeable Weight of such Transshipment Cargo which is **Loose Cargo**, subject to a **minimum charge of £65.67 per AWB** which is applicable to such Transshipment Cargo; and

£0.157 per kilogram of Chargeable Weight of such Transshipment Cargo which is **Unitised Cargo**, subject to a **minimum charge of £65.67 per AWB** which is applicable to such Transshipment Cargo.

Import Storage Charges

Each **Cargo Agent** shall pay to LLA “import storage charges” in connection with the storage of Cargo which is Imported by a Cargo Operator on behalf of that Cargo Agent, calculated as follows:

FOC for the first 48 hours of LLA storing such Cargo, and thereafter;

£0.157 per kilogram of Chargeable Weight of such Cargo **per day**, subject to a **minimum charge of £24.46 per AWB** which is applicable to such Cargo **per day**;

provided that:

a) the import storage charges for such Cargo which contains only **Personal Effects** shall be **FOC for the first 96 hours** of LLA storing such Cargo, and thereafter; **£0.141 per kilogram of Chargeable Weight** of such Cargo **per day**, subject to a **minimum charge of £22.10 per AWB** applicable to such Cargo **per day**;

b) each FOC period referenced above shall commence on 23:59 on the day the relevant Cargo is Imported; and

c) such import storage charges shall not apply to Transshipment Cargo (which shall be charged in accordance with the Transshipments Import Storage Charges set out below).

Transshipment Import Storage Charges

Each **Cargo Operator** shall pay to LLA “transshipment import storage charges” in connection with storage of Transshipment Cargo which is Imported by that Cargo Operator, calculated as follows:

FOC for the first 48 hours of LLA storing such Transshipment Cargo, and thereafter;

£0.159 per kilogram of Chargeable Weight of such Transshipment Cargo **per day**, subject to a **minimum charge of £25.03 per AWB** which is applicable to such Transshipment Cargo **per day**;

provided that each FOC period referenced above shall commence on 23:59 on the day the relevant Transshipment Cargo is Imported.

processing of personal data and privacy, including where applicable the guidance and codes of practice issued by the Information Commissioner or any other national data protection authority, and the equivalent of any of the foregoing in any relevant jurisdiction;

Data Subject means an individual who is the subject of Personal Data;

Deficiency Notice means a breach of the Security Requirements which either:

- a. results in the CAA issuing LLA with a “deficiency notice”; or
- b. LLA determines would be sufficient to permit the CAA to issue LLA with a “deficiency notice”;

Delivered For Export means the delivery of Cargo to the Airport by, or on behalf of, the relevant Cargo Operator for the intended purpose of Exporting such Cargo (whether or not such Export takes place);

Departing Flight means a Flight which Takes-off;

Departing Passenger means a Passenger who departs the Airport on an Aircraft undertaking a Flight, except if that Passenger:

- a. is under the age of 2 years old at the point of boarding that Aircraft, and is not assigned their own separate seat on that Aircraft during the relevant Flight; or
- b. arrives at the Airport on that Aircraft, remains on that Aircraft at all times whilst at the Airport, and then departs the Airport on that Aircraft;

Departure means the time and date on which the relevant Aircraft Takes-off to undertake a Flight;

Departures Briefing means the “departures briefing” document of that name issued and updated by LLA from time to time;

Departure Gate means:

- a. in respect of the Public Terminal, the relevant departure gate exit designated (by LLA from time to time) for the use of Departing Passengers to leave the Public Terminal to board the relevant Aircraft; and
- b. in respect of a Private Terminal, the relevant exit designated (by the relevant FBO from time to time) for the use of Departing Passengers to leave that Private Terminal for the purpose of boarding the relevant Aircraft;

Designated Operator means each Operator LLA designates from time to time as being required to use the services of an Approved Waste Collector to dispose of its Operator Waste;

DfT means the Department for Transport;

DGD means a “Shippers Declaration for Dangerous Goods” in such form as is issued by

IATA at the then current time;

Delivery the transfer of physical possession of a consignment of Goods In to the Consolidation Centre Operator at the Airport by or on behalf of the relevant Operator in accordance with the provisions of these CCU (and “**Delivered**” and “**Deliver**” shall be construed accordingly);

Dimensions means the length of an aircraft and the fuselage width (measured at the longest part of that dimension) of an aircraft;

Direct Account Notification has the meaning set out in clause 3.18;

Dismiss means the relevant Operator terminating the employment or engagement of the relevant Worker (and “**Dismissal**” shall be construed accordingly);

Disqualifying Conviction means a conviction for one or more of the criminal offences which is specified by the DfT or the CAA from time to time as disqualifying an individual from obtaining, or continuing to hold, a pass permitting access to an airport in the United Kingdom;

Diverted Flight means a Flight undertaken by a Fixed Wing Aircraft which has not been allocated a Slot and which is diverted by ATC to Land;

DWS means a deadload weight statement in respect of the relevant Cargo;

Effective Date means the effective date set out at the beginning of these CCU;

Emergency Details means the names, usual business addresses, business landline and mobile telephone numbers and business email addresses of at least two of the relevant Operator's key personnel designated by that Operator to liaise with LLA at all times (day or night) about emergencies, security, operational or financial matters in connection with that Operator's Activities at the Airport.

Emergency Divert means a Flight undertaken by a Fixed Wing Aircraft which has not been allocated a Slot and which is diverted by ATC to Land due to:

- a. emergency circumstances which prevent that Aircraft from safely landing at its Scheduled Destination;
- b. emergency circumstances which require that Aircraft to Land to safeguard the health or safety of persons onboard that Aircraft; or
- c. a fault with that Aircraft after Take-off which necessitates that Aircraft's return to the Airport for maintenance.

Emissions Databank means the ICAO Aircraft Engine Emissions Databank published and updated by the ICAO from time to time;

Engine NOx means the Oxides of Nitrogen emitted by an engine of an Aircraft during the landing and take-off cycle as determined in accordance with the provisions of the “Airport Air Quality Manual” as published and updated by the ICAO from time to time;

Engine NOx LTO Figure means in respect of an engine on an Aircraft:

- a. the “NOx Total Mass” figure specified for the relevant engine in the AODB (which may include information provided by the relevant Aircraft Operator from time to time); or
- b. if LLA has reasonable concerns in respect of the accuracy of the “NOx Total Mass” figure for the relevant engine set out in the AODB, or no such figure is recorded in the AODB, the “NOx LTO Total mass (g)” figure specified for the relevant engine in the ICAO Emissions Databank; or
- c. if no “NOx LTO Total mass (g)” figure is specified for the relevant engine in the ICAO Emissions Databank, LLA may determine that the applicable Engine NOx LTO Figure shall be equivalent to the highest Engine NOx applicable to an engine which is

capable of being used in conjunction with such Aircraft);

Engine Run-up Bay means such part of the Airport as is designated by LLA from time to time as being the "engine run-up bay";

Environment means the natural and man-made environment including all or any of the following media, namely air, water and land (including air within buildings and other natural or man-made structures above or below the ground) and any living organisms (including man) or systems supported by those media;

Environmental Damage means any Contamination or any other damage to the Environment;

Escorted means a person being accompanied by, or following, an Authorised Escort at all times within a Security Restricted Area (in accordance with the Security Requirements) (and "Escort" shall be construed accordingly);

Exclusion Notice a notice by LLA issued to a person requiring that that person does not enter the Airport for a specified period in accordance with the Airport Byelaws (except as a bona fide passenger);

Export means the relevant Cargo being Carried on the relevant Cargo Operator's Aircraft whilst that Aircraft undertakes a Flight that departs the Airport (and "Exported" and "Exporting" shall be construed accordingly);

Exporting Flight means a Flight which is (a) scheduled to be, (b) which is being, or (c) which has been, undertaken by the relevant Aircraft Operator's Aircraft which is (i) scheduled to Carry, (ii) which is Carrying or (iii) which has Carried the Cargo to which the relevant AWB is applicable;

Facilities means any equipment, infrastructure, work space, crew rooms, bus services, parking space, offices, service desks, advertising or branding space, boarding areas, baggage facilities, or other facilities supplied by LLA (or a third party on behalf of LLA) to, or for the benefit of, the relevant Operator from time to time at the Airport or otherwise in connection with that Operator's Activities or the Airport Services;

FBO means an Operator which operates a Private Terminal and provides FBO Passenger Services to GA Passengers and FBO Groundhandling Services to GA Operators at the Airport;

FBO Operation means the "fixed base operator" function undertaken by the relevant FBO for the purpose of supporting the operations of GA Operators at the Airport in accordance with the terms of this CCU and any relevant Operator Agreement (including the FBO providing FBO Passenger Services and undertaking FBO Groundhandling Services);

FBO Passenger Services means all products, services and facilities provided by an FBO to the Passengers of each of that FBO's GA Clients at the Airport (including any check-in, security, immigration and catering services provided by the FBO to such Passengers within the FBO's Private Terminal and the transfer of such Passengers from the FBO's Private Terminal to the Aircraft of the FBO's GA Clients);

FBO Groundhandling Services means all products, services and facilities provided by an FBO to each of that FBO's GA Clients at the Airport (including Groundhandling Services and the provision of Stands for Aircraft to be Park at within the FBO's Leased Areas); Flight means the flight (which shall have the same meaning given to it as in the Air Navigation Order 2016) of an Aircraft Operator's Aircraft either:

- a. to the Airport from another location; or
- b. from the Airport to another location;

as identified by the applicable Flight Number;

Fixtures and Fittings means all fixtures and fittings (including flooring, wall panelling, fixed shelving, light fittings, electrical and data outlets, wiring and plumbing) installed within the relevant Ancillary Area or connected to them from time to time;

Flight means the flight of an Aircraft Operator's Aircraft either:

- a. to the Airport from another location (including Landing); or
- b. from the Airport to another location (including Take-off);

as identified by the applicable Flight Number;

Flight Details means in respect of the Aircraft undertaking the relevant Flight:

- a. the date on which that Aircraft is scheduled to Land;
- b. the date on which that Aircraft is scheduled to Take-off on a subsequent Flight;
- c. the MTOW of that Aircraft;
- d. the number of Departing Passengers scheduled to depart the Airport on that Aircraft; and
- e. all AWBs, HAWBs and Cargo Manifests relevant to any Cargo which is due to be Carried by the Aircraft undertaking the relevant Flight;

Flight Number means the flight number assigned to a Flight by the relevant Aircraft Operator;

Flight Schedule means the Flight schedule setting out all the arrival and departure times of the relevant CA Client's Aircraft at the Airport during the relevant day as recorded on the AODB at 23:59 on the preceding day;

Fixed Wing Aircraft means an Aircraft which is a "fixed wing aircraft" (as determined at the discretion of LLA from time to time);

Fixed Wing Operator means the Aircraft Operator which manages and operates the relevant Fixed Wing Aircraft;

FOC means no charge shall be payable by the relevant Operator to LLA for the relevant Airport Service;

Force Majeure Event means any event or circumstances beyond the reasonable control of the relevant party which prevents, hinders or delays the performance that party's obligations in accordance with these CCU or any relevant Operator Agreement, including (but not limited to) acts or restraints of governments or public authorities; war, revolution, riot or civil commotion, acts or threats of terrorism; intervention of any domestic, European or international governmental or regulatory body or court; blockage or embargo; strikes, lock-outs or other industrial action or dispute, protest, demonstration, failure of a utility service or transport network, failure or

Forklift Truck Services means the provision of a driver and forklift truck by LLA to undertake such activities at the Airport on behalf of the relevant Operator as LLA may agree from time to time;

GA Aircraft means (a) an Aircraft which is operated for private purposes and not for the provision of scheduled passenger transport services made generally available to the public (as determined at LLA's discretion from time to time) or (b) an Aircraft of an Operator in connection with which that Operator receives FBO Groundhandling Services;

GA Chapter 14 Aircraft means a GA Aircraft which is categorised in accordance with Chapter 14 of Part II, Volume 1 of Annex 16 to the Convention on International Civil Aviation (and as may be specified on the Noise Certificate applicable to that Aircraft);

GA Clients means such of the GA Operators which are provided with, or otherwise utilise, the FBO Groundhandling Services of the relevant FBO;

GA Crew means the persons engaged (by, or on behalf, of a GA Client of the relevant FBO) to operate, and provide services on board, a GA Aircraft during a Flight;

GA Non-Chapter 14 Aircraft means an Aircraft which is not a GA Chapter 14 Aircraft or a CA Aircraft;

GA Passenger means each Passenger of a GA Operator who is provided with, or otherwise utilises, the FBO Passenger Services of the relevant FBO;

GA PRM Passenger means each GA Passenger who is a PRM;

GA Operator means the Operator of a GA Aircraft;

Goods In means all goods (except for Baggage and Cargo) which have been, or will be, brought from a Landside area to an Airside area, and which have been transported to the Airport by land, including, but not limited to all goods to be sold or distributed in the Terminal by an Operator, all construction materials, and equipment (except as otherwise agreed or specified by LLA from time to time);

Groundhandler means each Operator (including each FBO) or Aircraft Operator which has in place an Operator Agreement permitting it to undertake the Groundhandling Services at the Airport from time to time;

Groundhandler Support has the meaning set out in clause 15.6;

Groundhandling Infringement means the relevant Aircraft Operator's Aircraft

undertaking a Movement at a time when that Aircraft Operator does not have an Appointed Groundhandler at the Airport;

Groundhandling Services means all groundhandling services required to safely operate an Aircraft at the Airport in accordance with the Mandatory Policies and any instructions issued by ATC or LLA (or its appointed representatives) from time to time which may include (but shall not be limited to):

- a. load control of Baggage and Cargo within Aircraft;
- b. Passenger handling, including check-in, boarding pass checks and boarding (but not the transport or assistance of any PRM Passenger);
- c. the provision of Flight and Passenger information to LLA (including Billing Information);
- d. Baggage handling including loading and unloading of Aircraft, operation of arrivals luggage belts, and lost and found facilities (but not hold Baggage screening);
- e. Aircraft handling and loading;
- f. snow clearance in accordance with LLA's "snow plan" (as issued and updated by LLA from time to time);
- g. de-icing of Aircraft (unless the relevant Aircraft Operator has contracted with another supplier for such services);
- h. the loading, unloading and handling of electric mobility aids required by a PRM Passenger;
- i. directing Aircraft ground movement including Aircraft marshalling and push-back; and
- j. Cargo handling including the loading and unloading of Aircraft;

Group means in relation to a company, that company, any subsidiary or any holding company from time to time of that company, and any subsidiary from time to time of a holding company of that company;

Handover Condition means the relevant Ancillary Area having been stripped out of all Fixtures and Fittings, and other installations and materials, (except for such Fixtures and Fittings and other installations and materials as LLA may specify should be retained from time to time) and made good to such condition, layout and specification as LLA may specify from time to time;

Hangar means a building at the Airport utilised for the purpose of storing, or undertaking maintenance on, Aircraft;

HAWB means a house air waybill in respect of the relevant Cargo;

Helicopter means an Aircraft which is a "helicopter" (as determined at the discretion of LLA from time to time);

HMRC means HM Revenue & Customs;

IATA means the International Air Transport Association;

ICAO means the International Civil Aviation Organization;

ICS means HM Revenue & Customs' "Import Control System" (or such replacement system nominated by HM Revenue & Customs from time to time);

ID Pass means an Airport security identification pass issued by LLA to the relevant

13. Terms of Use

member of the relevant Operator's Personnel;

ID Pass Holder means a person who holds a current valid ID Pass which permits access to parts of the Airport;

ID Pass Suspension has the meaning given in clause 16.1;

ILS Calibration means a Flight undertaken by a Fixed Wing Aircraft for the purpose of checking the calibration of the flight navigation systems at the Airport;

Import means the relevant Cargo being Carried on the relevant Cargo Operator's Aircraft whilst that Aircraft undertakes a Flight that arrives at the Airport (and "Imported" shall be construed accordingly);

Imported Aircraft means an Aircraft which is flown to the Airport for the purposes of being imported into the United Kingdom (which is not handled by LLA, but which is logged by LLA on CHIEF as having been imported into the United Kingdom);

Insecure Cargo means all Cargo which must be screened by a regulated agent before being loaded onto an Aircraft in accordance with article 6.1 of the European Commission Implementing Regulation (EU) 2015/1998 of 5 November 2015;

Intellectual Property Rights means all patents, utility models, rights to inventions, copyright and related rights, moral rights, trade marks and service marks, business names and domain names, rights in get-up and trade dress, goodwill and the right to sue for passing off, rights in designs, rights in computer software, database rights, and any rights that may subsist in or arise in connection with fonts, typefaces, web fonts, glyphs, lettering styles, typographic designs, logos and layouts (including any associated source files or digital files), rights to use, and protect the confidentiality of, confidential information (including know-how and trade secrets), contained in any document and all other intellectual property rights, in each case whether registered or unregistered and including all applications and rights to apply for and be granted, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world;

Invitees means any third party permitted, or invited, to access the Airport by the relevant Operator other than its Workers, Customers or Subcontractors;

Key Personnel means such of the relevant Operator's Personnel who are designated by that Operator from time to time to act as the principal points of contact to respond to all communications between LLA and that Operator in respect of that Operator's Activities;

Landing means an Aircraft landing at a runway or a helipad at the Airport after being airborne (and "Land" shall be construed accordingly);

Landside means the parts of the Airport which are not located Airside;

Last Day means the last date on which the relevant Attendee attends the Airport in

connection with the relevant Operator's Activities;

Lease means a written lease agreement entered into between the relevant Operator and LLA, granting that Operator a right to exclusive possession of that part of the Airport;

Leased Area means any part of the Airport which is subject to a Lease;

LLA means London Luton Airport Operations Limited, a company registered in England and Wales (company registration number 03491213) whose registered office address is Percival House, 134 Percival Way, London Luton Airport, Luton, United Kingdom, LU2 9NU;

LLA Materials means all documents, information, equipment, tools and materials provided by LLA to the relevant Operator in connection with these CCU or each relevant Operator Agreement, including all ID Passes, access passes, plans, reports, policies and procedures;

LLA's Manager means such person who is appointed by LLA from time to time to act as LLA's manager in connection with the relevant Operator's Activities at the Airport;

Leased Parking Area means any area at the Airport which has been leased to an Operator by LLA for the purpose of permitting Aircraft to park there (under the supervision and control of such Operator);

Leased Parking Area Operator means the relevant Operator to which the relevant Leased Parking Area has been leased by LLA;

Local Time means the then current time in the United Kingdom;

Loose Cargo means all Cargo which is either:

- a. not contained in a ULD; or
- b. which is contained in a ULD, but which LLA is required by the relevant Cargo Operator to open and (i) re-arrange the Cargo contained in such ULD, (ii) fill such ULD with additional Cargo or (iii) remove some or all Cargo from such ULD;

Lower Deck ULD means a ULD which is loaded onto the lower deck of the relevant Cargo Aircraft;

Main Deck ULD means a ULD which is loaded onto the main deck of the relevant Cargo Aircraft;

Mandatory Policies means all policies, operations manuals, byelaws, procedures, guides, briefing requirements, regulations, instructions, notices, terms, signs, conditions or directives issued or published by LLA (or otherwise displayed at the Airport) from time to time that may be relevant to the performance of the relevant Operator's (i) obligations under these CCU, (ii) obligations under any relevant Operator Agreement or (iii) operations at the Airport from time to time, including:

- a. these CCU;
- b. LLA's "Ground Operations Manual" and related and/or subsidiary documents;
- c. LLA's "Aerodrome Manual" and related and/or subsidiary documents;
- d. LLA's "Procedures for Requesting Prior Permission to Operate";
- e. LLA's "Airport ID Pass Application Procedure Guide";
- f. LLA's "Departure Briefing";

13. Terms of Use

- g. LLA's "Retail Operations Manual";
- h. LLA's "Onward Travel & Car Hire Centre Operations Manual";
- i. all of LLA's "Airport Management Notices";
- j. all of LLA's "Operations Safety Instructions";
- k. all of LLA's "Airport Byelaws";
- l. all of LLA's "Airport Instructions";
- m. all LLA "Airport Advice Notices";
- n. LLA's "Contractors Code of Practice";
- o. LLA's "Sustainable Supply Chain Charter"; and
- p. LLA's "Code of Conduct".

Marshalled means an Aircraft being visually directed on to a Stand by a person situated on the Apron (and "Marshall" and "Marshalling" shall be construed accordingly);

Marshalling Support means LLA (or a third part contracted by LLA) Marshalling an Aircraft Operator's Aircraft at the Airport;

MAWB means a master air waybill in respect of the relevant Cargo;

Materials has the same meaning given to the term "materials" by HMRC in connection with HMRC's interpretation of the "Construction Industry Scheme" from time to time;

Method Statement means a document setting out the how the relevant Activities will be carried out in a safe manner (including a detailed description of how the relevant Activities will be carried out and the precautions which must be taken in the course of carrying out such Activities);

Movement means, each of:

- a. the Take-off of an Aircraft; or
- b. the Landing of an Aircraft;

Minor Deficiency means a breach of the Security Requirements which either:

- a. results in the CAA issuing LLA with a "non-compliance" notice; or
- b. LLA determines would be sufficient to permit the CAA to issue LLA with a "non-compliance" notice;

Movement Request has the meaning set out in clause 18.25;

Movement Requirement has the meaning set out in clause 20.1.2.2;

MTOW means the "maximum take-off weight" specified in the Noise Certificate applicable to the relevant Aircraft;

NATS means NATS (Services) Limited (company number 4129270);

NCTS means HM Revenue & Customs' "New Computerised Transit System" (or such replacement system nominated by HM Revenue & Customs from time to time);

Noise Certificate means the noise certification documentation issued by the relevant State of Registry in respect of an aircraft in accordance with the Convention on International Civil Aviation, Volume 1 of Annex 16, Attachment G. Guidelines for the

Administration of Noise Certification Documentation;

Noise Control Scheme means the noise control scheme document of that name issued and updated by LLA from time to time;

Noise Monitoring Station means one of the aircraft noise monitoring stations LLA has in place from time to time on the path of a Noise Preferential Route;

Noise Preferential Route means each of the noise preferential routes set out in the Departures Briefing;

Non-Aircraft Charges means all Charges which are not Aircraft Charges;

Off-Block Time means the time that the relevant Aircraft starts moving away from a Stand for the purposes of manoeuvring for Take-off;

On-Block Time means the time that the relevant Aircraft comes to a complete stop at a Stand following that Aircraft Landing;

Ongoing Support shall have the meaning set out in LLA's then current "IT Services Terms & Conditions" attached to its then current "IT Order Services Order Form" (which are available on request);

Operational Areas means such areas of the Airport as LLA may specify from time to time (including each Ancillary Area and each Concession Area and any other area designated for the use of the Operator in any relevant Operator Agreement) which the relevant Operator may access for the purposes of undertaking its Activities;

Operational Requirements means any requirements or directions issued by LLA (or any person authorised by LLA) from time to time to the relevant Operator or any requirements set out in any policies or procedures in effect at the Airport from time to time relating to:

- a. access arrangements at the Airport or closure of any part (or the whole) of the Airport;
- b. the prohibition of or restriction of any person (including the relevant Operator's Personnel), equipment or other items from part or all of the Airport;
- c. the evacuation of part or all of the Airport;
- d. security measures at the Airport;
- e. health and safety requirements at the Airport;
- f. the location in which its Activities are to be undertaken;
- g. the location of Facilities made available to the relevant Operator in connection with its Activities;
- h. the method of undertaking its Activities;
- i. the operations of the relevant Operator at the Airport;
- j. the repair, maintenance or alteration of any part of the Airport; or
- k. construction works within any part of the Airport;

Operational Support has the meaning set out in clause 15.2;

Operational Support Charges: means the "operational support charges" set out in Section 2 of these CCU;

Operator means each person who:

- a. carries out Activities (other than LLA or a bona fide Visitor); or

13. Terms of Use

b. is provided Airport Services (other than as a bona fide Passenger); or
Operator Agreement a separate written agreement between LLA and the relevant Operator (including any Access Agreement, Supplier Contract, agreement by LLA to provide Airport Services to the Operator, or any contract which is formed in consequence of an Operator accepting an order placed by LLA (for goods and/or services) which is expressly made subject to LLA's standard "terms of purchase of goods and/or services");

Operator Agreement Charges means any charges, fees or payments payable (in addition to the Standard Tariff) by the relevant Operator to LLA in accordance with a relevant Operator Agreement;

Operator Assets means all items, assets, materials, stock, goods, furniture, displays, equipment, machinery, fixtures, fittings, materials and vehicles at the Airport which are used, owned or leased by the relevant Operator from time to time (excluding any such assets, materials, stock, goods, furniture, displays, equipment, machinery, fixtures, fittings, materials or vehicles which are supplied by LLA from time to time);

Operator Payments means any sum payable to LLA by the relevant Operator arising as a result of:

- a. an Operator Agreement;
- b. these CCU (including the Charges); or
- c. any other terms specified by LLA from time to time in connection with the use of, or activities undertaken at, the Airport;

Operator Services means the services offered, or provided, by the relevant Operator to any third party or LLA at the Airport from time to time;

Operator Waste means all waste created in connection with an Operator's Activities; **Parked** means the period during which an Aircraft is located on the ground in an external Airside location at the Airport, whether moving or stationary (and "Parks" and "Parking" shall be construed accordingly);

Participant means each of the relevant Operator's Personnel who attends and participates in the relevant training course;

Passenger means any person attending, or intending to attend, the Airport who has been or is to be Carried on an Aircraft during a Flight to or from the Airport (with the exception of the flight crew and cabin staff operating that Aircraft);

Passenger Aircraft means an Aircraft which has Carried or is scheduled to Carry one or more Passengers;

Passenger Data has the meaning set out in clause 18.7.1;

Permitted Activities means such activities undertaken by the relevant Operator as are strictly necessary in the course of:

- a. attending the Airport as a bona fide Visitor,
- b. undertaking any of the Permitted Taxi Activities; or
- c. providing Aircraft Operator Services in connection with an Ad-Hoc Flight;

Permitted Taxi Activities means an Operator of either:

a. a licensed taxi or minicab dropping off passengers; or

b. a pre-booked licensed taxi or mini cab picking up passengers; within the Airport's surface vehicle "drop-off zone" (as designated by LLA from time to time);

Permitted Use means the permitted use for the Ancillary Area as specified in writing by LLA to the relevant Operator from time to time (including in any relevant Operator Agreement);

Personal Data has the meaning set out in the Data Protection Requirements and relates only to personal data, or any part of such personal data which is obtained by the relevant party in connection with these CCU (or any relevant Operator Agreement);

Personal Effects means items of Cargo which are arranged to be Imported by an individual and which are intended for such individual's own personal use (as determined at the discretion of LLA from time to time);

Personnel means all directors, officers, employees, agents, consultants and contractors of the relevant party and any sub-contractor engaged by the relevant party;

PE Supplier means such third party as is authorised by LLA from time to time to supply Pooled Equipment to Groundhandlers at the Airport;

Piece means each piece of Cargo specified on the AWB applicable to such Cargo;

Police Services Charge means the "police services charge" set out in Section 2 of these CCU (or, where the context requires, the "police services charge" set out in any version of LLA's "charges and conditions of use" which precedes, or is subsequent, to these CCU);

Police Services Costs means the costs incurred by LLA in connection with public policing of the Airport during the relevant period;

Pooled Equipment means the pooled groundhandling equipment which is provided by the PE Supplier from time to time and made available to Groundhandlers to facilitate the provision of Groundhandling Services;

Private Terminal means the building or buildings at the Airport leased and operated by the relevant FBO from which Passengers transfer to and from Aircraft;

PRM means any disabled person or person with reduced mobility within the meaning of Article 2 (a) of the PRM Regulations;

PRM Airport Services means the services provided by, or on behalf of, LLA to PRM Passengers in accordance with the PRM Regulations;

PRM Costs means the costs incurred by LLA in connection with the provision of PRM Airport Services during the relevant period;

PRM Information means:

- a. the relevant PRM Passenger's name;
- b. the "special service request" ("SSR") code (published by IATA in its "Enhanced and Simplified Distribution Guide" from time to time) applicable to the relevant PRM Passenger
- c. the name of the Aircraft Operator operating the relevant Flight booked by the relevant PRM Passenger;

13. Terms of Use

- d. the Flight Number applicable to the relevant Flight booked by the relevant PRM Passenger;
- e. the scheduled Off-Block Time applicable to the relevant Flight booked by the relevant PRM Passenger (if that Flight is a Departing Flight);
- f. the scheduled On-Block Time applicable to the relevant Flight booked by the relevant PRM Passenger (if that Flight is an Arriving Flight);
- g. the length, width and height dimensions of any mobility aids required to assist the relevant PRM Passenger to travel through the Airport;
- h. if the relevant PRM Passenger intends to travel with an Assistance Dog on the relevant Flight booked by that PRM Passenger (if that Flight is an Arriving Flight),
Proof Of Training in respect of that Assistance Dog; and
- i. any additional information or requests submitted by, or on behalf of, the relevant PRM Passenger in respect of the PRM Passenger's assistance requirements at the Airport;

PRM Levy means the "persons of reduced mobility charge (PRM Levy)" set out in Section 2 of these CCU (or, where the context requires, the "persons of reduced mobility charge (PRM Levy)" set out in any version of LLA's "charges and conditions of use" which precedes, or is subsequent, to these CCU);

PRM Passenger means each Passenger who is a PRM (except for a GA PRM Passenger);

PRM Provider has the meaning given in clause 18.27;

PRM Regulation means regulation (EC) No 1107/2006 of the European Parliament and of the Council of 5 July 2006 and such other legislation which is substantively equivalent or otherwise transposes that regulation into English law from time to time;

Proof Of Training means written confirmation from a Recognised Organisation that the relevant Assistance Dog has been trained by that Recognised Organisation to provide assistance to disabled persons or persons with reduced mobility;

Public Terminal means the building or buildings at the Airport leased and operated by LLA from which Passengers transfer to and from Aircraft;

Recognised Organisation means an organisation which is a member of either "Assistance Dogs International" or the "International Guide Dog Federation";

Refueller an Operator that refuels the relevant Aircraft at the Airport;

Reporting Failure: means each instance of the relevant Groundhandler:

- a. failing to provide Passenger Data to LLA in accordance with the provisions of clause 18.7;
- b. providing inaccurate Passenger Data to LLA (as determined at LLA's reasonable discretion);
- c. failing to provide a Noise Certificate to LLA in accordance with the provisions of clause 18.8; or

- d. failing to issue a Direct Account Notification to LLA in accordance with the provisions of clause 3.18.

Retail Concessionaire means an Operator that has contracted with LLA for the right to operate a Retail Concession;

2. Operator Agreements

2.1. No Operator may attend the Airport (except to carry out the Permitted Activities):

- 2.1.1. without maintaining in place one or more Operator Agreements permitting or requiring that Operator to undertake its Activities at the Airport; or
- 2.1.2. for any purpose other than to undertake its Activities permitted in accordance with a relevant Operator Agreement; unless otherwise agreed in writing by LLA from time to time.

3. Charges, Invoicing & Payment

3.1. Subject to the provisions of the Airport Charges Regulations 2011, clause 3.15, clause 3.17 and the terms of any relevant Operator Agreement:

- 3.1.1. in consideration for the provision of Airport Services, and the right to undertake its Activities at the Airport, each Operator shall pay to LLA the then current prevailing Charges (calculated at LLA's sole discretion);
- 3.1.2. LLA may vary the Standard Tariff (or introduce additional charges) at any time by updating these CCU (and publishing a copy on www.london-luton.co.uk) without prior notice to each Operator (unless otherwise required in accordance with any Applicable Law);
- 3.1.3. in respect of Aircraft Charges:
 - 3.1.3.1. each Aircraft Operator (acting by its Appointed Groundhandler) shall provide to LLA (by email to such email address as LLA may specify from time to time) the Flight Details applicable to each of its Flights at least 72 hours in advance of the Landing of the relevant Aircraft undertaking such Flight;
 - 3.1.3.2. at LLA's discretion, LLA may estimate some or all of applicable Aircraft Charges to be incurred by the relevant Aircraft Operator to LLA in accordance with the relevant Flight Details and any other information available to LLA ("**Estimated Aircraft Charges**") and issue to the relevant Aircraft Operator an initial invoice setting out the Estimated Charges in advance ("**Initial Invoice**");
 - 3.1.3.3. the Estimated Aircraft Charges set out in an Initial Invoice, shall be paid by the relevant Aircraft Operator to LLA on the earlier of:

3.1.3.3.1. the date prior to the date on which the Aircraft (to which the Estimated Aircraft Charges relate) Lands; or

3.1.3.3.2. within 14 days following the date of that Initial Invoice;

3.1.3.4. if LLA has issued an Initial Invoice to an Aircraft Operator, LLA shall within 30 days of the Departure of the Aircraft (to which the Estimated Aircraft Charges relate) calculate the Actual Aircraft Charges incurred by that Aircraft Operator in connection with that Aircraft in accordance with such operational data as is obtained by LLA ("**Actual Aircraft Charges**"), and:

3.1.3.4.1. in the event that LLA determines that the applicable Actual Aircraft Charges exceed the applicable Estimated Aircraft Charges:

3.1.3.4.1.1. LLA shall issue a final invoice to the relevant Aircraft Operator setting out the applicable Actual Aircraft Charges

and set out in an accompanying email the amount by which the applicable Actual Aircraft Charges exceeds the applicable Estimated Aircraft Charges ("**Underpaid Balance**"); and

3.1.3.4.1.2. each Underpaid Balance shall be payable by the relevant Aircraft Operator to LLA within 48 hours following the date on which the relevant final invoice is issued; or

3.1.3.4.2. in the event that LLA determines that the applicable Estimated Aircraft Charges exceed the applicable Actual Aircraft Charges:

3.1.3.4.2.1. LLA shall issue a final invoice to the relevant Aircraft Operator setting out the applicable Actual Aircraft Charges and set out within an accompanying email the amount by which the applicable Estimated Aircraft Charges exceed the applicable Actual Aircraft Charges ("**Overpaid Balance**");

3.1.3.4.2.2. on receipt of such final invoice, the

13. Terms of Use

- relevant Aircraft Operator shall provide LLA with that Aircraft Operator's bank account details for the purpose of LLA making payment of the applicable Overpaid Balance; and
 - 3.1.3.4.2.3. on receipt of such bank account details, LLA shall pay to the relevant Aircraft Operator the applicable Overpaid Balance within 30 days;
 - 3.1.4. except for any Charges invoiced in accordance with clause 3.1.3, or as otherwise specified in accordance with a relevant Operator Agreement:
 - 3.1.4.1. all Charges shall accrue from day to day and may be invoiced by LLA to each relevant Operator at any time in arrears; and
 - 3.1.4.2. all such invoices shall be paid by the relevant Operator to LLA (to such bank account as is set on the relevant invoice, or as otherwise specified by LLA from time to time) within:
 - 3.1.4.2.1. the period specified on the relevant invoice for payment; or
 - 3.1.4.2.2. if no period is specified on the relevant invoice for payment, 14 days following the date of the relevant invoice; and
 - 3.1.5. time is of the essence for all Operator Payments.
 - 3.2. Without prejudice to each Aircraft Operator's liability to LLA as principal obligor in respect of the payment of the Charges in accordance with clause 3.1, each such Aircraft Operator may appoint a Groundhandler to satisfy the payment of some or all of the Charges on behalf of the Aircraft Operator to LLA from time to time. If so appointed, the receipt of the payment in full of such Charges in cleared funds to LLA from the relevant Appointed Groundhandler on behalf of the relevant Aircraft Operator shall satisfy that Aircraft Operator's obligation in respect of the payment of such Charges to LLA.
 - 3.3. If an Operator or any other person commences any proceedings or takes any action which, in the opinion of LLA, could affect the ability of that Operator to pay the Charges, all such Charges shall become immediately due and payable.
 - 3.4. LLA shall be entitled to charge interest on any Operator Payments which are not paid when due at the rate of 4% per annum above the Bank of England's base rate from time to time, such interest to accrue daily from the date such Operator Payment is due until the date the Payment is made (whether before or after judgment).
 - 3.5. Each Operator shall be liable for all bank charges, credit card service charges and other charges (including (i) any value added tax chargeable for the time being ("VAT") or other equivalent sales taxes which are imposed and/or (ii) any other levies, surcharges or fees imposed under Applicable Laws) levied on its transactions when making its Operator Payments to LLA. All Operator Payments shall be made in clear funds without deduction and, if necessary, should be grossed up so that the full amount is remitted to LLA (and if any Applicable Law requires any taxes to be deducted before an Operator Payment, that Operator Payment shall be increased so that the Operator Payment made is equal the amount due to LLA as if no such taxes or levies had been imposed).
 - 3.6. Where any taxable supply for VAT purposes is made under these CCU (or any relevant Operator Agreement) by LLA to an Operator, that Operator shall, on receipt of a valid VAT invoice from LLA, pay to LLA such additional amounts in respect of VAT as are chargeable on the supply of the relevant Airport Services at the same time as the Operator Payment due for the supply of such Airport Services.
 - 3.7. All Operator Payments shall be paid in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law). LLA may at any time, without limiting any of its other rights or remedies, set off any liability of an Operator to LLA against any liability of LLA to that Operator, whether either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under these CCU (or any relevant Operator Agreement).
 - 3.8. LLA may at any time, without limiting any of its other rights or remedies, set off any liability of an Operator to LLA against any liability of LLA to that Operator, whether or not either liability is present or future, liquidated or unliquidated, and whether or not either liability arises under these CCU (or any relevant Operator Agreement).
 - 3.9. If it is found, for any reason, that LLA has not invoiced the full amount of an Operator Payment to an Operator or has not been paid any amount in full by an Operator, that Operator shall on demand by LLA, pay to LLA the outstanding amount within two (2) Business Days (except as provided in accordance with clause 3.1.3.4.1.2).
 - 3.10. Notwithstanding an Aircraft Operator ceasing to operate an Aircraft, that Aircraft Operator shall remain liable for payment of all Operator Payments incurred it has incurred to LLA in connection with such Aircraft's operations at the Airport, unless a third party becomes the operator of that Aircraft and pays all such outstanding Operator Payments to LLA.
 - 3.11. LLA shall not be liable to an Operator for, and there shall be no reduction or exemption from any Operator Payment by reason of, the unavailability of, or LLA's

13. Terms of Use

failure to provide, any Airport Services due to the occurrence of a Force Majeure Event or as a result of the implementation of an Operational Requirement.

- 3.12. If an Operator disputes in good faith any invoice or other statement of monies due

(a **“Payment Dispute”**):

3.12.1. that Operator shall notify LLA in writing within 7 days of the date of the invoice or statement the amounts which are disputed and the reasons why (with supporting calculations and evidence);

3.12.2. that Operator shall pay to LLA all amounts not disputed by that Operator on the due date in accordance with clause 3.1;

3.12.3. LLA and that Operator shall negotiate in good faith to attempt to resolve the Payment Dispute promptly; and

3.12.4. if LLA and that Operator have not resolved the Payment Dispute within 30 days of that Operator giving notice to LLA, the dispute shall be resolved in accordance with clause 52.

- 3.13. If an Operator fails to notify LLA in accordance with clause 3.12.1, that Operator shall pay all amounts which are subject to the Payment Dispute in accordance with clause 3.1 and shall not be permitted to follow the procedure set out in clause 3.12 in respect of the same amounts.

- 3.14. If it is found, for any reason, that the Charges as invoiced to an Operator are lower than they should have been, that Operator shall on demand by LLA pay the balance of any shortfall to LLA within 2 Business Days (except as provided in accordance with clause 3.1.3.4.2.2).

- 3.15. In the event that an Aircraft Operator or its Appointed Groundhandler has been invoiced any Charges based on the number Passengers, which that Aircraft Operator or its Appointed Groundhandler has input into the AODB or otherwise provided to LLA from time to time (each a **“Passenger Report”**), and the actual number of Passengers (excluding the number of Transit Passengers and Transfer Passengers) is found to be less than is specified in that Passenger Report, that Aircraft Operator and its Appointed Groundhandler shall not be entitled to a refund or credit by LLA in respect of any such Charges.

FBO Charges

- 3.16. Without prejudice to clause 3.1:

3.16.1. each FBO is appointed as LLA’s agent solely for the purpose of invoicing and collecting payment of the Charges incurred by each of its GA Client’s to LLA;

3.16.2. each FBO shall be jointly and severally liable to LLA for the Charges incurred by each of its GA Clients to LLA from time to time in accordance with the provisions of clause 3.1 (**“GA Payments”**);

3.16.3. LLA may invoice any, or all, of the GA Payments to the relevant FBO in

place of its relevant GA Clients or (and, if so invoiced, all references to LLA invoicing an “Operator” in clause 3.1 which apply to the relevant GA Client, shall be deemed to be references to that FBO);

- 3.16.4. each FBO shall pay the GA Payments invoiced to that FBO by LLA in accordance with the provisions of clause 3.1 (provided that all references to payments by an “Operator” in clause 3.1, which apply to the relevant GA Client, shall be deemed to be references to that FBO) (**“FBO Payments”**).

- 3.17. In the event that an FBO has made FBO Payments to LLA, and LLA calculates an Underpaid Balance or Overpaid Balance in connection with such FBO Payments, all references to an “Operator” in clauses 3.1.3.4.2.2 and 3.1.3.4.2.3 which apply to the relevant GA Client (in connection with which that FBO paid such FBO Payments), shall be deemed to be references to that FBO.

- 3.18. If a GA Client of an FBO wishes to be invoiced the Charges it incurs directly by LLA, and to pay any Charges it incurs directly to LLA, that FBO shall inform LLA of the same by email to billing.team@ltn.aero prior to each Movement of an Aircraft of that GA Client (a **“Direct Account Notification”**).

4. Airport Services

- 4.1. LLA shall from time to time provide such Airport Services to such Operators as it determines at its absolute discretion, provided that (except as otherwise specified in any applicable Operator Agreement):

4.1.1. LLA’s provision of such Airport Services to an Operator on one or more occasions, shall place LLA under no obligation to continue provide such Airport Services to that Operator;

4.1.2. the provision of such Airport Services shall be subject to the relevant Operator making payment of the relevant Charges in accordance with clause 3, and may be subject to such additional charges and terms as LLA may specify from time to time or, if LLA so directs, that Operator entering into a separate Operator Agreement with LLA;

4.1.3. LLA may subcontract the supply of any such Airport Services to any third party;

4.1.4. LLA shall not be required to provide such Airport Services uninterrupted or error free;

4.1.5. LLA gives no warranty or assurance that any such Airport Services shall meet any minimum standard or specification;

4.1.6. LLA may suspend, withdraw, or terminate the provision of such Airport Services without notice to the relevant Operator at any time;

4.1.7. LLA may relocate the location at which such Airport Services are delivered, provided or located (as applicable) at any time (and the relevant Operator shall provide LLA with all reasonable assistance in respect of facilitating

13. Terms of Use

such relocation);

- 4.1.8. if LLA specifies that any such Airport Services are available directly from a third party supplier, each relevant Operator shall be responsible for contracting directly with such supplier for the provision of such Airport Services; and
- 4.1.9. LLA may alter the method and means of providing such Airport Services at any time.
- 4.2. The provision of any Airport Services to an Operator shall be on a non-exclusive basis, and nothing in these CCU (or any Operator Agreement) shall prevent LLA from providing any Airport Services to any third party.
- 4.3. LLA shall be under no obligation to provide Airport Services to any Aircraft Operator in connection with an Aircraft with Dimensions which exceed the Dimensions specified for aircraft normally using an airport determined as an “Airport Category 7” in accordance with the provisions of the then current edition of the “Airport Manual, Part 1, Rescue and Fire Fighting” published by the ICAO from time to time.

Waste Disposal

- 4.4. Subject to clause 4.5, each Operator will procure that all of its Operator Waste is collected, stored and disposed of:
 - 4.4.1. as soon as reasonably practicable;
 - 4.4.2. in a safe, hygienic and secure manner; and
 - 4.4.3. in accordance with best industry practice, all Applicable Laws and all instructions issued by LLA from time to time.
- 4.5. Each Retail Concessionaire, and each Designated Operator, shall ensure:
 - 4.5.1. all of its Operator Waste is disposed of by an Approved Waste Collector (“**Waste Disposal**”);
 - 4.5.2. that it adheres to all instructions issued by each relevant Approved Waste Collector and LLA in connection with Waste Disposal (including in respect of the manner in which waste should be segregated, the receptacles waste should be stored in and the location in which waste should be made available for collection); and
 - 4.5.3. that it pays to LLA the charges it incurs in respect of such Waste Disposal at such rates as LLA specifies from time to time (unless it has contracted directly with a third party in respect of such Waste Disposal in accordance with clause 4.1.8)).

Utilities

- 4.6. Each Operator shall:
 - 4.6.1. ensure that all Utilities which are provided to that Operator at the Airport in connection with its Activities are provided by an Approved Utilities Provider (“Utilities Provision”)
 - 4.6.2. adhere to all instructions issued by each relevant Approved Utilities

Provider and LLA in connection with any Utilities Provision (including in respect of providing meter readings and access to its Leased Areas and Ancillary Areas (as applicable) to undertake the installation, maintenance and disconnection of Utilities); and

- 4.6.3. pay to LLA the charges it incurs in respect of such Utilities Provision at such rates as LLA specifies from time to time (unless it has contracted directly with a third party in respect of such Utilities Provision in accordance with clause 4.1.8).

Facilities

- 4.7. Each Operator shall:
 - 4.7.1. ensure that all Facilities used by that Operator at the Airport are:
 - 4.7.1.1. used only for their intended purpose;
 - 4.7.1.2. used in accordance with best industry practice, all Applicable Laws and all instructions issued by LLA from time to time; and
 - 4.7.1.3. left in a clean and tidy condition after their use by that Operator; and
 - 4.7.2. pay to LLA the charges it incurs in respect of its use of Facilities at such rates as LLA specifies from time to time (unless it has contracted directly with a third party in respect of the provision of such Facilities in accordance with clause 4.1.8).

Aviation Fuel Supply Levy

- 4.8. Each Operator supplying Aviation Fuel, Lubricants and Other Products at the Airport to other Operators, shall pay to LLA a “fuel levy” in respect of such supply at such rates as LLA may specify from time to time (unless that Operator has a separate written agreement in place with LLA setting out the charges payable to LLA by that Operator for its supply of Aviation Fuel, Lubricants and Other Products to other Operators at the Airport).

Consolidation Centre Services

- 4.9. Each Operator acknowledges and agrees that LLA has appointed the Consolidation Centre Operator to act on its behalf to provide Consolidation Centre Services to each Operator which requests them from time to time.
- 4.10. Each Operator will procure that all of its Goods In, prior to being brought into any Airside area, shall be security screened by the Consolidation Centre Operator or LLA (except as otherwise agreed by LLA from time to time).
- 4.11. Each Operator shall pay to LLA the charges it incurs in respect of Consolidation Centre Services at such rates as are set out in the Consolidation Centre Rate Card from time to time.
- 4.12. Each Operator wishing to procure Consolidation Centre Services from time to time in respect of its Goods In, shall first utilise the Consolidation Centre Operator’s then current booking process or system (“**Goods In Booking System**”) to place an order for those Consolidation Centre Services in respect of those Goods In (a “**Requested Goods In Booking**”), and shall promptly, fully and accurately provide

13. Terms of Use

such details in respect of that Requested Goods In Booking as may be specified by the Consolidation Centre Operator from time to time (through the Goods In Booking System or otherwise).

4.13. If the Consolidation Centre Operator confirms in writing to an Operator that a Requested Goods In Booking made by that Operator is accepted by the Consolidation Centre Operator (via the Goods In Booking System or otherwise) (an “**Accepted Goods In Booking**”), that Operator:

4.13.1. shall adhere to all terms and requirements in respect of that Accepted Goods In Booking as the Consolidation Centre Operator may specify from time to time;

4.13.2. shall arrange for the Goods In which are the subject of that Accepted Goods In Booking (“**Booked Goods In**”), to be Delivered to such location at the Airport, and on such date and on such time as may be specified by the Consolidation Centre Operator from time to time (through the Goods In Booking System or otherwise);

4.13.3. shall not leave any Booked Goods In in any part of the Airport, without first:

4.13.3.1. handing such Booked Goods In over to the possession of a member of staff of the Consolidation Centre Operator in exchange for a signed receipt confirming the Consolidation Centre Operator’s acceptance of the Delivery of those Booked Goods In;

4.13.3.2. informing the Consolidation Centre Operator in writing of any special storage or handling precautions required by the nature, weight or condition of the Booked Goods In (including whether the Goods In require chilled or frozen storage) and provide the Consolidation Centre Operator with all other information concerning the Booked Goods In necessary to enable the Consolidation Centre Operator to comply with all Applicable Laws and health and safety requirements in respect of the storage and handling of the Booked Goods In;

4.13.3.3. ensuring that all Booked Goods In are securely and properly packed in compliance with all Applicable Laws and in such condition as not to cause damage or injury or the likelihood of damage or injury to the Consolidation Centre Operator’s Workers, any other person or to any part of the Airport or any other property of the Consolidation Centre Operator or LLA or to any other goods stored at the Airport;

4.13.4. agrees that the Consolidation Centre Operator:

4.13.4.1. may use such method for the storage and handling of the

Booked Goods In as it in its absolute discretion considers appropriate;

4.13.4.2. may undertake such screening and searches of the Goods In (including unpacking and disassembling) as it in its absolute discretion considers appropriate; and

4.13.4.3. shall have a discretion as to where in the Airport it shall store Booked Goods In, and that it may, without notice to that Operator, move the Booked Goods In from one part of the Airport to another part of the Airport;

4.13.5. shall collect the Booked Goods In from such location, and at such time and date, as is specified by the Consolidation Centre Operator (provided that if the Accepted Goods In Booking includes a period of storage of the Booked Goods In, such collection time and date shall not be until after the end of that storage period, except if such Booked Goods In are found to be Waste, Unsafe Goods or may perish before the end of the storage period);

4.13.6. warrants on an ongoing basis that:

4.13.6.1. it has supplied to the Consolidation Centre Operator all material information relating to its requirements for the Consolidation Centre Services;

4.13.6.2. it is either the owner of the Booked Goods In, or is authorised by the owner to hand over the Booked Goods In to the control and custody of the Consolidation Centre Operator on the terms of these CCU for the provision of the Consolidation Centre Services, and there are no restrictions on its right to do so;

4.13.6.3. the Booked Goods In will be as described by that Operator to the Consolidation Centre Operator; and

4.13.6.4. none of the Booked Goods In constitute Waste, Unsafe Goods or are likely to perish before being collected by that Operator (unless otherwise agreed in writing by the Consolidation Centre Operator);

4.13.7. shall ensure that when visiting the Consolidation Centre its employees, agents and representatives shall:

4.13.7.1. co-operate as far as may be reasonably necessary with the Consolidation Centre Operator’s Workers;

4.13.7.2. act in such a way as to avoid causing unreasonable or unnecessary disruption to the routine and procedures of the Consolidation Centre Operator; and

4.13.7.3. comply with all rules and instructions issued from time to time by the Consolidation Centre Operator relating to the use and security of the Consolidation Centre and any other part of the Airport in which Consolidation Centre Services are provided; and

4.13.8. agrees that risk in the Booked Goods In remains at all times with that

13. Terms of Use

Operator, and that it shall accordingly maintain adequate insurance for the full re-instatement value of all such Booked Goods In against all loss or damage to such Booked Goods In.

- 4.14. If an Operator (a) fails to make payment to LLA of the Consolidation Centre Services when due, or (b) does not collect its Booked Goods In in accordance with the terms of these CCU, or (c) any Booked Goods In are Waste, Unsafe Goods or have perished (and the Consolidation Centre Operator has not agreed to store, handle or delivery such Booked Goods In knowing that they are Waste, Unsafe Goods, have perished or will perish):
- 4.14.1. if so confirmed in writing by LLA to that Operator, title to all such Booked Goods In, which are owned by that Operator and which are in the control or custody of the Consolidation Centre Operator, shall immediately pass to LLA;
- 4.14.2. LLA (and the Consolidation Centre Operator acting on behalf of LLA) shall be entitled to retain, sell, destroy or dispose of such Booked In Goods at its discretion without further liability to that Operator; and
- 4.14.3. that Operator shall indemnify LLA (and the Consolidation Centre Operator acting on behalf of LLA) against all liability, costs, charges, damages and expenses incurred by LLA to any third party as a consequence of the sale, disposal or destruction of such Booked In Goods by LLA (or the Consolidation Centre Operator acting on behalf of LLA).

5. Airport Access

- 5.1. Subject to each Operator's adherence to these CCU and each applicable Operator Agreement, LLA shall at its discretion permit that Operator's Workers access to the relevant Operational Areas at the Airport. Any such access will be subject to LLA's Operational Requirements from time to time and may be revoked without notice to the relevant Operator at LLA's discretion.
- 5.2. LLA shall at its discretion be at liberty at any time to:
- 5.2.1. deny any Worker access to, or remove any Worker from any part of the Airport (including an Operational Area); or
- 5.2.2. direct that an Operator ensures that one or more of its Workers cease accessing the Airport;
(a "Worker Exclusion").
- 5.3. If a Worker of an Operator is subject to a Worker Exclusion, that Operator shall ensure that that Worker ceases to access the Airport in the course of that Worker's engagement by that Operator (and if that Worker is present at the Airport (in the course of that Worker's engagement by that Operator) at the time that Operator is informed of that Worker Exclusion, that

Operator shall ensure that that Worker is immediately removed from, or leaves, the Airport).

- 5.4. Each Operator shall have no claim under these CCU (or any relevant Operator Agreement) against LLA by way of compensation, damages, reduction in Charges, or otherwise, for any loss of or disruption to trade or in undertaking any activities in connection with its Activities as a result of a Worker Exclusion.
- 5.5. Each Operator shall not use its Operational Areas for any other purpose other than in connection with such Activities as are approved in advance by LLA from time to time.
- 5.6. Each Operator shall be liable to LLA for the repair of all damage to Airport and other property situated within the Airport sustained as a result of:
- 5.6.1. any activities carried out in connection with its Activities by that Operator or its Workers, Customers, Invitees or Subcontractors; or
- 5.6.2. any breach of these CCU (or any applicable Operator Agreement) by that Operator; or
- 5.6.3. the negligence or recklessness of that Operator or its Workers, Customers, Invitees, or Subcontractors;
(**"Property Damage"**).
- 5.7. If an Operator is liable to LLA for the repair of Property Damage in accordance with clause 5.6, at LLA's discretion, that Operator shall either:
- 5.7.1. undertake such works as are approved by LLA from time to time to make good such Property Damage and restore the relevant property to good repair and decorative state; or
- 5.7.2. pay to LLA the proper reasonable cost of LLA making good such Property Damage within 30 days of invoice.
- 5.8. Each Operator will procure (except to the extent otherwise instructed by LLA from time to time) that each of its Operational Areas is at all times:
- 5.8.1. maintained in a safe condition so as to not cause, or contribute to, loss or injury to any person;
- 5.8.2. kept in a clean and tidy condition; and
- 5.8.3. made secure to prevent any access to that Operational Area which is not authorised by LLA from time to time.
- 5.9. Each Operator shall obtain LLA's written consent to permit each of that Operator's Subcontractors access to the Airport (prior to each such Subcontractor first accessing or otherwise commencing operations at the Airport). Any such consent may be subject to such additional conditions and charges as LLA may determine from time to time. If LLA provides an Operator with written consent permitting one or more of that Operator's Subcontractors access to the Airport (each an **"Authorised Subcontractor"**), that Operator:
- 5.9.1. acknowledges and agrees that it does not in any way affect its responsibility to comply, or procure compliance, with its own obligations under these CCU (or any relevant Operator Agreement) including the payment of the

13. Terms of Use

- Charges;
- 5.9.2. shall procure that each Authorised Subcontractor of the Operator (prior to accessing or otherwise commencing operations at the Airport) enters into a direct written agreement with LLA permitting that Authorised Subcontractor access to the Airport (“**Access Agreement**”); and
- 5.9.3. shall procure that each Authorised Subcontractor of that Operator complies substantively with that Operator’s relevant obligations under these CCU (or any relevant Operator Agreement) and the terms of each applicable Access Agreement (as if that Authorised Subcontractor were a party to these CCU and each applicable Access Agreement in place of that Operator).
- 5.10. Use of the Airport (including any Facilities) by each Operator is at each such Operator’s sole risk, and LLA shall have no liability to each Operator in connection with such use except for death or personal injury caused by the deliberate act or negligence of LLA or any of LLA’s Personnel.
- 6. Ancillary Areas**
- 6.1. LLA may from time to time make Ancillary Areas available for use by one or more Operators (including in accordance with the terms of an Operator Agreement).
- 6.2. Each Operator acknowledges that in being bound by the terms of these CCU (and its entry into any relevant Operator Agreement), no form of exclusivity, occupation, tenancy or similar rights have been granted by LLA to that Operator in respect of the Ancillary Areas, Airport Common Infrastructure or any other part of the Airport (except for that Operator’s Leased Areas, and only then to the extent provided by the terms of the applicable Lease).
- 6.3. Each Operator acknowledges that its use of the Ancillary Areas, Airport Common Infrastructure or any other part of the Airport (except for that Operator’s Leased Areas, and only then to the extent provided by the terms of the applicable Lease) is as licensee and no rights of exclusive possession of the Ancillary Areas, Airport Common Infrastructure or any other part of the Airport (except for any of that Operator’s Leased Areas, and only then to the extent provided by the terms of the applicable Lease) are granted by these CCU (or any relevant Operator Agreement) to that Operator.
- 6.4. Each Operator agrees and acknowledges that:
- 6.4.1. no relationship of landlord and tenant is created between that Operator and LLA in connection with that Operator’s permission to use Ancillary Areas; and
- 6.4.2. that Operator shall not impede or prevent access to any Ancillary Area, Airport Common Infrastructure or any other parts of the Airport (except for that Operator’s Leased Areas, and only then to the extent permitted by the terms of the relevant Lease) by LLA (or to persons authorised by LLA) at any time.
- 6.5. LLA may temporarily or permanently close, or impede access to, part or all of any Ancillary Area, Airport Common Infrastructure, or any other parts of the Airport (except for that Operator’s Leased Areas, and only then to the extent it is prevented by the terms of the relevant Lease) for any reason (including if required in connection with any works of repair, alteration or refurbishment or extension) (“**Access Restriction**”). LLA will have no liability to an Operator whether by way of compensation or otherwise for any disruption to that Operator’s business in connection with an Access Restriction.
- 6.6. Use of each Ancillary Area, Airport Common Infrastructure or any other part of the Airport (except for that Operator’s Leased Areas, and only then to the extent provided by the terms of the applicable Lease) is at an Operator’s sole risk, except for loss caused by the deliberate act or negligence of LLA or any of LLA’s Personnel.
- LLA’s responsibility for Ancillary Areas**
- 6.7. LLA will be responsible for any business rates payable in respect of Ancillary Areas.
- 6.8. LLA may supply to, or otherwise make available, Facilities and Utilities to Ancillary Areas but LLA will not be liable for any additional cost, loss, damage or inconvenience that an Operator may sustain through any disruption to such supply or availability due to fire or other damage, mechanical breakdown, industrial action or any reason beyond LLA’s reasonable control.
- Each Operator’s responsibility for its Ancillary Areas**
- 6.9. Each Operator will in relation to each its Ancillary Areas:
- 6.9.1. not use it for any purposes other than:
- 6.9.1.1. the Permitted Use applicable to that Ancillary Area; and
- 6.9.1.2. in support of the performance of its Activities;
- 6.9.2. be responsible for safeguarding:
- 6.9.2.1. the health and safety of all persons using or attending that Ancillary Area from time to time; and
- 6.9.2.2. all property located within that Ancillary Area from time to time; and shall indemnify LLA, and keep LLA indemnified, against all damages, liabilities, claims, costs and expenses of any description which LLA may incur in connection with the injury of any person, or damage or loss of any property, which occurs within that Ancillary Area (except to the extent such loss, damage or injury is caused by LLA);
- 6.9.3. at its cost:
- 6.9.3.1. keep it clean, tidy, in good repair and decorative state at all times (and in any event in no worse condition than it was in when that Ancillary Area was first allocated to that Operator by LLA); and

13. Terms of Use

- 6.9.3.2. ensure it is used, and maintained, in accordance with the requirements of all Applicable Laws (and LLA’s instructions) relating to health and safety from time to time;
 - 6.9.4. not alter, interfere with or damage any utilities, services, heating or air handling equipment or other installations in it, and to report to LLA any fault in such equipment or installations promptly upon becoming aware of it;
 - 6.9.5. not damage it, and if it does so, all such damage shall at LLA’s option, either be made good:
 - 6.9.5.1. by that Operator to the satisfaction of LLA; or
 - 6.9.5.2. by LLA (or its appointed contractor), and the proper and reasonable costs of doing so shall be paid by that Operator to LLA (within 5 days of LLA’s demand for such payment);
 - 6.9.6. not make any alterations to it except in accordance with the provisions of clause 8;
 - 6.9.7. not display any signs, notices, or advertisements on or in it other than as authorised in writing by LLA;
 - 6.9.8. vacate it at the expiry or earlier termination of the relevant Operator Agreement by which LLA has allocated that Ancillary Area to that Operator (or at such earlier time on which that Ancillary Area ceases to be allocated to the relevant Operator in accordance with that Operator Agreement), or, if applicable, as provided under clause 6.13 of this CCU, leaving it:
 - 6.9.8.1. empty, clean and tidy, usable and in no worse condition than at it was at the date on which it was first allocated to that Operator; and
 - 6.9.8.2. if so directed by LLA, stripped out and made good to Handover Condition.
- Changes to the Ancillary Areas allocated to each Operator**
- 6.10. Each Operator may from time to time provide a written request (“**New Allocation Request**”) to LLA, setting out the details of a request to change to the Ancillary Areas then currently allocated to that Operator by LLA (“**Current Allocation**”).
 - 6.11. If a New Allocation Request is received by LLA in accordance with clause 6.10, LLA shall at its discretion, or if so requested by the relevant Operator, discuss with that Operator whether, and how best, to meet the relevant New Allocation Request.
 - 6.12. LLA may determine that an alteration to the Current Allocation of an Operator (“**Ancillary Area Variation**”) shall be made from time to time (whether or not a New Allocation Request has been received), and the parties acknowledge and agree that LLA shall not be obliged to implement a New Allocation Request.
 - 6.13. If LLA determines that a change to the Current Allocation of an Operator shall be implemented, LLA will inform that Operator in writing:
 - 6.13.1. that a change to the Current Allocation is to be implemented;
 - 6.13.2. the Ancillary Areas (if any) that will be allocated to the Operator to replace its Current Allocation (“**New Allocation**”) by reference to a plan setting out the size in square feet of each Ancillary Area (if any) included within the New Allocation;
 - 6.13.3. the date on which the New Allocation will take effect (“**Varied Allocation Date**”); and
 - 6.13.4. any change to the Ancillary Area Charges in consequences of the Ancillary Area Variation; andfor the avoidance of doubt, a New Allocation, may result in no Ancillary Areas being allocated to that Operator.
 - 6.14. If an Ancillary Area Variation will result in the relevant Operator no longer being allocated part of its Current Allocation (“**Unrequired Areas**”), that Operator shall on the day prior to the applicable Varied Allocation Date:
 - 6.14.1. cease using all such Unrequired Areas;
 - 6.14.2. remove all Contents from all such Unrequired Areas; and
 - 6.14.3. if so directed by LLA, strip out and make good all such Unrequired Areas to Handover Condition.
 - 6.15. If an Ancillary Area Variation is implemented part way through a Billing Period:
 - 6.15.1. LLA shall recalculate the Ancillary Area Charges applicable to that Billing Period on a pro rata basis to account for such Ancillary Area Variation (“**Revised Billing Period Charge**”);
 - 6.15.2. in the event that the Ancillary Area Charges paid by that Operator in advance for that Billing Period (“**Advance Charge**”) are lower than the Revised Billing Period Charge for that Billing Period, LLA shall reduce the Ancillary Area Charges applicable to the following Billing Period by the amount by which the relevant Advance Charge is higher than the relevant Revised Billing Period Charge; and
 - 6.15.3. in the event that the Advance Charge applicable to that Billing Period is lower than the Revised Billing Period Charge for that Billing Period, that Operator shall pay to LLA a balancing payment calculated as the amount by which the relevant Revised Quarterly Charge is higher than the relevant Advance Charge (“**Ancillary Area Balancing Charge**”) within 30 days of invoice of such Ancillary Area Balancing Charge; provided that if the relevant Operator Agreement provides for “Ancillary Concession Area Balancing Charges”, and “Ancillary Concession Area Balancing Credits”, the provisions of this clause 6.15 shall not apply.
- 7. Ancillary Area Defects**
- 7.1. Each Operator shall be responsible for remedying any defect or other fault with

13. Terms of Use

each its Ancillary Areas (“**Defect**”), occurring during the Allocation Period (except in respect of any defect to Airport Infrastructure which is not caused by the relevant Operator).

- 7.2. Each Operator shall notify LLA immediately on becoming aware of any Defect which may:
 - 7.2.1. adversely affect:
 - 7.2.1.1. any other facilities or operations at the Airport;
 - 7.2.1.2. the ability of that Operator to utilise the relevant Ancillary Area for its Permitted Use;
 - 7.2.1.3. the operation of the Airport; or
 - 7.2.1.4. other property or Airport Infrastructure; or
 - 7.2.2. constitute, or result in:
 - 7.2.2.1. an increased risk to the health and safety of persons at the Airport;
 - 7.2.2.2. an increased risk to the environment;
 - 7.2.2.3. a breach of any Applicable Law; or
 - 7.2.2.4. an increased risk to the maintenance of security at the Airport;(each a “**Reportable Defect**”).
- 7.3. Subject to any requirements in accordance with clause 8, in respect of each Reportable Defect:
 - 7.3.1. if LLA informs the relevant Operator that LLA considers that such Reportable Defect constitutes, or may result in:
 - 7.3.1.1. an immediate risk to health, safety, the environment, other property (including Airport Infrastructure) or the maintenance of security at the Airport;
 - 7.3.1.2. a breach of any Applicable Law which might result in the immediate intervention of any government or regulatory body; or
 - 7.3.1.3. any other immediate risk which is of a significant or serious nature;(each a “**Critical Defect**”);
then that Operator shall remedy such Reportable Defect as soon as practicable (and in any event within 24 hours of LLA informing the Operator that such Reportable Defect is a Critical Defect); or
 - 7.3.2. if LLA informs an Operator that LLA considers that such Reportable Defect may adversely affect:
 - 7.3.2.1. the operations of that Operator, LLA or any third party at the Airport; or
 - 7.3.2.2. the availability of facilities at the Airport;(each a “**Serious Defect**”);
and is not a Critical Defect, then that Operator shall remedy such

Reportable Defect as soon as practicable (and in any event within 48 hours of LLA informing that Operator that such Reportable Defect is a Serious Defect); and

- 7.3.3. unless otherwise specified in accordance with the preceding sub-clauses of this clause 7.3, that Operator shall remedy all Defects within two weeks of becoming aware of such Defect.
- 7.4. Subject to any requirements in accordance with clause 8, each Operator may effect temporary repairs if necessary to comply with clause 7.3 provided:
 - 7.4.1. that Operator obtains LLA’s advance written approval to such temporary repairs; and
 - 7.4.2. permanent repairs are effected within one week after such temporary repairs (or such other period as agreed in writing by LLA).
8. **Alteration Works**
 - 8.1. Each Operator shall prior to the commencement of Alteration Works, provide LLA with a proposal setting out:
 - 8.1.1. a detailed specification of the proposed Alteration Works to be undertaken;
 - 8.1.2. the timetable in which the proposed Alteration Works will be completed in;
 - 8.1.3. the work methods to be used to undertake the proposed Alteration Works;
 - 8.1.4. details of any anticipated operational disruption in consequence of the proposed Alteration Works;
 - 8.1.5. any changes to the design and functionality of the relevant Ancillary Area in consequence of the proposed Alteration Works; and
 - 8.1.6. any anticipated impairment of its Activities in consequence of the proposed Alteration Works;(“**Alteration Works Proposal**”).
 - 8.2. Each Operator shall:
 - 8.2.1. not permit Alterations Works to commence unless a relevant Alteration Works Proposal has been approved in writing by LLA (“**Approved Alterations Works Proposal**”); and
 - 8.2.2. on request, notify LLA of the total value of Alteration Works, and provide such information to LLA’s insurers as they may request from time to time in respect of such Alteration Works.
 - 8.3. Each Operator shall ensure that all Alteration Works are carried out and completed:
 - 8.3.1. in a proper and workmanlike manner;
 - 8.3.2. to the satisfaction of LLA (and any completion or inspection requirements specified by LLA from time to time);
 - 8.3.3. with the highest level of care, skill and diligence;
 - 8.3.4. in a manner so as not to endanger the health and safety of any person or cause damage to any property;
 - 8.3.5. by persons who are suitably skilled and experienced to perform tasks

13. Terms of Use

assigned to them, and in sufficient number to ensure that the Operator's obligations in these CCU (and any relevant Operator's Agreement) are fulfilled; and

- 8.3.6. in accordance with:
- 8.3.6.1. the relevant Approved Alteration Works Proposal (subject to any variation to such Approved Alteration Works Proposal as is agreed in writing by LLA from time to time);
 - 8.3.6.2. all applicable Building Consents;
 - 8.3.6.3. all Applicable Laws;
 - 8.3.6.4. these CCU (and any relevant Operator Agreement); and
 - 8.3.6.5. all instructions issued by LLA, from time to time including in respect of such matters as (without limitation) delivery times and routes, use of compounds, access routes to the Ancillary Area, and waste removal.

9. Works Requirements

CDM Regulations

- 9.1. Each Operator and LLA agree that for the purposes of the CDM Regs that Operator shall be treated as the sole client in respect of all Alteration Works carried out by, or on behalf, of that Operator.
- 9.2. Each Operator shall in connection with all of its Alteration Works:
- 9.2.1. comply with its obligations as a client in accordance with the CDM Regs;
 - 9.2.2. ensure that each Contractor complies with that Contractor's obligations in accordance with the CDM Regs (including, but not limited to, the preparation of a health and safety file in respect of such Alteration Works ("HSF File")); and
 - 9.2.3. notify LLA immediately of any aspect of Alteration Works or any instruction issued by LLA from time to time which is not in accordance with the CDM Regs or any other Applicable Laws.
- 9.3. Each Operator shall, on demand from time to time, and in any event on or before completion of its Alteration Works, provide to LLA a copy of the HSF File relevant to such Alteration Works and will procure that LLA is granted an irrevocable, royalty free, perpetual, worldwide licence to copy and use such HSF File for any purpose.

Building Consents

- 9.4. Each Operator shall in respect of all of its Alteration Works:
- 9.4.1. obtain all Building Consents necessary to lawfully carry out such Alteration Works;
 - 9.4.2. not commence any part of such Alteration Works before obtaining all Building Consents necessary to lawfully carry out that part of such

Alteration Works;

- 9.4.3. provide evidence of all Building Consents in respect of such Alteration Works to LLA within 2 Business Days of their grant to that Operator;
- 9.4.4. advise LLA within 2 Business Days if any application for Building Consent in respect of such Alteration Works is refused or proffered only subject to conditions that the Operator considers unacceptable; and
- 9.4.5. adhere to all conditions and requirements set out in all Building Consents in the course of carrying out such Alteration Works.

Quality of Alteration Works

- 9.5. Each Operator shall ensure that:
- 9.5.1. all materials used in all of its Alteration Works are:
 - 9.5.1.1. in conformity with all Applicable Laws and all relevant British construction standards or codes of practice (generally adhered to within the construction industry at the time of specification);
 - 9.5.1.2. not dangerous or hazardous to health and safety or deleterious to the integrity or durability of the such Alteration Works or the Airport (or any part(s) thereof); and
 - 9.5.1.3. in accordance with all guidelines contained in the then current edition of the publication 'Good Practice in the Selection of Construction Materials' published by The British Council for Offices;
 - 9.5.2. the design and construction of all of its Alteration Works is undertaken by suitably skilled and qualified individuals exercising at all times all reasonable skill, care and diligence to be expected of properly qualified and competent persons experienced in projects of similar scope, type, size, nature and complexity as those Alteration Works; and
 - 9.5.3. all of its Alteration Works on completion are fit for their intended purpose, are of good quality, and do not create a health and safety risk for persons attending the Airport.

LLA Inspections

- 9.6. Without prejudice to LLA's rights set out in clause 6.4, each Operator will, at the request of LLA, make available suitable Personnel of that Operator and of any of its Contractors at the relevant Ancillary Area at such time and date as LLA specifies to:
- 9.6.1. show and explain to LLA the progress of any of its Alteration Works; and
 - 9.6.2. permit LLA and its duly authorised representatives to:
 - 9.6.2.1. undertake its own inspection of such Alteration Works; and
 - 9.6.2.2. monitor that Operator's, and any relevant Contractor's, adherence to its obligations under these CCU (and any relevant Operator Agreement) in connection with such Alteration Works.

10. Operator Requirements

13. Terms of Use

General Operational Requirements

- 10.1. Each Operator agrees and acknowledges that LLA may at its discretion implement Operational Requirements from time to time (which may include closure of part or all of the Airport). Each Operator will adhere to all Operational Requirements and any alterations to such Operational Requirements from time to time (in so far as they are applicable to that Operator). Alterations to Operational Requirements by LLA may arise from time to time without notice or justification to each Operator.
- 10.2. Each Operator in connection with its Activities and at all times whilst present at the Airport shall:
 - 10.2.1. adhere to all instructions and directions issued by LLA or an Airport Official;
 - 10.2.2. implement and maintain such operating procedures and work methods, and adhere to such operational requirements, as LLA or an Airport Official may specify from time to time;
 - 10.2.3. promote a culture of continual improvement in the performance of its Activities and carry out such Activities in an efficient manner;
 - 10.2.4. only implement such operating procedures and policies as are approved by LLA from time to time in connection with its Activities at the Airport (and implement immediately such changes to such procedures and policies as may be requested by LLA from time to time);
 - 10.2.5. co-operate with LLA in all matters relating to its Activities;
 - 10.2.6. carry out its Activities in accordance with the highest level of care, skill and diligence in accordance with best practice in the relevant industry, profession or trade;
 - 10.2.7. not obstruct any roads or access routes within the Airport at any time;
 - 10.2.8. not interfere with or disrupt the normal operation of:
 - 10.2.8.1. the Airport;
 - 10.2.8.2. the infrastructure or equipment at the Airport; or
 - 10.2.8.3. the activities of LLA or any other third party operating at the Airport;
 - 10.2.9. only use Workers who are suitably skilled and experienced to perform tasks assigned to them, and in sufficient number to adequately undertake its Activities and to ensure that its obligations in these CCU (and each relevant Operator Agreement) are fulfilled;
 - 10.2.10. ensure that it obtains, and maintains all consents, licences and permissions (statutory, regulatory, contractual or otherwise) it may require and which are necessary to enable it to comply with its obligations in these CCU (and each relevant Operator Agreement) and to undertake its Activities;
 - 10.2.11. provide such information, reports and supporting documentation as LLA may request from time to time in connection with its Activities (within such time period as LLA may specify from time to time);
 - 10.2.12. ensure that:
 - 10.2.12.1. no Operator Assets are brought onto any part the Airport by or on behalf of that Operator (including any Airside location) without the prior consent of LLA;
 - 10.2.12.2. Operator Assets are only brought onto the Airport (including any Airside location) in accordance with such access and security procedures as LLA may specify from time to time;
 - 10.2.12.3. all Operator Assets are at all times used and kept on the Airport only accordance with such security and health and safety requirements as LLA may specify from time to time;
 - 10.2.12.4. all Operator Assets are at all times of satisfactory quality and fit for the purpose for which it is used;
 - 10.2.12.5. all Operator Assets are at all times kept in a good decorative state, good repair and working order;
 - 10.2.12.6. no Operator Assets are stored at the Airport without the prior consent of LLA;
 - 10.2.12.7. all Operator Assets are at all times used and stored:
 - 10.2.12.7.1. in accordance with all relevant manufacturer instructions;
 - 10.2.12.7.2. all Applicable Laws relating to health and safety; and
 - 10.2.12.7.3. in such a manner so as to prevent unauthorised access or use by third parties (which has not been approved by either that Operator or LLA from time to time); and
 - 10.2.12.8. no Operator Assets are installed, affixed or attached to any part of the Airport, except as permitted in accordance with any relevant Operator Agreement or as otherwise agreed in writing by LLA from time to time;
 - 10.2.13. not make any alteration to any part of the Airport, or undertake any construction works at the Airport, without LLA's prior written agreement (unless otherwise permitted in accordance with the terms of an Operator Agreement);
 - 10.2.14. not do anything, or omit to do anything, whereby the terms of any licence held by LLA with any third party (including for the operation of the Airport, the provision or use of software, or the provision or use of any other goods and or services) could be, or are, breached, or such licence could be liable to forfeiture, suspension, or endangered, or whereby LLA's position and reputation as an airport operator could be adversely affected;

13. Terms of Use

- 10.2.15. comply with the Mandatory Policies, all Applicable Laws, and all industry standards and best practice relevant to undertaking its Activities (and on request provide to LLA copies of its procedures and policies established to ensure compliance with the Mandatory Policies);
 - 10.2.16. carry out all Activities in such a manner so as not to render LLA or any third party in breach of any Applicable Laws or the Mandatory Policies;
 - 10.2.17. not to cause or permit a legal nuisance, damage or unreasonable disturbance, annoyance, inconvenience or interference to LLA, the owners or occupiers of land adjoining the Airport, or to any third party at the Airport;
 - 10.2.18. not to interfere with:
 - 10.2.18.1. LLA's ownership (where applicable), enjoyment, operation or use of:
 - 10.2.18.1.1. any part of the Airport; or
 - 10.2.18.1.2. its property or equipment; or
 - 10.2.18.2. any right enjoyed by LLA or occupiers of any adjoining property save as is reasonably necessary in order to carry out its Activities;
 - 10.2.19. not to erect any structure or place any advert or sign in the Airport without LLA's written approval;
 - 10.2.20. not to do anything on or in relation to the Airport that would or might cause LLA to be in breach of the tenant's covenants and the conditions contained in any applicable lease(s) in respect of the Airport;
 - 10.2.21. not to do anything on or in relation to the Airport that would or might be in breach of any planning permission, licence, authorisation or consent applicable to the Airport or LLA;
 - 10.2.22. agree and undertake to pay to LLA on demand any increased premium incurred for LLA's insurance of any parts of the Airport as a result of, or in contemplation of, it carrying out its Activities;
 - 10.2.23. not do or omit to do anything which may cause or contribute to LLA losing any licence, authority, consent or permission on which it relies for the purposes of conducting its business;
 - 10.2.24. not do or omit to do anything which may constitute, cause or contribute to any breach by LLA of any contract binding on LLA;
 - 10.2.25. carry out all its Activities in accordance with all third party health and safety policy and procedural requirements which are relevant to such Activities;
 - 10.2.26. notify LLA of any notice that its receives from any government authority or agency identifying or alleging any breach of law or regulation relevant to its Activities at the Airport, and confirm to LLA what action it will take in order to comply and when;
 - 10.2.27. not do anything at the Airport which is, or that LLA considers is, a danger to health and safety or which does, or that LLA considers may, cause damage to any property;
 - 10.2.28. enter and exit the Airport via such route(s) and in accordance with such access and security procedures as LLA may specify from time to time;
 - 10.2.29. not park or leave any vehicle or equipment in the Airport except in such locations as are authorised by LLA from time to time;
 - 10.2.30. not interfere with any other activity conducted by LLA or any other party in connection with the Airport; and
 - 10.2.31. not install or make available for use by members of the public or the Operator's Personnel wireless internet access (including Wi-Fi) within the Airport, unless otherwise agreed in writing by LLA.
- 10.3. Each Operator agrees and acknowledges that it shall remain responsible for the safeguarding and use of all Operator Assets brought onto the Airport by (or on behalf of) that Operator, and that the storage or use of any such Operator Assets at the Airport shall be at the sole risk of that Operator.
Compliance with Laws and Mandatory Policies
 - 10.4. Each Operator in the course of its Activities and at all times whilst present at the Airport shall comply with:
 - 10.4.1. all Applicable Laws; and
 - 10.4.2. the Mandatory Policies;and shall on request provide to LLA within 24 hours copies of that Operator's procedures and policies established to ensure compliance with such Applicable Laws and Mandatory Policies.
 - 10.5. Each Operator shall pay to LLA all charges that that Operator incurs (or causes LLA to incur) under any Mandatory Policies, and such charges if not paid may be deducted from any payment due to that Operator by LLA.
 - 10.6. Each Operator shall:
 - 10.6.1. if any of its Activities are conducted in an Airside location, have, and will operate to, an Airside operations manual approved by LLA;
 - 10.6.2. for the purpose of meeting its obligations under these CCU (and any relevant Operator Agreement), have in place and maintain at all times:
 - 10.6.2.1. a quality management system and procedures in respect of the conduct of its Activities;
 - 10.6.2.2. a health and safety policy in respect of the conduct, and risk mitigation, of its Activities; and
 - 10.6.2.3. a business continuity plan or disaster recovery plan from time to time so far as it relates to the ability of that Operator to undertake its Activities;

11. Emergency Contacts

11.1. Each Operator shall:

- 11.1.1. ensure that at least one member of its Key Personnel is at all times available to respond immediately to all communications sent to that Operator by LLA from relevant Commencement Date to the relevant Cessation Date;
- 11.1.2. prior to the relevant Commencement Date, provide LLA with the Emergency Details of all Key Personnel; and
- 11.1.3. within 24 hours of a change to its Key Personnel’s Emergency Details, provide to the Airport Operations Control Centre up to date Emergency Details for such Key Personnel.

12. Airport Safety

12.1. Each Operator acknowledges and agrees with LLA that:

- 12.1.1. LLA gives no warranty or assurance as to the state or condition of any Operational Area (or any other part of the Airport), including, without limitation, as to whether each such Operational Area (or any other part of the Airport) is safe and suitable for:
 - 12.1.1.1. Workers, Customers, Subcontractors or Invitees to access; or
 - 12.1.1.2. the purpose of carrying out any Activities;
- 12.1.2. LLA gives that Operator permission and opportunity to inspect and carry out investigations as to the state and condition of its Operational Areas and that Operator shall be responsible for determining from its own inspections and investigations if those Operational Areas are safe and suitable for persons to access and to undertake its Activities; and
- 12.1.3. all Activities shall be undertaken at that Operator’s own risk.

12.2. Each Operator shall ensure that all of its Activities are undertaken:

- 12.2.1. in accordance with all Applicable Laws pertaining to health and safety;
- 12.2.2. in such a manner so as to reduce the risk to the health and safety of persons at the Airport so far as is practicable; and
- 12.2.3. in such a such manner so as to not cause loss or injury to any

person.

12.3. Each Operator shall between the relevant Commencement Date to the relevant Cessation Date:

- 12.3.1. maintain in place suitable and effective policies and prepare suitable and effective Method Statements and Risk Assessments to ensure the health and safety of all persons in connection with its Activities is safeguarded (irrespective of the location such Activities are to be conducted at within the Airport and whether or not such Activities are to be undertaken by a Subcontractor);
- 12.3.2. maintain an organisational structure which clearly shows the roles and responsibilities of that Operator’s managers in safeguarding the health and safety of that Operator’s Personnel, LLA’s Personnel and third parties at the Airport; and
- 12.3.3. maintain effective policies and procedures to implement, monitor and audit its adherence to its obligations in clauses 12.3.1 and 12.3.2 above; (together the “H&S Documentation”)

12.4. Each Operator shall on demand within 24 hours provide LLA with copies of all of that Operator’s H&S Documentation.

12.5. Each Operator shall:

- 12.5.1. promote a culture of continual improvement in reducing the risks to the health and safety of persons at Airport in connection with the performance of such Activities; and
- 12.5.2. implement and maintain within its business a “just culture” in accordance with the requirements of regulation (EU) No 376/2014 of the European Parliament and of the Council of 3 April 2014.

12.6. Each Airside Operator shall, and shall procure that all of its relevant Workers shall, fully participate in and adhere to the requirements of the Airside Safety Programme and ensure that:

- 12.6.1. suitable Workers are in attendance at all meetings (each a “Safety Meeting”) arranged from time to time in connection with the Airside Safety Programme;
- 12.6.2. it provides such reports and information to LLA and other participants of the Airside Safety Programme as LLA, or the chairperson of any Safety Meeting, may specify from time to time; and
- 12.6.3. it promptly implements such actions and measures as LLA, or the chairperson of any Safety Meeting, may direct from time to time in connection with the Airside Safety Programme.

12.7. In the course of its participation in the Airside Safety Programme, each Airside Operator shall at all times act in good faith and co-operate with all other participants of the Airside Safety Programme to promote a safe working environment at the Airport.

13. Terms of Use

13. Environmental Protection

- 13.1. In connection its Activities, each Operator shall ensure:
- 13.1.1. that no toxic or hazardous substance is spilt on the surface of, or permitted to enter into the drains or gullies of, the Airport; and
 - 13.1.2. that the Environment is not polluted with a Contaminant (other than by normal emissions from vehicles);
- and each Operator shall be liable for, and shall indemnify LLA against, any and all damages, liabilities, claims, costs and expenses that arise as a consequence of Environmental Damage caused in connection with that Operator's Activities (or otherwise by that Operator);
- 13.2. If any Environmental Damage is caused in connection with an Operator's Activities (or otherwise by that Operator), that Operator shall:
- 13.2.1. notify LLA immediately of the nature and extent of the Environmental Damage;
 - 13.2.2. immediately investigate the cause of such Environmental Damage;
 - 13.2.3. take immediate action to prevent any further Environmental Damage;
 - 13.2.4. at LLA's option, either:
 - 13.2.4.1. as soon as practicable, undertake at its cost (and subject to LLA's approval of any works method or programme) all necessary remediation work to restore the affected Environment to the state it was in prior to the Environmental Damage taking place and in accordance with any directions or requirements of any relevant government or regulatory body ("**Remedial Works**"); or
 - 13.2.4.2. pay to LLA on an indemnity basis all of the costs incurred by LLA in undertaking such Remedial Works; and
 - 13.2.5. demonstrate to LLA's satisfaction that the it has complied with the provisions of this clause 13.2, including but not limited to, by making available to LLA all relevant reports and test results on an open book basis, and providing copies of them to LLA on request.

14. Airport Security

- 14.1. Each Operator shall in connection with its Activities at the Airport:
- 14.1.1. comply, at its own cost, with all Security Requirements, including:
 - 14.1.1.1. LLA's right to stop and search persons and their vehicles at the Airport;
 - 14.1.1.2. the requirement for persons working at the Airport, or accessing an Airside location (other than as a bona fide

Passenger) to obtain and wear an ID Pass (which must be visible at chest or shoulder height) at all times whilst present at the Airport,

- 14.1.1.3. all security restrictions or requirements LLA specifies from time to time in respect of persons:
 - 14.1.1.3.1. accessing different parts of the Airport;
 - 11.1.1.3.2. conducting certain activities in different parts of the Airport;
 - 14.1.1.3.2. bringing certain items, equipment or vehicles into different parts of the Airport; and
 - 14.1.1.3.3. using certain items, equipment or vehicles in different parts of the Airport;
- 14.1.2. ensure that all of its Workers, Subcontractors, Invitees and any person under its Control comply at all times with the Security Requirements and the Worker Terms;
- 14.1.3. provide all of its Workers, Subcontractors and Invitees prior to their attendance at the Airport, with sufficient information and training to understand the Security Requirements;
- 14.1.4. immediately remove from the Airport any of its Workers, Subcontractors or Invitees, who fail to comply with the Security Requirements;
- 14.1.5. ensure that if it is designated by LLA as being in control of an Access Point at the Airport from time to time, that:
 - 14.1.5.1. such Access Point is staffed at all times by Workers adequately trained in respect of the Security Requirements relevant to persons, items and vehicles entering, and exiting, a Security Restricted Area through such Access Points;
 - 14.1.5.2. only persons, items and vehicles permitted to gain entry through such Access Point in accordance with the Security Requirements are permitted to enter or exit a Security Restricted Area through such Access Points;
 - 14.1.5.3. each person, item or vehicle permitted to gain entry through such Access Point undergoes and satisfies such security, identity and screening checks as are required in accordance with the Security Requirements before being permitted such entry;
 - 14.1.5.4. it immediately notifies LLA if a person, item or vehicle gains entry through such Access Point in breach of the Security Requirements; and
 - 14.1.5.5. it has in place robust and effective policies and procedures to ensure that the requirements in this clause 14.1.5 are at all times adhered to;
- 14.1.6. ensure that if it is designated by LLA as being in control of any part of

the Security Perimeter from time to time, that:

- 14.1.6.1. it erects and maintains on the Security Perimeter a boundary which prevents all persons from entering or exiting the Airside location(s) which adjoin such boundary (to such standard and specification as LLA may specify from time to time) (“**Operator’s Airside Boundary**”);
- 14.1.6.2. at all times it wholly and effectively monitors each of its Operator’s Airside Boundaries so as to ensure that no person enters or exists the Airside location(s) adjoining such
- 14.1.6.3. Operator’s Airside Boundaries (except in accordance with the provisions of clause 14.1.5);
- 14.1.6.4. it immediately notifies LLA if a person, item or vehicle gains entry to, or exits from, any Airside location adjoining its Operator’s Airside Boundaries; and
- 14.1.6.5. it has in place robust and effective policies and procedures to ensure that the requirements in this clause 14.1.6 are at all times adhered to.
- 14.1.7. ensure that if (a) it is designated by LLA as being in control of any part of the Security Perimeter or (b) it leases any Leased Areas at the Airport from time to time, that it:
 - 14.1.7.1. erects and installs a CCTV Camera in each location at the Airport as LLA may specify from time to time (“**Installed CCTV Camera**”);
 - 14.1.7.2. ensures that each Installed CCTV Camera captures recorded video footage from such areas of the Airport as LLA may specify from time to time (“**Recorded Footage**”);
 - 14.1.7.3. ensures that it takes all practicable steps to ensure that each Installed CCTV Camera is operational and captures Recorded Footage at all times;
 - 14.1.7.4. monitors the Recorded Footage with such regularity as LLA may specify from time to time;
 - 14.1.7.5. immediately notifies LLA of any failure or fault with an Installed CCTV Camera which prevents that Installed CCTV Camera from capturing Recorded Footage (“**Defective CCTV Camera**”), and:
 - 14.1.7.5.1. repairs or replaces that Defective CCTV Camera as soon as practicable (so as to ensure it returns to good working order); and

- 14.1.7.5.2. prior to the repair or replacement of that Defective CCTV Camera, implements such intermediate action or measures as LLA may specify from time to time for the purpose of maintaining security at the Airport;

- 14.1.8. retains all Recorded Footage for such period as LLA may specify from time to time (which shall be no less than 3 months after the date on which it was first recorded), unless otherwise prevented by any Applicable Law; and
 - 14.1.8.1. immediately provides to LLA such Recorded Footage as LLA may specify from time to time, unless otherwise prevented by any Applicable Law.
- 14.2. Each Operator shall at all times:
 - 14.2.1. act honestly, transparently and with integrity (including in respect of all of its dealings with LLA, and in connection with all Activities it undertakes); and
 - 14.2.2. ensure that all information provided to LLA is accurate, complete, not misleading and up to date, and notify LLA without any undue delay if any such information becomes inaccurate, incomplete, misleading or out of date.
- 14.3. Each Operator warrants that LLA shall be entitled to rely on all information provided by it to LLA, whether in accordance with clause 14.2 or otherwise, and shall be liable for, and shall indemnify LLA against, any and all damages, liabilities, claims, costs and expenses that arise as a consequence of LLA’s reliance on such information if it is inaccurate, incomplete, misleading or out of date

15. Operational Support

- 15.1. Each Operator shall ensure that it has sufficient Workers available at all times to undertake all Security Requirements and Critical Operations which are designated or determined by LLA to be that Operator’s responsibility (“**Operator’s Critical Requirement**”) from time to time, and in event it fails to do so (a “**Staff Shortage**”) immediately notify LLA of:
 - 15.1.1. the Staff Shortage;
 - 15.1.2. the likely impact on its Activities;
 - 15.1.3. the risk to the security of the Airport (“**Security Risk**”);
 - 15.1.4. the number and seniority of LLA staff required to wholly mitigate the Security Risk; and
 - 15.1.5. whether it wishes to request that LLA supplies LLA Personnel to fulfil the relevant Operator’s Critical Requirement (“**Staffing Request**”).
- 15.2. LLA may from time to time at its discretion (whether or not a Staffing Request has been received) provide, or procure the provision of, Support Staff to assist an

Operator in performance of any of that Operators:

- 15.2.1. Security Requirements; or
 - 15.2.2. Critical Operations;
 (“**Operational Support**”).
- 15.3. Support Staff shall at all times remain under the direction, supervision and control of LLA (or LLA’s appointed subcontractor) and shall only undertake such tasks and activities as LLA directs from time to time in the performance of any Operational Support.
- 15.4. Each Operator in receipt of Operational Support shall:
- 15.4.1. at all times fully co-operate with LLA and Support Staff in connection with the provision of any Operational Support;
 - 15.4.2. provide LLA and Support Staff with sufficient operational information to adequately and safely provide all Operational Support;
 - 15.4.3. provide the Support Staff with such training as is necessary to adequately and safely provide all Operational Support; and
 - 15.4.4. inform LLA within 24 hours of any safety concerns or operational deficiencies arising in connection with the provision of Operational Support (together with such supporting information as LLA may request from time to time).
- 15.5. LLA shall be under no obligation to commence, or continue to provide, Operational Support to an Operator and each Operator receiving Operational Support shall remain solely responsible and liable for the performance of that Operator’s obligations under these CCU and each applicable Operator Agreement.

Groundhandler Support

- 15.6. LLA may from time to time at its discretion provide, or procure the provision of, Support Staff to provide Operational Support to a Groundhandler in respect of:
- 15.6.1. assisting that Groundhandler to perform some or all Groundhandling Services (to the extent determined by LLA); and/or
 - 15.6.2. the provision Marshalling Support;
 (each together and separately being “**Groundhandler Support**”);

16. ID Passes

- 16.1. LLA shall at its discretion be at liberty at any time to:
- 16.1.1. refuse to issue an ID Pass to any of each Operator’s Attendees (“**ID Pass Refusal**”); or
 - 16.1.2. suspend or revoke any ID Pass issued to any of each Operator’s Attendee
 (“**ID Pass Suspension**”).
- 16.2. Each Operator shall have no claim under these CCU (or any relevant Operator

Agreement) against LLA by way of compensation, damages, reduction in Charges, or otherwise, for any loss of or disruption to trade or in undertaking its Activities as a result of an ID Pass Refusal, ID Pass Suspension or any delay in issuing an ID Pass to any of that Operator’s Attendees.

- 16.3. Each Operator shall procure that each of its Attendees shall:
- 16.3.1. apply to the Airport ID Centre to obtain an ID Pass at least 7 Business Days prior to attending the Airport (unless that Attendee already holds a then current valid ID Pass);
 - 16.3.2. promptly provide all required supporting documentation and complete all such tests, applications and requirements as may be specified by the Airport ID Centre from time to time;
 - 16.3.3. at all times whilst present at the Airport:
 - 16.3.3.1. hold a then current valid ID Pass; and
 - 16.3.3.2. wear that ID Pass over all external clothing and at chest height;
 - 16.3.4. not access a part of the Airport, unless:
 - 16.3.4.1. that Attendee holds an ID Pass which permits access to that part of that Airport; or
 - 16.3.4.2. that part of the Airport is accessible to members of the public and is not within a Security Restricted Area; or
 - 16.3.4.3. that Attendee is Escorted in that part of the Airport;
 - 16.3.5. at least 7 Business Days prior to the expiry of an ID Pass issued to that Attendee, apply to the Airport ID Centre to renew that ID Pass (unless that Attendee’s Last Day has occurred, or will occur, prior to the date on which the relevant ID Pass is due to expire);
 - 16.3.6. in respect of all ID Passes issued to that Attendee:
 - 16.3.6.1. keep such ID Passes safe and secure at all times; and
 - 16.3.6.2. not permit any third party to use such ID Pass to gain, or attempt to gain, access to any part of the Airport;
 - 16.3.7. inform the Airport ID Centre immediately in writing if an ID Pass issued to that Attendee has been:
 - 16.3.7.1. lost, stolen or is otherwise in the possession of a person other than that Attendee; or
 - 16.3.7.2. used by a person other than the Attendee to gain, or attempt to gain, access to any part of the Airport;
 - 16.3.8. return all ID Passes issued to that Attendee to the Airport ID Centre on the earlier of:
 - 16.3.8.1. that Attendee’s Last Day; or
 - 16.3.8.2. if an ID Pass held by that Attendee is the subject of ID Pass Suspension, the date on which that ID Pass Suspension takes place;
 (“**Return Date**”)
 - 16.3.9. inform the Airport ID Centre immediately in writing if that Attendee:

13. Terms of Use

- 16.3.9.1. commits a criminal offence or breached any of the Mandatory Policies whilst at the Airport;
 - 16.3.9.2. becomes subject to a police investigation or is arrested in connection with a criminal offence which may result in that Attendee being convicted of a Disqualifying Conviction; or
 - 16.3.9.3. has been convicted of a Disqualifying Conviction.
- 16.4. If an Operator Suspends or Dismisses one its Workers, that Operator shall:
- 16.4.1. immediately notify LLA of the name of that Worker and the reason for the Suspension or Dismissal; and
 - 16.4.2. obtain, and return to the Airport ID Centre, all ID Passes issued to that Worker.

17. Incident Reporting

- 17.1. Each Operator shall immediately report to LLA (to such person, in such form and by such means as LLA may specify from time to time) any incident, circumstance or behaviour which that Operator or its Personnel become aware of:
- 17.1.1. which either the Operator or LLA has an obligation to report to the CAA in accordance with the CAA's publication "CAP 382, The Mandatory Occurrence Reporting Scheme" or in accordance with any other Applicable Law;
 - 17.1.2. which results in (or nearly results in):
 - 17.1.2.1. a person suffering personal injury at the Airport;
 - 17.1.2.2. damage to a person's property at the Airport; or
 - 17.1.2.3. damage to the Airport (including to any Facilities); or
 - 17.1.3. which that Operator, or its Personnel, suspects, or ought reasonably to suspect, may result in an increased risk to:
 - 17.1.3.1. the security of the Airport; or
 - 17.1.3.2. the health and safety of persons at the Airport;
 - 17.1.4. which adversely impacts the operation of the Airport, LLA or any third party operating at the Airport; or
 - 17.1.5. which may bring the reputation of the Airport, LLA or that Operator into disrepute;
(each a "Reportable Incident").
- 17.2. Each relevant Operator shall keep a written record of each Reportable Incident setting out:
- 17.2.1. the time and date the Reportable Incident occurred;
 - 17.2.2. a full description of the Reportable Incident;
 - 17.2.3. the name and Contact Details of each person (including that Operator's Personnel) who:

- 17.2.3.1. was involved in, or caused, the Reportable Incident;
 - 17.2.3.2. responded to, or assisted, with the Reportable Incident; or
 - 17.2.3.3. reported the Reportable Incident to that Operator; and
- 17.2.4. the reasons for the occurrence of the Reportable Incident (to the extent known by that Operator);
and shall keep each such written record for a period of at least 3 years following the date of the relevant Reportable Incident (and shall provide copies of such written records to LLA immediately on request).
- 17.3. Each Operator shall provide LLA (and its professional advisers) with all reasonable co-operation, evidence and assistance as soon as reasonably practicable in relation to any review or investigation instigated by LLA in respect of a Reportable Incident.
- 17.4. If LLA concludes that the incident, circumstance or behaviour leading to a Reportable Incident arose in consequence of a breach by an Operator of its obligations under these CCU (or a relevant Operator Agreement), that Operator shall, as soon as practicable, implement such remedial action as LLA may specify to avoid a recurrence of any similar incident, circumstance or behaviour.

18. Aircraft Operational Requirements

- ### Slots
- 18.1. The Airport is designated as a Coordinated Airport. No Fixed Wing Operator shall permit, undertake or arrange a Movement of a Fixed Wing Aircraft outside of the date and time of a Slot allocated in advance by ACL to the relevant Flight being undertaken by that Fixed Wing Aircraft (except in respect of bona fide Emergency Divert or ILS Calibration).
Aircraft Operations
- 18.2. Each Fixed Wing Operator in the course of its Activities, must adhere to all rules, guidance and instructions published or otherwise issued by ACL from time to time, including:
- 18.2.1. providing ACL in advance with a complete and accurate planned Movement schedule for each Fixed Wing Aircraft (in accordance with any requirements specified by ACL from time to time);
 - 18.2.2. ensuring written correspondence to ACL should, wherever possible, be in electronic format and conform to IATA's messaging and communications standards from time to time; and
 - 18.2.3. using reasonable endeavours to attempt to book Slots by contacting ACL during ACL's normal working hours, provided that in the event that it is necessary to attempt to book Slots outside of ACL's normal working hours, that Fixed Wing Operator (acting by its Appointed Groundhandler):
 - 18.2.4. shall utilise ACL's Online Coordination System ("OCS") to attempt to book such Slots; or
 - 18.2.5. in the event the Fixed Wing Operator (or its Appointed Groundhandler) does not hold an OCS account, shall contact the Airport Operations Control

13. Terms of Use

Centre to attempt to book such Slots.

- 18.3. Each Aircraft Operator shall comply with, and take all due account of, the following in the course of its Activities and at all times in connection with the Aircraft's Operator's Aircraft (both situated at the Airport and undertaking Flights to or from the Airport):
 - 18.3.1. all requirements, procedures, guidance, notices and warnings as published from time to time in:
 - 18.3.1.1. LLA's "Aerodrome Manual";
 - 18.3.1.2. the Air Navigation Order 2016 as amended;
 - 18.3.1.3. the "AD" section of the "United Kingdom Aeronautical Information Publication" issued by NATS;
 - 18.3.1.4. all "Notices to Airmen" (NOTAM) applicable to the Airport issued by NATS; and
 - 18.3.1.5. all Applicable Laws;
 - 18.3.2. any orders, instructions or directions issued or published from time to time by LLA, ATC or an Airport Official whether in writing or otherwise;
 - 18.3.3. the Aviation Security Act 1982 as amended (including by the Civil Aviation Act 2012); and
 - 15.3.4. these CCU.
- 18.4. Each Aircraft Operator:
 - 18.4.1. shall maintain in place a written agreement for the provision of aircraft maintenance services at the Airport (by a third party authorised to provide such services by LLA) in respect of all of that Aircraft Operator's Aircraft which undertake Flights to and from the Airport from time to time;
 - 18.4.2. must have in place adequate (in LLA's reasonable opinion) written emergency orders and procedures and Aircraft recovery arrangements in respect of risks to its Activities, Aircraft, Passengers, Cargo and Baggage (copies of which must be provided to LLA prior to the commencement of that Aircraft Operator's Activities);
 - 18.4.3. must have in place adequate (in LLA's reasonable opinion) arrangements to ensure all relevant Passengers are able to contact that Aircraft Operator at all times (24 hours a day, seven days a week) and ensure that such contact details are available on all of that Aircraft Operator's customer facing websites;
 - 18.4.4. shall ensure that whilst any Passengers are within its Aircraft at the Airport, or whilst being Escorted by its Appointed Groundhandler, that such Passengers:
 - 18.4.4.1. at all times comply with all of LLA's safety and security

requirements and regulations issued or specified by LLA from time to time which are relevant to Passengers;

- 18.4.4.2. at all times comply (where relevant) with all Applicable Laws and Mandatory Policies; and
 - 18.4.4.3. are transported or Escorted (as the case may be) in a safe manner so as not to cause injury to such Passengers or damage to such Passenger's property.
- 18.5. Each Aircraft Operator (acting by its Appointed Groundhandler):
 - 18.5.1. shall ensure that all of its Passengers due to embark on its Aircraft from time to time:
 - 18.5.1.1. whilst transferring from a Terminal to the relevant Aircraft are Escorted by a Groundhandler (or another person authorised for that purpose by LLA) at all times from when such Passengers exit the appropriate Departure Gate until such Passengers board the relevant Aircraft; and
 - 18.5.1.2. hold all valid documentation required to lawfully permit their departure from the Airport;
 - 18.5.2. shall ensure (acting by its Appointed Groundhandler) that all of its Passengers who disembark from its Aircraft from time to time:
 - 18.5.2.1. whilst transferring from the relevant Aircraft to a Terminal are Escorted by its Groundhandler (or another person authorised for that purpose by LLA) at all times from the when such Passengers exit the relevant Aircraft until such Passengers enter the appropriate Arrival Area; and
 - 18.5.2.2. hold all valid documentation required to lawfully permit their arrival at the Airport;
 - 18.5.3. shall ensure (acting by its Appointed Groundhandler) that all of its Passengers whilst transferring from its Aircraft to a Terminal, or transferring from a Terminal to its Aircraft, only use such external Airside access routes as are approved by LLA from time to time, and not enter any other external Airside area (a "Restricted Area");
 - 18.5.4. shall (acting by its Appointed Groundhandler) immediately report to the Airport Operations Control Centre if any Passenger whilst transferring between its Aircraft and a Terminal, or transferring between a Terminal and its Aircraft:
 - 18.5.4.1. enters into a Restricted Area;
 - 18.5.4.2. presents a security or health and safety risk to the Airport or to persons at the Airport; or
 - 18.5.4.3. is involved in incident resulting in a person suffering personal injury or property is damaged; and
 - 18.5.5. shall (acting by its Appointed Groundhandler) implement policies and procedures to ensure the efficient and timely adherence to all Applicable

13. Terms of Use

Laws in respect of its Passengers' arrival at, or departure from, the Airport.

- 18.6. Each Aircraft Operator (acting by its Appointed Groundhandler) shall implement effective procedures and policies which prioritise the handling of Baggage of Transfer Passengers to enable the efficient and timely transfer of such Baggage between each relevant Aircraft.

Information Requirements

- 18.7. Each Aircraft Operator (acting by its Appointed Groundhandler) shall in respect of each Aircraft undertaking a Movement input into the AODB, as soon as that information becomes available to that Aircraft Operator (or its Appointed Groundhandler), and in any event no later than the earlier of (i) 12 hours following the Movement of the relevant Aircraft or (ii) by 8 am on the day following the Movement of the relevant Aircraft:

- 18.7.1. all Passenger information LLA requires from time to time, including:
- 18.7.1.1. the total number of Passengers Carried by that Aircraft during such Movement;
 - 18.7.1.2. the total number of Transfer Passengers on that Aircraft during such Movement; and
 - 18.7.1.3. such total number of Transit Passengers on that Aircraft during each Movement;

(together "Passenger Data");

- 18.7.2. all other information which LLA requires from time to time in respect of that Aircraft, including:
- 18.7.2.1. that Aircraft's registration,
 - 18.7.2.2. that Aircraft's arrival and departure information (including an estimate of, and the actual, On-Block Time and Off-Block Time),
 - 18.7.2.3. the volume by weight in kilograms of Cargo loaded and unloaded from that Aircraft at the Airport;
 - 18.7.2.4. the origin and destination of all Passengers and Cargo Carried by that Aircraft during each Movement; and
 - 18.7.2.5. all Flight delay information in connection with that Aircraft;

and shall correct any inaccuracies in such information within 48 hours of the relevant Movement taking place.

- 18.8. Each Aircraft Operator (acting by its Appointed Groundhandler) shall provide to LLA in respect of each of its Aircraft undertaking a Movement, the Noise Certificate applicable to that Aircraft prior to such Movement taking place (by email to operations.control@ltn.aero or to such other address, or by such other means as LLA may specify from time to time).
- 18.9. Each Aircraft Operator (acting by its Appointed Groundhandler) shall provide to LLA on demand in respect of each of its Aircraft undertaking a Movement

(or otherwise situated at the Airport from time to time), all such information as LLA requests from time to time in respect of the relevant Aircraft, including:

- 18.9.1. the type and variant of that Aircraft (including the "Aircraft Type Code" designated by IATA and "Aircraft Type Designator" designated by ICAO, which are applicable to that Aircraft);
 - 18.9.2. the name of the owner of that Aircraft;
 - 18.9.3. the MTOW applicable to that Aircraft;
 - 18.9.4. the chapter of the Convention on International Civil Aviation, Volume 1 of Annex 16, which is specified as the "noise certification standard" in that Aircraft's Noise Certificate;
 - 18.9.5. the maximum seating capacity of that Aircraft;
 - 18.9.6. the manufacturer and engine identification for each engine on that Aircraft (as specified in accordance with the ICAO "Aircraft Engine Emissions Databank");
 - 18.9.7. the number of engines on that Aircraft;
 - 18.9.8. the Engine NOx for each engine on that Aircraft (as specified in accordance with the ICAO "Aircraft Engine Emissions Databank" or if not so specified, the equivalent value specified by the relevant engine manufacturer from time to time);
 - 18.9.9. the Noise Certificate applicable to that Aircraft; and
 - 18.9.10. the "noise quota count" applicable to that Aircraft in accordance with
 - 18.9.11. the Noise Control Scheme.
- 18.10. Each Aircraft Operator (acting by its Appointed Groundhandler) shall provide to LLA, within 7 days of a written request from LLA, copies of all:
- 18.10.1. "load/trim sheets";
 - 18.10.2. "passenger manifests";
 - 18.10.3. "aircraft flight manuals"; and
 - 18.10.4. the Noise Certificate;
- applicable to each Aircraft which has undertaken a Movement (and shall on request permit a representative of LLA to inspect the originals of such documents on 7 days notice).
- 18.11. Subject to the remaining provisions of this clause, LLA shall calculate the relevant Aircraft Charges in accordance with the information provided by each Aircraft Operator (or its Appointed Groundhandler) in accordance with clauses 18.7, 18.8 and 18.9 ("Billing Information"). LLA may seek to verify the accuracy of the Billing Information by any means including (but not limited to), by:
- 18.11.1. reference to data collected by the CAA and HM Revenue and Customs; and
 - 18.11.2. counting Passengers embarking or disembarking the relevant Aircraft Operator's Aircraft.
- 18.12. In the event that an Aircraft Operator (or its Appointed Groundhandler) fails to provide any of Billing Information, or such Billing Information is otherwise deemed

13. Terms of Use

by LLA to be inaccurate, LLA may at its discretion calculate the relevant Aircraft Charges based on the standard manufacturer's configuration applicable to each relevant Aircraft and may rely on such data sources as are available to LLA from time to time.

- 18.13. Each Aircraft Operator (acting by its Appointed Groundhandler) must notify LLA as soon as practicable if there is:
- 18.13.1. any material change to the Billing Information; or
 - 18.13.2. if any circumstances arise which may impact or impair LLA's ability to recover the Charges or which may adversely affect the operation of the Airport.
- 18.14. If an Aircraft Operator has not operated an Aircraft which has undertaken a Flight to or from the Airport within the preceding 12 months, prior to any Movement the relevant Aircraft Operator must provide LLA with such evidence as LLA deems satisfactory to establish that Aircraft Operator has in place a security programme in respect of its operations which meets all relevant requirements of:
- 18.14.1. the Aviation Security Act 1982 as amended (including by Civil Aviation Act 2012);
 - 18.14.2. the Mandatory Policies; and
 - 18.14.3. all Security Requirements.

Cargo

- 18.15. Each Cargo Operator shall on or before the Movement of each of that Cargo Operator's Cargo Aircraft, provide to the Cargo Centre copies of all applicable AWBs, HAWBs, Cargo Manifests and DWSs relevant to the Cargo being Carried by the relevant Cargo Aircraft (together the "Cargo Documentation").
- 18.16. LLA may refuse, or cease, handling of any Cargo if the relevant Cargo Operator fails to provide complete and accurate Cargo Documentation in accordance with the provisions of clause 18.15.
- 18.17. LLA shall not be required to release any Cargo to an Operator if:
- 18.17.1. that Operator has failed to pay any Charges when due to LLA; or
 - 18.17.2. any other charges incurred by another Operator in connection with such Cargo have not been paid when due.
- 18.18. Each Cargo Operator shall, within 48 hours of a request by LLA, collect and remove from the Airport all of that Cargo Operator's Uncollected Cargo from time to time.
- De-Icing
- 18.19. Each Aircraft Operator operating one or more Aircraft which undertake Flights during the Winter Season, shall:
- 18.19.1. maintain in place a written agreement at all times for the provision of de-icing services in respect of its Aircraft with either LLA or a third party authorised to provide such services at the

Airport by LLA (details of which can be obtained from LLA on request) ("De-Icing Contract"); and

- 18.19.2. (except for GA Operators), maintain in place a written agreement at all times with an Approved Disposal Provider for the collection, storage and disposal of de-icing fluid used in connection with the de-icing of its Aircraft ("Disposal Contract").
- 18.20. Each Approved Disposal Provider shall ensure that all de-icing fluid (including glycol) which it is contracted to collect, store and dispose of in connection with a Disposal Contract is collected, stored and disposed of in accordance with best industry practice, all Applicable Laws and all instructions issued by LLA from time to time.
- 18.21. Each FBO shall ensure that all de-icing fluid (including glycol) used within its Leased Areas in connection with the de-icing of Aircraft, or otherwise brought onto its Leased Areas, is collected, stored and disposed of in accordance with best industry practice, all Applicable Laws and all instructions issued by LLA from time to time. Groundhandling
- 18.22. Each Aircraft Operator must ensure that:
- 18.22.1. immediately prior to, and at all times during each Movement, it
 - 18.22.1.1. has in place a written agreement with a Groundhandler to undertake all Groundhandling Services required in connection with the operation of that Aircraft Operator's Aircraft at the Airport; or
 - 18.22.1.2. has in place an Operator Agreement with LLA permitting it to undertake all Groundhandling Services itself which are required in connection with the operations of its Aircraft at the Airport; and
 - 18.22.2. all Groundhandling Services in connection with its Aircraft at the Airport are undertaken by an Appointed Groundhandler.
- 18.23. LLA reserves the right to limit the number of Groundhandlers it issues Operator Agreements to in accordance with the Airports (Groundhandling) Regulations 1997 (as amended from time to time).
- 18.24. Each Aircraft Operator (acting by its Appointed Groundhandler) shall ensure that:
- 18.24.1. adequate groundhandling equipment is; and
 - 18.24.2. sufficient Workers (holding the appropriate Airside Driving Permits) are; available at all times to ensure that that Aircraft Operator's Aircraft can be moved at any time if so requested by LLA, ATC or an Airport Official.
- 18.25. Each Aircraft Operator shall ensure that if LLA, ATC or an Airport Official request that an Aircraft Operator's Aircraft is moved at the Airport, that Aircraft Operator shall, or shall procure, that such Aircraft is moved immediately to such location as LLA, ATC or the Airport Official specifies ("Movement Request"). If an Aircraft Operator fails to adhere to a Movement Request, that Aircraft Operator hereby authorises LLA (or a subcontractor appointed by LLA) to gain access to and move

13. Terms of Use

- the relevant Aircraft by any viable means and relocate it to an area determined by LLA (“**Aircraft Relocation**”).
- 18.26. For the avoidance of doubt, the engagement of a third party Groundhandler shall not absolve, or reduce, an Aircraft Operator’s liability to LLA under these CCU (or any relevant Operator Agreement). Neither LLA nor its servants or agents shall be liable for, and that Aircraft Operator shall indemnify LLA and keep LLA indemnified against, all liabilities, costs, claims, damages, expenses losses or injury of any description due to, or arising out of, the activities of that Aircraft Operator’s Appointed Groundhandler.
- PRM Passengers
- 18.27. LLA will provide, either itself or through an appointed contractor (as applicable the “**PRM Provider**”), PRM Airport Services to PRM Passengers in accordance with the PRM Regulations.
- 18.28. Each Aircraft Operator will perform its obligations as an air carrier under the PRM Regulations, and will not do anything to render LLA in breach of its obligations under the PRM Regulations.
- 18.29. Each Aircraft Operator will use all reasonable endeavours to encourage and facilitate each PRM Passenger who wishes to use PRM Airport Services, to notify that Aircraft Operator of that fact (“**Assistance Request**”):
- 18.29.1. at, or as soon as practicable after, the time of booking a Flight (which is operated by that Aircraft Operator) that the relevant PRM Passenger intends to travel on; and
- 18.29.2. no later than 48 hours prior to the published departure time of that Flight (if the booking takes place 48 hours or more before the published departure time of that Flight).
- 18.30. Each Aircraft Operator shall request that each of its PRM Passengers wishing to travel with an Assistance Dog on an Arriving Flight (which is operated by that Aircraft Operator), notifies that Aircraft Operator of that fact, and provides Proof Of Training in respect of that Assistance Dog to that Aircraft Operator:
- 18.30.1. at, or as soon as practicable after, the time of booking that Arriving Flight; and
- 18.30.2. no later than 48 hours prior to the published departure time of that Arriving Flight (if the booking takes place 48 hours or more before the published departure time of that Arriving Flight).
- 18.31. Each Aircraft Operator shall notify the then current PRM Provider of the PRM Information applicable to each PRM Passenger scheduled to travel on a Flight (operated by that Aircraft Operator):
- 18.31.1. as soon as practicable after the Aircraft Operator becomes aware of the same; and
- 18.31.2. no later than 36 hours prior to the published departure time of that Flight (if that Aircraft Operator receives the relevant Assistance Request more than 48 hours prior to the published departure time of that Flight).
- 18.32. Each Aircraft Operator shall provide the PRM Passenger information it is required to provide to LLA in accordance with Article 6 of the PRM Regulation, to the PRM Provider as soon as reasonably practicable (and in any event in accordance with the minimum periods that that Aircraft Operator is required to provide such information to LLA in, as specified in Article 6 of the PRM Regulation).
- FBO Operations
- 18.33. Each FBO shall:
- 18.33.1. implement such processes and procedures which are necessary to ensure that within its Leased Areas:
- 18.33.1.1. all of its GA Clients safely and efficiently taxi, manoeuvre and park GA Aircraft; and
- 18.33.1.2. all of its GA Passengers safely embark and disembark from GA Aircraft;
- 18.33.2. only situate Stands within its Leased Areas in such locations and such configuration as LLA directs from time to time (“**Designated Stands**”);
- 18.33.3. ensure that all GA Aircraft of its GA Clients located at the Airport remain on Designated Stands or within Hangars which are situated within its Leased Areas until, or unless, manoeuvring for the purposes of a Movement (or otherwise directed by ATC or LLA from time);
- 18.33.5. ensure all access routes to and from Designated Stands (for use by pedestrians, Vehicles and Aircraft) are approved by LLA (“**Approved Access Routes**”);
- 18.33.6. ensure that all of its GA Passengers, Invitees, Workers and Subcontractors comply with all directions or instructions given by LLA or an Airport Official from time to time;
- 18.33.7. ensure that all of its GA Passengers, Invitees, Workers and Subcontractors only use, and remain within, an appropriate Approved Access Route whilst accessing an Airside area (and only then in accordance with any instructions of ATC), unless otherwise approved by LLA or ATC;
- 18.33.8. ensure that all of its GA Clients at all times adhere to the obligations applicable to Aircraft Operators in these CCU;
- 18.33.9. if LLA or ATC request that a GA Aircraft operated by one of its GA Clients is moved at the Airport, immediately procure that that GA Aircraft is moved to such location as LLA or ATC directs;
- 18.33.10. ensure that all its FBO Groundhandling Services and all FBO Passenger Services are performed:
- 18.33.10.1. in an efficient and timely manner; and
- 18.33.10.2. in accordance with all Applicable Laws, the Mandatory Policies and all applicable provisions of these CCU (including

13. Terms of Use

the “airport security” requirements set out in clause 14);

- 18.33.11. ensure that it implements all such services and functions which are necessary for it to lawfully operate its FBO Operation (except in respect of services or functions which LLA confirms in writing that it will undertake from time to time), and not do anything, or omit to do anything, which would result in LLA being in breach of any Applicable Law in connection with the operation of the FBO Operation, which shall include:
 - 18.33.11.1. ensuring it provides all services necessary to satisfy any obligation the FBO or LLA has in respect of the assistance of its GA PRM Passengers in accordance with all Applicable Laws;
 - 18.33.11.2. ensuring it implements all necessary security checks and screening of persons (including its GA Passengers, GA Crew, Workers, Invitees and Subcontractors), items and Vehicles to satisfy any obligation it or LLA has in respect of airport security in accordance with all Applicable Laws; and
 - 18.33.11.3. procuring that such immigration and border control checks and restrictions, in respect of each of its GA Passengers and GA Crew, are in place and carried out, so as to satisfy any obligation it or LLA has in connection with its FBO Operation in accordance with all Applicable Laws;
- 18.33.12. ensure that it co-operates fully and provides such access as is necessary to permit the CAA and LLA to undertake audits and inspections of its operations at the Airport;
- 18.33.13. ensure that all requirements and instructions of LLA, the CAA, the DFT and Border Force are adhered to as soon as practicable in connection with its FBO Operation; and
- 18.33.14. remove from the Airport any GA Passenger or its Invitees, Workers or Subcontractors, or any other person within its Leased Areas, if that person poses a risk to safety or security at the Airport (or as otherwise directed by LLA from time to time).

19. Airside Driving

- 19.1. At all times whilst a Vehicle is being driven Airside by a Worker of an Operator, the relevant Operator shall:
 - 19.1.1. ensure that that Worker has undertaken and passed all relevant airside driver training in accordance with the “Airside Driver Permit” operations safety instruction issued by LLA from time to

time (“**Airside Driver Permit OSI**”);

- 19.1.2. ensure that that Worker holds a then current Airside Driving Permit;
- 19.1.3. ensure that that Worker holds all necessary driving licences and “certificates of competence” to permit that Worker to drive that Vehicle in accordance with the requirements set out in the Airside Driver Permit OSI;
- 19.1.4. ensure that Worker:
 - 19.1.4.1. is familiar with and adheres to all other requirements of the Airside Driver Permit OSI;
 - 19.1.4.2. adheres to all speed limits, signs, notices and markings relevant to Vehicles being driven at the Airport; and
 - 19.1.4.3. adheres to all instructions and directions of ATC, LLA or an Airport Official.

20. Aircraft Incidents

- 20.1. If an Aircraft Operator’s Aircraft is involved in an incident which prevents, hinders or impairs the use of, or operations within, any part of the Airport or which results in damage to that Aircraft (a “**Disruption Event**”):
 - 20.1.1. the relevant Aircraft Operator shall immediately notify the Airport Operations Control Centre of the nature, extent and consequences of the Disruption Event;
 - 20.1.2. if the relevant Aircraft is immobilised:
 - 20.1.2.1. the relevant Aircraft Operator hereby authorises LLA (or a subcontractor of LLA) to gain access to and move, rescue or salvage such Aircraft by any viable means and relocate it to an area determined by LLA (“**Aircraft Removal**”); and
 - 20.1.2.2. unless LLA informs the relevant Aircraft Operator that LLA intends to undertake or arrange an Aircraft Removal, that Aircraft Operator shall undertake an Aircraft Removal itself within one hour of the Disruption Event occurring (“**Movement Requirement**”).

21. Emergency Intervention

- 21.1. Each Operator acknowledges and agrees that:
 - 21.1.1. LLA may from time to time interfere with the operations, Workers, customers, and property of that Operator in the interests of the safety, security or operation of the Airport, and/or the wellbeing of persons attending the Airport (including in the course of activities undertaken by LLA’s fire service team) (“**Emergency Intervention**”);
 - 21.1.2. LLA shall not be liable to that Operator for any loss or damage incurred by that Operator in connection with an Emergency Intervention (including in respect of damage or contamination caused by the use of firefighting fluids); and

13. Terms of Use

21.1.3. notwithstanding the foregoing, and other than as ordinarily required as a matter of law, LLA shall be under no other obligation or duty to undertake an Emergency Intervention in any particular circumstance, or in accordance with any particular time or standard.

22. Aircraft Parking

22.1. Each Aircraft Operator shall ensure that each of Aircraft Operator's Aircraft at the

Airport are only parked (in a stationary position):

22.1.1. at such locations as are permitted and specified by LLA from time to time; or

22.1.2. at such location within a Leased Parking Area as is permitted and specified by the relevant Leased Parking Area Operator from time to time; and

for the avoidance of doubt, LLA shall not be required to specify that any Fixed Wing Aircraft is parked at a designated Stand and the Charges applicable to Aircraft parking will apply wherever an Aircraft Parks at the Airport.

23. Aircraft Detention

23.1. So long as an Aircraft Operator's Aircraft, and/or any parts or accessories of an Aircraft Operator's Aircraft, shall be situated at the Airport (or situated upon any land within the Airport allotted by or rented from LLA), LLA shall have a continual lien both particular and general upon that Aircraft Operator's Aircraft, and/or any its parts and accessories of that Aircraft Operator's Aircraft, ("together constituting a "**Secured Aircraft**") for all Charges of whatsoever nature and whensoever incurred, which are due and payable to LLA in respect of that Aircraft Operator's Aircraft and/or in respect of any other Aircraft Operator's Aircraft at the time when the Charges become due, and all such Charges shall be deemed to be in default for the purposes of Section 88 of the Civil Aviation Act 1982 from the date incurred until payment in full is made.

23.2. LLA may detain at the Airport a Secured Aircraft (an "**Aircraft Detention**") if the relevant Aircraft Operator has failed to pay any Charges when due to LLA ("**Outstanding Charges**") pending payment of such Charges.

23.3. If payment of any Outstanding Charges are still unpaid within 56 days of an Aircraft Detention commencing (the date of which shall be confirmed by letter issued by LLA to the registered owner(s) of the relevant detained Secured Aircraft at any place at which such registered owner(s) carries on business), the relevant Aircraft Operator hereby agrees that (unless that Operator disputes the Outstanding Charges and provides sufficient security pursuant to and in accordance with Section 88(2) of the Civil Aviation Act 1982) LLA shall be at liberty from time to time and in such manner as it shall

think fit, to sell (subject to the leave of the Court), remove, destroy or otherwise dispose of any Secured Aircraft (including the parts and accessories of that Secured Aircraft) in order to satisfy the Charges.

23.4. In the event that an Aircraft Operator (being a natural person or persons) shall commence any personal insolvency procedure in any jurisdiction or a receiving order shall be made against that Aircraft Operator or (in the case of that Aircraft Operator being a company) an order or resolution whether voluntary or compulsory shall be made or passed for the winding-up or liquidation of that Aircraft Operator or for the purposes of an administration of that Aircraft Operator or if that Aircraft Operator shall make any assignment of its estate for the benefit of or any arrangement or composition with the creditors of that Aircraft Operator or shall do any other act or take any proceeding in law having effects or results similar to those of bankruptcy in any jurisdiction, then non-payment of any Charges which have been incurred as at that date shall be deemed to be a default of payment for the purposes of Section 88 of the Civil Aviation Act 1982.

23.5. The Aircraft Operator shall pay LLA for all costs and expenses incurred by LLA as a result of the detention of a Secured Aircraft in accordance with clause 23.2, and such costs and expenses shall be deemed to form part of the Charges ("**Detention Costs**"). The Aircraft Operator shall pay all Detention Costs within 14 days of invoice by LLA.

23.6. All of the rights or powers of LLA set out in this clause 23 are exercisable without prejudice to its statutory rights pursuant to Section 88 of the Civil Aviation Act 1982 or to any other right, power or remedy of LLA, whether statutory, equitable, arising at common law or otherwise.

24. Operator Workers

24.1. In the course of its operations at the Airport, each Operator shall:

24.1.1. procure that all its Workers are properly trained for the performance of their duties, and will not utilise any person to undertake Operator Activities unless they have been so trained;

24.1.2. without prejudice to clause 24.1.1, procure that all of its Workers undertake such training as is required in accordance with the Mandatory Policies or is otherwise specified by LLA from time to time;

24.1.3. procure that all of its Workers who attend the Airport are familiar with and understand the Mandatory Policies and the terms of these CCU (or any relevant Operator Agreement) in so far as they affect their duties and take appropriate training or disciplinary measures should this not be the case;

24.1.4. procure that all of its Workers comply with the Mandatory Policies and all Applicable Law whilst attending the Airport;

24.1.5. require all of its Workers who attend the Airport to be sufficiently skilled so as to be able to fully perform their duties and to comply with that

13. Terms of Use

- Operator's obligations under these CCU or any relevant Operator Agreement (in so far as they are relevant to them);
- 24.1.6. at the request of LLA, immediately remove any Worker from undertaking its Activities if LLA considers that such Worker:
 - 24.1.6.1. has or may have committed a criminal offence or breached any of the Mandatory Policies whilst at the Airport;
 - 24.1.6.2. constitutes a security or health and safety risk to the Airport or to persons at the Airport; and
 - 24.1.6.3. may bring the reputation of the Airport or LLA into disrepute;
 - 24.1.7. require all of its Workers who attend the Airport to be trained (by LLA or such third parties as are approved by LLA from time to time) in terminal evacuation procedures and security and safety awareness and to act in
 - 24.1.8. accordance with that training and take appropriate training or disciplinary measures should this not be the case;
 - 24.1.9. require all of its Workers whilst present at the airport to be of a clean and smart appearance at all times, and take appropriate measures should this not be the case;
 - 24.1.10. require all of its Workers to be courteous, to support the promotion of the Airport as being customer focused, to conduct themselves in such a manner as to promote good working relationships with other Operators and occupiers of the Airport, and take appropriate training or disciplinary measures should this not be the case;
 - 24.1.11. provide to LLA training records and confirmation of any necessary training or disciplinary measures that any of its Worker may have been subject to in connection with these CCU (or any relevant Operator Agreement);
 - 24.1.12. ensure that all of its Workers permitted to use any car parking facilities at the Airport in connection with its Activities (determined at LLA's discretion) only uses such car parking facilities whilst undertaking such Activities; and
 - 24.1.13. ensure that all of its Workers at all times have a lawful right to work in the United Kingdom;
- 24.2. For the avoidance of doubt, all charges for passes, permits, travelcards and parking provided by LLA to an Operator's Workers in accordance with Sections 8 and 9 of these CCU shall be deemed to be Charges payable by such Operator to LLA in accordance with clause 3.

25. Intellectual Property

- 25.1. To the extent permitted by law:
 - 25.1.1. all Intellectual Property Rights in the data and databases compiled by an Aircraft Operator (or its Appointed Groundhandler) in connection with its obligations under these CCU (or an Operating Agreement) ("**Groundhandling Data**") shall remain vested in that Aircraft Operator (or its Appointed Groundhandler) until such data or databases are entered into the AODB by that Aircraft Operator (or its Appointed Groundhandler) or is otherwise provided by that Aircraft Operator (or its Appointed Groundhandler) to LLA; and
 - 25.1.2. each Aircraft Operator and Groundhandler assigns to LLA, with full title guarantee and free from all third party rights, the Intellectual Property Rights and all other rights in the Groundhandling Data at the time it is entered into the AODB by the Groundhandler or otherwise provided by the Groundhandler to LLA.
 - 25.2. At its own expense, each Aircraft Operator and Groundhandler shall, and shall use all reasonable endeavours to procure that any necessary third party shall, promptly execute and deliver such documents and perform such acts as may be required for the purpose of giving full effect to these CCU (and each relevant Operator Agreement), including securing for LLA all rights, title and interest in and to the Intellectual Property Rights and all other rights assigned to LLA in accordance with clause 25.1
 - 25.3. Each Aircraft Operator and Groundhandler shall obtain waivers of any moral rights in the Groundhandling Data to which any individual is now or may be at any future time entitled under Chapter IV of Part I of the Copyright Designs and Patents Act 1988 or any similar provisions of law in any jurisdiction in respect of all Intellectual Property Rights and all other rights assigned to LLA in accordance with clause 25.1.
 - 25.4. Each Operator grants to LLA a non-exclusive, worldwide and royalty free right to use, reproduce, display and otherwise exploit its Intellectual Property Rights for any operational use or for the purposes of public communications, including on flight information display screens, mobile applications, web applications, LLA's website located at www.london-luton.co.uk, or any other digital application, platform, or operational display system, in each case whether now known or developed in the future.
- ## 26. Commercial Rights
- 26.1. Nothing in these CCU (or any relevant Operator Agreement) shall preclude LLA from implementing commercial arrangements (either directly or through a third party) with Passengers or any other third party for the sale of any goods or the use of any facilities or services at the Airport.
 - 26.2. No Aircraft Operator shall, without LLA's prior written consent, introduce any commercial arrangements with its Passengers where such commercial arrangements may have an adverse effect on:

13. Terms of Use

- 26.2.1. LLA's operations and/or business; or
 - 26.2.2. any third party's operation of a Concession;
 - 26.3. Subject always to any Applicable Laws, each Aircraft Operator will ensure that it maintains, and will use reasonable endeavours to ensure that any third parties acting on its behalf comply with, a policy of permitting all Passengers boarding the Aircraft Operator's Aircraft (which are due to undertake departing Flights from the Airport) to carry at least one shopping bag containing purchases made at the Airport as hand cabin luggage free of charge (in addition to at least one permitted hand cabin bag), provided that such shopping bag does not have a capacity of more than 20 litres. Each Aircraft Operator shall use all reasonable endeavours to clearly communicate this policy to its Passengers.
- ## 27. Marketing Rights
- 27.1. Each Operator agrees that LLA shall be permitted to promote, market, and advertise that Operator's presence and Activities at the Airport for any purpose in connection with the Airport through any media or on any platform, including LLA's website located at www.london-luton.co.uk, app(s), social media, and all other forms of advertising or marketing material issued by, or on behalf of, LLA from time to time.
 - 27.2. Each Operator grants to LLA a non-exclusive, worldwide and royalty free right to use its Trade Marks (and any other Intellectual Property Rights) in connection with the permissions granted to LLA in accordance with clause 27.1, subject to these CCU (and each relevant Operator Agreement) from the relevant Commencement Date to the relevant Cessation Date.
 - 27.3. LLA acknowledges and agrees that all rights in an Operator's Trade Marks shall remain the property of that Operator (or that Operator's licensors), and that LLA has and will acquire no right in them by virtue of the discharge of its obligations under these CCU (unless otherwise specified in a relevant Operator Agreement) except for the right to use the Trade Marks as expressly provided in these CCU.
- ## 28. Water Arches
- 28.1. Each Aircraft Operator may from time to time request that LLA provides one or more Water Arches in respect of one or more of its Aircraft ("**Water Arch Request**"). Each Aircraft Operator agrees and acknowledges that following receipt of a Water Arch Request, LLA may, at its sole discretion, fulfil the Water Arch Request at such times and on such dates as LLA specifies in writing.
 - 28.2. Each Aircraft Operator acknowledges and agrees that:
 - 28.2.1. Water Arches are provided only at the voluntary request of an Aircraft Operator and expressly at the Aircraft Operator's risk;
 - 28.2.2. it owns or leases the relevant Aircraft in connection with each Water Arch Request and is lawfully permitted to request the Water Arches;
 - 28.2.3. the relevant Aircraft in connection with each Water Arch Request is at all times fully insured against any damage caused in connection with the use of Water Arches (and that the provision of Water Arches shall not invalidate such insurances);
 - 28.2.4. it shall conduct a detailed risk assessment in respect of any Water Arches to be provided in connection with each Water Arch Request (and shall provide a copy of such to LLA in advance if requested);
 - 28.2.5. it shall obtain, and maintain all consents, licences and permissions required for any Water Arches to be lawfully provided by LLA in connection with each relevant Aircraft;
 - 28.2.6. it shall be responsible for mitigating all risks or hazards in respect of any Water Arches to be provided by LLA in connection with each Water Arch Request (including, but not limited to, providing LLA with any necessary safety directions);
 - 28.2.7. it shall comply at all times with the instructions of LLA and the Mandatory Policies in respect of the provision of the Water Arches by LLA;
 - 28.2.8. it fully understands and accepts the inherent risks and hazards connected with the use of the Water Arches, including, but not limited to, the risk of water damage to the Aircraft, Aircraft equipment and/or any other property or materials on or within the Aircraft; and
 - 28.2.9. LLA does not recommend or endorse the use of Water Arches and provides no warranty or representation that any Water Arches:
 - 28.2.9.1. are safe for use in connection with any Aircraft;
 - 28.2.9.2. will not cause damage to any persons, Aircraft, Aircraft equipment and/or any other property or materials on or within the Aircraft; or
 - 28.2.9.3. will conform to any performance standard or specification (including but not limited to, any particular water pressure, height, duration or consistency).
 - 28.3. To the fullest extent permitted by Applicable Law, each Aircraft Operator releases, waives and discharges LLA and LLA's Personnel from (and covenants not to bring any action or proceedings in respect of) all past, present and future liabilities, in law or in equity, incurred by LLA to the Aircraft Operator in connection with the provision of Water Arches, regardless of whether such liability arises in tort, contract, breach of statutory duty, negligence or otherwise.
 - 28.4. Each Aircraft Operator will indemnify LLA and LLA's Personnel against:
 - 28.4.1. all and any loss of or damage to any building, property, equipment or Aircraft of the Aircraft Operator, LLA or of any third party;
 - 28.4.2. all and any liability, costs, charges, damages and expenses of whatever

13. Terms of Use

nature that they may suffer, or incur to any of their Personnel or to any third party (for example, but not limited to, claims brought by or in respect of persons killed or injured or suffering damage to property);

- 28.4.3. all and any liability costs charges damages and expenses of whatever nature that they may suffer or incur to any other Operator, including an airline, concessionaire, service provider or other party operating at the Airport or any other third party; and
- 28.4.4. all other liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses) suffered or incurred by LLA or LLA's Personnel;

arising out of or in connection with the provision of any Water Arches by LLA.

29. Liability

29.1. Nothing in these CCU (or any relevant Operator Agreement) shall exclude or restrict LLA or an Operator's liability for:

- 29.1.1. death or personal injury caused by its negligence, or the negligence of its Personnel;
- 29.1.2. fraud or fraudulent misrepresentation; or
- 29.1.3. breach of the terms implied by section 2 of the Supply of Goods and Services Act 1982 (title and quiet possession) or any other liability which cannot be limited or excluded by Applicable Law.

29.2. Subject to clause 29.1, neither LLA nor its servants or agents shall be liable to an Operator:

29.3. for the death, injury or illness which may be sustained by any of that Operator's Personnel or by any other person under that Operator's control, or for any loss of, damage or destruction to the property of that Operator or of any such Personnel of that Operator or by any other person under that Operator's control, unless due to the deliberate act (otherwise than in good faith) or negligence of LLA or LLA's Personnel or any other person under its control;

29.4. for loss of or damage to any property (including to Booked Goods In, Aircraft, Aircraft parts or accessories, or any property contained in any Aircraft, occurring while any Aircraft is situated at the Airport, in the course of Landing or Take-off or being removed or dealt with by LLA in the event of sale or detention of such Aircraft in accordance with the relevant legislation or under these CCU) arising or resulting directly or indirectly from any act, omission, neglect or default on the part of LLA, or its servants or agents,

unless done maliciously with intent to cause damage, or recklessly and with knowledge that damage would probably result;

- 29.5. any loss damage or inconvenience that Operator may sustain through any disruption to its Activities or other Airport facilities due to Force Majeure Event;
- 29.6. for any costs, claims, damage, loss or injury of any description in connection with the use by that Operator of the Airport or presence of that Operator's property on or at the Airport (including, if that Operator is an Aircraft Operator, the presence of that Operator's Aircraft at the Airport) which has arisen or has resulted from, either directly or indirectly, from any act, omission, neglect or default on the part of a person other than LLA or LLA's Personnel; and
- 29.7. whether in contract, tort (including negligence), breach of statutory duty or otherwise, for:
 - 29.7.1. any indirect, special, incidental, consequential loss; or
 - 29.7.2. any loss of revenue, business contracts, anticipated savings or profits, goodwill, opportunity, business or wasted expenditure suffered by that Operator, in each case whether direct or indirect, even if such loss was reasonably foreseeable or LLA had been advised of the possibility of that Operator incurring it.
- 29.8. Without prejudice to the generality of the foregoing, LLA shall not be liable to an Aircraft Operator or to any other Operator in respect of any claims made or compensation payable to any persons for delays in or cancellations to Aircraft departures or arrivals (including under EC Regulation 261/2004 in respect of denied boarding, cancellations or long delay of flights) or in respect of any liability in of an Aircraft Operator or any other Operator in connection with such delays or cancellations.
- 29.9. LLA gives no warranty as to the continued availability, use and operation of the Airport and may at any time or from time to time at its sole discretion close, or restrict access of any person or persons to the, Airport or any part thereof without incurring any liability to an Operator.
- 29.10. The security of each Aircraft Operator's Aircraft and all its contents (including Passenger Baggage and possessions situated on such Aircraft from time to time) shall at all times be the sole responsibility of the relevant Aircraft Operator (and each Aircraft Operator shall take such steps as are necessary to restrict unauthorised access to, or unauthorised use of, its Aircraft and their contents).
- 29.11. Subject to clause 29.1, LLA's maximum aggregate liability to an Operator for all liabilities incurred in a Year to that Operator whether in contract, tort (including negligence), for breach of statutory duty, or otherwise, arising under or in connection with:
 - 29.11.1. a Supplier Contract, shall be limited to the aggregate charges payable by LLA to the relevant Operator under that Supplier Contract in respect of that Year (and if such Year has not concluded at the point such liability is either settled between LLA and the relevant Operator or

13. Terms of Use

- determined by a court, mediator or adjudicator, LLA's good faith estimate of the charges under that Supplier Contract likely be incurred in the course of that Year); or
- 29.11.2. LLA's provision of Airport Services to the relevant Operator, shall be limited to the aggregate charges payable by the relevant Operator to LLA in connection with the relevant Airport Services in respect of that Year (and if such Year has not concluded at the point such liability is either settled between LLA and that Operator or determined by a court, mediator or adjudicator, LLA's good faith estimate of the charges likely be incurred in the course of that Year by the relevant Operator in connection with the relevant Airport Services); or
- 29.11.3. an Operator Agreement or these CCU (except to the extent that the such liability or liabilities arise in connection with a Supplier Contract or LLA's provision of Airport Services to the relevant Operator), shall be limited to either:
- 29.11.3.1. the total Charges payable by the relevant Operator to LLA under that Operator Agreement (if applicable) and these CCU in respect of that Year (and if such Year has not concluded at the point such liability is either settled between LLA and the relevant Operator or determined by a court, mediator or adjudicator, LLA's good faith estimate of the relevant Charges likely be incurred in the course of that Year); or
- 29.11.3.2. if no Charges are payable by the relevant Operator to LLA under that Operator Agreement (if applicable) and these CCU in respect of that Year, £50,000.
- 29.12. Each Operator will have no claim under these CCU (or any relevant Operator Agreement) against LLA by way of compensation, damages, reduction in Charges, or otherwise, for any loss of or disruption to trade or to its Activities arising from Operational Requirements or any alteration of such Operational Requirements or any other change in procedures or disruption to the working of the Airport.
- 29.13. For the avoidance of doubt the limitations of liability set out in this clause 28, unless expressly stated otherwise in accordance with each relevant Operator's Agreement, shall apply to all indemnities set out in each Operator's Agreement, and in addition to all other limitations of liability set out in each Operator's Agreement.
- ### 30. Indemnities
- 30.1. Each Operator will indemnify LLA and LLA's Personnel against:
- 30.1.1. all and any loss of or damage to any building or property of LLA or of any third party; and
- 30.1.2. all other liabilities, demands, claims, proceedings, fines, penalties, sanctions. actions, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other reasonable professional costs and expenses) suffered or incurred by LLA or LLA's Personnel;
- arising out of or in connection with (a) any negligent performance, breach, non-performance, omissions, or delay in performance by that Operator, or its Personnel, Subcontractors, Invitees or any other person under its Control or acting with its authority (together the "Authorised Persons") of its, or its Authorised Persons', obligations under these CCU (or a relevant Operator Agreement), or (b) its Activities (or any Activities undertaken by its Authorised Persons), or (c) from any breach of the Mandatory Policies, or any statutory duty, by that Operator (or its Authorised Persons), or (d) from the negligence or wilful misconduct of that Operator (or its Authorised Persons), or (e) Cargo, Vehicle, Aircraft or any other item or property it (or its Authorised Persons) has brought onto the Airport, or (f) any of its Leased Areas or any activities taking place in such Leased Areas, or (g) LLA's provision of Operational Support to that Operator (or its Authorised Persons).
- 30.2. Each Operator will indemnify LLA and LLA's Personnel against all liability, demands, claims, proceedings, fines, penalties, sanctions. actions, costs, expenses, damages and losses LLA incurs in connection with the "Customs Comprehensive Guarantee" agreed between LLA and HMRC from time to time ("CCG Liability"), to the extent that such CCG Liability arises in connection with that Operator's Transhipment Cargo.
- 30.3. Each Operator will indemnify LLA and LLA's Personnel against all liability (including any tax liability), demands, claims, proceedings, fines, penalties, sanctions' actions, costs, expenses, damages and losses LLA incurs in connection with the "Construction Industry Scheme" ("CIS Liability"), to the extent that such CIS Liability arises due to LLA not making the correct tax deductions from payments made to that Operator in accordance with the "Construction Industry Scheme" ("Tax Deductions") due to either LLA's reliance on any information provided to LLA by that Operator which is inaccurate, incomplete or misleading (including if one or more invoices provided by that Operator to LLA does not, as a separate and clearly identified line item, accurately set out the Operator's charges to LLA excluding VAT and less the cost of Materials) or that Operator otherwise providing insufficient information to LLA (at the time that Operator issues each of its invoices to LLA) for LLA to correctly calculate such Tax Deductions.
- 30.4. Each Operator will indemnify LLA (and the Consolidation Centre Operator) against all liability, demands, claims, proceedings, fines, penalties, sanctions. actions, costs, expenses, damages and losses incurred by LLA as a result of any claim made

13. Terms of Use

against LLA:

- 30.4.1. in respect of damage to property, death or personal injury arising out of or in connection with the storage or handling of any Goods In or Cargo which are Waste, Dangerous Goods or Unsafe Goods;
 - 30.4.2. arising out of that Operator's failure to comply with any statutory or HMRC requirements, including administrative requirements, concerning the payment of tax, customs or duties in respect of any of the Goods In or Cargo; and
 - 30.4.3. for conversion arising out of or in connection with the storage or handling of any of the Goods In or Cargo in accordance with that Operator's instructions.
- 30.5. Each Aircraft Operator shall be liable for, and hereby indemnifies LLA, and holds LLA harmless against all liability, demands, claims, proceedings, fines, penalties, sanctions, actions, costs, expenses, damages and losses (including loss of revenue and loss of profit) suffered or incurred by LLA that arise as a consequence of:
- 30.5.1. a failure by that Aircraft Operator to undertake a Movement Request in accordance with the requirements of clause 18.25;
 - 30.5.2. a failure by that Aircraft Operator to undertake a Movement Requirement in accordance with the requirements of clause 20.1.2.2; or
 - 30.5.3. LLA, or its subcontractors, undertaking an Aircraft Removal or an Aircraft Relocation.
- 30.6. Each Operator will indemnify LLA against all liability, losses, demands, claims, proceedings, fines, penalties, sanctions, actions, costs, expenses, damages and losses LLA incurs to any third party as a result of any claim that the receipt, possession or use of any goods (including software), services or deliverables which have been supplied by that Operator to LLA (whether under these CCU, an Operator Agreement, or otherwise) infringe the Intellectual Property Rights of any third party.
- 30.7. For the avoidance of doubt, in respect of each of the indemnities set out in clauses 30.1 to 30.3:
- 30.7.1. LLA and LLA's Personnel shall not be under a duty to mitigate any loss they may suffer or incur as a result of an event that may give rise to a claim under those indemnities; and
 - 30.7.2. unless expressly stated otherwise in an Operator Agreement, a limitation of liability in favour of an Operator set out in an Operator Agreement shall not act to limit those indemnities.

31. Insurance

- 31.1. From the relevant Commencement Date to the relevant Cessation Date, each Aircraft Operator shall maintain in force at least the following

insurance policies, with reputable insurance companies or Lloyd's underwriters of good financial standing which are, if required by law or regulation, appropriately authorised and/or regulated, to cover the liabilities that may arise under or in connection with these CCU (or any relevant Operator Agreement):

- 31.1.1. passenger, baggage, cargo and third party liability insurance in respect of its Aircraft Operator's Aircraft in a sum which shall not at any time be less than the minimum levels of insurance required in accordance with EC Regulation 785/2004 as amended by Regulation 285/2010 and implemented by the Civil Aviation (Insurance) Regulations 2005 on insurance requirements for air carriers and Aircraft Operators ("**Minimum Levels**"); provided that
 - 31.1.1.1. such insurance must provide that such Minimum Levels apply only to limit claims which relate to one occurrence or series of occurrences arising out of one event; and
 - 31.1.1.2. such insurance must provide that there shall be no aggregate limit in the value of claims over the lifetime of such insurance (with the exception of coverage in respect of liabilities arising out of war, terrorism and allied perils, which may be subject of an annual aggregate limit of not less than the relevant Minimum Levels);
 - 31.1.2. airside public liability insurance with a limit of at least £100,000,000 per claim and £100,000,000 in aggregate per annum (which must include a war and allied perils extension, with at least the same limits), provided that if the insurance referred to in clause 31.1.1 above is maintained in place by that Aircraft Operator and provides equivalent cover in its entirety, separate airside public liability insurance shall not be required;
 - 31.1.3. general public liability insurance with a limit of at least £10,000,000 per claim and £10,000,000 in aggregate per annum, provided that if the insurance referred to in clause 31.1.1 or 31.1.1.2 above is maintained in place by that Aircraft Operator and provides equivalent cover in its entirety, separate general third party/public liability insurance shall not be required;
 - 31.1.4. employer's liability insurance with a limit of at least £10,000,000 per claim and £10,000,000 in aggregate per annum;
 - 31.1.5. environmental impairment insurance with a limit of at least £3,000,000 per claim and £3,000,000 in aggregate per annum; and
 - 31.1.6. any other insurance required under Applicable Law relevant to that Aircraft Operator
- 31.2. Each Operator shall maintain in place all insurance policies specified in each relevant Operator Agreement for at least the duration of each such Operator Agreement (or such longer periods as is otherwise specified in the relevant

13. Terms of Use

- Operator Agreement).
- 31.3. Each Airside Vehicle Operator shall from the relevant Commencement Date to the relevant Cessation date maintain in place fully comprehensive vehicles insurance in respect of all of its Vehicles (which must provide insurance coverage for the operation of such Vehicles Airside by the Airside Vehicle Operator's Personnel and LLA's Personnel) with:
- 31.3.1. no limit in respect of personal injury caused to third parties per claim; and
- 31.3.2. for at least the full repair cost or replacement value of the relevant Vehicle and any third party property per claim (subject to a limit of at least £100,000,000 per claim and £100,000,000 in aggregate per annum);
- 31.4. Each Operator shall ensure that any insurance policy that that Operator is required to maintain in accordance with clauses 31.1, 31.2 and 31.3 (except for any professional indemnity insurance) shall contain an indemnity to principals clause under which LLA shall be indemnified in respect of third party claims made against LLA arising out of or in connection with any goods supplied by that Operator or activities of that Operator and for which that Operator is legally liable.
- 31.5. Each Operator undertakes that it will not do, or omit to do, anything to invalidate any of the insurance policies set out in clauses 31.1, 31.2 and 31.3 (including non- payment of any premium) or to prejudice LLA's entitlement under those insurance policies.
- 31.6. Each Operator will not do anything or authorise or allow anything to be done whereby any policy or policies of insurance maintained by LLA may become void or voidable or as a result of which the premium may be increased. If an Operator breaches this obligation, and without prejudice to any other right or remedy of LLA, that Operator will pay to LLA the full amount of the additional premium or (as the case may be) the insurance proceeds rendered irrecoverable as a consequence of such breach.
- 31.7. Each Operator must:
- 31.7.1. provide to AirDat (or if LLA so specifies, LLA) at least once a year, and at any other time within 5 Business Days upon AirDat's (or LLA's) request, a current, in date, insurance certificate for each insurance policy detailed in clauses 31.1, 31.2 and 31.3 above which it holds ("**Reviewable Insurances**"), by such means or method as is specified by AirDat (or LLA) from time to time;
- 31.7.2. provide to AirDat (or if LLA so specifies, LLA) all reasonable assistance, supporting evidence and information as is necessary for AirDat (or LLA) to determine if the Reviewable Insurances meet that Operator's minimum insurance obligations specified in accordance with the terms of these CCU and each applicable Operator Agreement ("**Annual Insurance Review**");
- 31.7.3. in the event that AirDat (or LLA) informs that Operator that it has reasonably determined that that Operator does not hold suitable insurances ("**Insurance Requirement Breach**") which meet that Operator's minimum insurance obligations specified in accordance with the terms of these CCU and each applicable Operator Agreement ("**Suitable Minimum Insurances**"), that Operator shall:
- 31.7.3.1. if so requested by LLA, immediately cease operations at the Airport until it has in place Suitable Minimum Insurances and has provided evidence of the same to AirDat (or if LLA so specifies, to LLA); and
- 31.7.3.2. in any event, within 10 Business Days of being informed of an Insurance Requirement Breach, ensure it obtains Suitable Minimum Insurances, and provides evidence of the same to AirDat (or if LLA so specifies, to LLA); and
- 31.7.4. on demand by AirDat, promptly pay to AirDat, AirDat's published charges for undertaking each Annual Insurance Review; provided that receipt of such insurance certificates and other evidence by AirDat or LLA shall not in itself constitute acceptance by LLA that that Operator has complied with its insurance obligations specified in accordance with the terms of these CCU (and each applicable Operator Agreement), or relieve that Operator of any of its liabilities under these CCU (or any relevant Operator Agreement).
- 31.8. Each Operator must notify LLA immediately if any of the insurance policies set out in clauses 31.1, 31.2 and 31.3 lapses or is denied.
- 31.9. Any excess or deductibles under each insurance policy detailed in clauses 31.1, 31.2 and 31.3 above shall be the sole and exclusive responsibility of the relevant Operator.
- 31.10. Each insurance maintained by each Operator in accordance with clauses 31.1 and/or 31.2 shall:
- 31.10.1. name LLA together with its employees, directors and such other party as LLA may request as additional named insured (the "**Additional Insured**");
- 31.10.2. contain a severability of interests clause to the effect that the insurance, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each Additional Insured;
- 31.10.3. be primary without right of contribution from any other insurance carried by the Additional Insured;
- 31.10.4. provide that the Additional Insured shall have no liability for premiums and that that Operator's insurers shall waive any rights of set-off, counterclaim or other deduction against the Additional Insured;
- 31.10.5. provide that the insurers waive their rights of subrogation against the

13. Terms of Use

Additional Insured.

31.11. Each Operator's liabilities under these CCU and each relevant Operator Agreement shall not be deemed to be released or limited by that Operator taking out any insurance policy.

32. Confidentiality

32.1. Each Operator undertakes that it shall not at any time disclose to any person any:

- 32.1.1. LLA Materials;
- 32.1.2. information concerning Airport security and access (including the location of any security vulnerabilities) or infrastructure details in respect of the Airport;
- 32.1.3. images or video recordings of any part of the Airport;
- 32.1.4. plans, schematics, diagrams, drawings or designs of any part, or all, of the Airport (or of any existing or proposed structure at the Airport);
- 32.1.5. information concerning the operation of LLA or the Airport (including demand for goods or services, or in respect of air traffic movements);
- 32.1.6. information concerning LLA's commercial arrangements (including the terms of any relevant Operator Agreement), development plans, charges, business, affairs, suppliers, customers, personnel, technical or commercial know-how, specifications, inventions, processes or initiatives; or
- 32.1.7. information of LLA's which is labelled or specified by LLA as being confidential or secret, or which a reasonable business person would consider to constitute confidential information;

which has been disclosed to that Operator by LLA, LLA's Personnel or any third party or which is otherwise acquired or created by that Operator (together the "**Confidential Information**").

32.2. Each Operator may disclose LLA's Confidential Information:

- 32.2.1. to such of that Operator's Personnel as need to know it for the purpose of discharging that Operator's obligations under these CCU (and any relevant Operator Agreement) provided that that Operator shall ensure that each of that Operator's Personnel to whom it discloses LLA's Confidential Information complies substantively with that Operator's obligations in this clause 32 (as if such Personnel were a party to these CCU in place of that Operator);
- 32.2.2. as may be required by law, a court of competent jurisdiction or any governmental or regulatory authority; or
- 32.2.3. if LLA provides that Operator with advance written permission to

disclose such Confidential Information (and only then to the extent set out in such permission).

32.3. No Operator shall use LLA's Confidential Information for any purpose other than to perform its obligations in accordance with these CCU (or any applicable Operator Agreement).

32.4. For the avoidance of doubt, nothing in these CCU (or any relevant Operator Agreement) shall prevent LLA from disclosing any of the confidential information of an Operator if:

- 32.4.1. the information is already in the public domain;
- 32.4.2. disclosure is required by law or any regulatory body;
- 32.4.3. disclosure is to LLA's professional advisers; or
- 32.4.4. disclosure is to LLA's shareholders, the freeholder of the Airport or to a prospective operator of the Airport.

32.5. Each Operator agrees and acknowledges that;

- 32.5.1. once entered into the AODB, no Groundhandling Data ("AODB Data") shall be deemed to be, or treated as, confidential by that Operator or LLA;
- 32.5.2. LLA shall not owe a duty of confidence to that Operator in respect of any AODB Data; and
- 32.5.3. LLA may at its discretion utilise AODB Data for such purposes, and provide AODB Data to such third parties, as LLA determines from time to time (which may include the provision of AODB Data to Retail Concessionaires for the purposes of assisting such Retail Concessionaires in determining appropriate staffing levels for their Concessions).

33. Data Protection and Data Processing

33.1. Each Operator shall not do anything in breach of the Data Protection Requirements or anything that would render LLA in breach of the same.

33.2. Each Operator shall comply with LLA's prevailing data protection policies and notices from time to time (which may be made available from time to time on LLA's website located at www.london-luton.co.uk).

33.3. Each Operator and LLA acknowledge that for the purposes of the Data Protection Requirements, that Operator and LLA (as the context of any processing in accordance with the Annex to these CCU, or the terms of any Operator Agreement, requires) may at times be a data controller or a data processor in connection with these CCU (and any relevant Operator Agreement) where "data controller" and "data processor" have the meanings as defined in the Data Protection Requirements. The Annex to these CCU sets out the scope, nature and purpose of processing by each Operator and LLA under these CCU, the duration of the processing and the types of Personal Data and categories of data subject. Each Operator shall not process Personal Data other than in accordance with the parameters set out in the Annex (as amended by the parties

13. Terms of Use

- from time to time in accordance with the provisions of clause 44) or as otherwise specified in accordance with the terms of a relevant Operator Agreement.
- 33.4. Without prejudice to the generality of clause 33.1, each Operator shall, in relation to Personal Data it processes in connection with the performance of its obligations under these CCU (or any relevant Operator Agreement):
- 33.4.1. ensure that there is in place (as applicable) all necessary appropriate consents and notices to enable that Operator to lawfully process such Personal Data for the purposes of these CCU (and any relevant Operator Agreement);
- 33.4.2. if such Personal Data is Shared Personal Data, ensure that there is in place (as applicable) all necessary appropriate consents and notices to enable LLA to lawfully process such Personal Data for the purposes of these CCU (and any relevant Operator Agreement);
- 33.5. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, process that Personal Data only on the written instructions of LLA unless that Operator is required by any Applicable Laws to process Personal Data. Where that Operator is relying on laws of a member of the European Union or European Union law as the basis for processing Personal Data in accordance with an Applicable Law, that Operator shall promptly notify LLA of this before performing the processing required by the Applicable Law unless the Applicable Law prohibits that Operator from so notifying LLA;
- 33.6. ensure that it has in place appropriate technical and organisational measures, (to the satisfaction of LLA if such Personal Data is processed on behalf of LLA or is Shared Personal Data), to protect against unauthorised or unlawful processing of such Personal Data and against accidental loss or destruction of, or damage to, such Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, renaming and encrypting such Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to such Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);
- 33.7. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, not transfer any such Personal Data outside of the United Kingdom or the European Economic Area unless the prior written consent of LLA has been obtained and the following conditions are fulfilled:
- 33.7.1. LLA or that Operator has provided appropriate safeguards in relation to the transfer;
- 33.7.2. each relevant data subject has enforceable rights and effective legal remedies;
- 33.7.3. that Operator complies with its obligations under the Data Protection Requirements by providing an adequate level of protection in respect of any such Personal Data that is transferred; and
- 33.7.4. that Operator complies with reasonable instructions notified to it in advance by LLA with respect to the processing of such Personal Data;
- 33.7.5. assist LLA (and undertake such action as LLA may require) in responding to any request from a Data Subject and in ensuring compliance with its obligations under the Data Protection Requirements with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators (including promptly complying with any request from LLA requiring that Operator to amend, transfer or delete Personal Data);
- 33.7.6. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, notify LLA without undue delay on becoming aware of any security breach, unlawful access or processing, loss, damage or destruction in respect of such Personal Data;
- 33.7.7. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, promptly inform LLA if any such Personal Data is lost or destroyed or becomes damaged, corrupted, or unusable and promptly restore such Personal Data at its own expense;
- 33.7.8. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, at the written direction of LLA, delete or return such Personal Data and copies thereof to LLA on the relevant Cessation Date unless required by Applicable Law to store such Personal Data; and
- 33.7.9. maintain complete and accurate records and information to demonstrate its compliance with this clause 33;
- 33.7.10. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, not appoint a third party processor of such Personal Data under these CCU or any relevant Operator Agreement (without LLA's prior written consent);
- 33.7.11. if such Personal Data is processed on behalf of LLA, or is Shared Personal Data, (subject to clause 33.7.10) ensure that each third party processor of such Personal Data or Shared Personal Data appointed by that Operator adheres to all Data Protection Requirements, and substantively with that Operator's requirements set out in this clause 33 (as if that third party processor were a party to these CCU in place of that Operator);
- 33.7.12. if such Personal Data is processed on behalf of LLA or is Shared Personal Data, ensure that all additional requirements of the Data Protection

13. Terms of Use

- Requirements are met if any such Personal Data relates to criminal activity or is special category Personal Data; and
- 33.7.13. ensure that it maintains appropriate policies and procedures to enable the lawful processing (in accordance with the Data Protection Requirements) of any such Personal Data which relates to criminal activity or which is special category Personal Data.
 - 33.8. Each Operator shall ensure that:
 - 33.8.1. it takes reasonable steps to ensure the reliability of any of that Operator's Personnel who have access to Personal Data;
 - 33.8.2. access to Personal Data is limited to:
 - 33.8.2.1. those Personnel of that Operator who need access to such Personal Data to meet that Operator's obligations under these CCU (and any relevant Operator Agreement); and
 - 33.8.2.2. in the case of any access by any of that Operator's Personnel, such part or parts of such Personal Data as is strictly necessary for performance of such Personnel's duties;
 - 33.8.3. all of its Personnel who have access to the Personal Data:
 - 33.8.3.1. are informed of the confidential nature of Personal Data;
 - 33.8.3.2. have undertaken training in the laws relating to handling Personal Data; and
 - 33.8.3.3. are obliged to keep Personal Data confidential and are aware of that Operator's duties.
 - 33.9. Each Operator shall transfer all Personal Data which is processed on behalf of LLA or which is Shared Personal Data to LLA within 2 Business Days of:
 - 33.9.1. LLA's request for such data; and
 - 33.9.2. the relevant Cessation Date.
 - 33.10. If an Operator receives any complaint, notice or communication which relates directly or indirectly to the processing of the Personal Data, or to LLA or that Operator's compliance with the Data Protection Requirements, it shall immediately notify LLA and it shall provide LLA with full co-operation and assistance in relation to any such complaint, notice or communication.
 - 33.11. If an Operator receives a request from a Data Subject in connection with that person's Personal Data, and the relevant Personal Data is either (a) processed by that Operator on behalf of LLA or (b) is Shared Personal Data; that Operator shall:
 - 33.11.1. notify LLA within 2 Business Days of receiving such a request;
 - 33.11.2. provide LLA with full co-operation and assistance in relation to any request made by a Data Subject in connection with that person's Personal Data; and
 - 33.11.3. not disclose the Personal Data to any Data Subject or to a third party other than at the request of LLA or as provided for in these CCU or any relevant Operator Agreement.
 - 33.12. LLA is entitled, on giving at least 2 Business Days' notice to an Operator, to inspect or appoint representatives to inspect all premises, equipment, documents and electronic data relating to the processing of Personal Data by that Operator (and that Operator shall grant such access as is necessary to facilitate such inspection).
 - 33.13. Each Operator shall notify LLA immediately if it becomes aware of any advance in technology and methods of working relating to the supply of the Airport Services which mean that LLA should revise the security measures it has in place in respect of the processing of Personal Data.
- ## 34. Ethics Compliance
- 34.1. Each Operator shall at all times from the relevant Commencement Date to the relevant Cessation Date:
 - 34.1.1. comply with all Applicable Laws, statutes, regulations and codes relating to:
 - 34.1.1.1. anti-bribery and anti-corruption including the Bribery Act 2010;
 - 34.1.1.2. anti-slavery and human trafficking including the Modern Slavery Act 2015;
 - 34.1.1.3. anti-facilitation of tax evasion including the Criminal Finances Act 2017; and
 - 34.1.1.4. anti-fraud including Economic Crime and Corporate Transparency Act 2023; (together the "Ethics Requirements").
 - 34.1.2. not engage in any activity, practice or conduct which would constitute:
 - 34.1.2.1. an offence under sections 1, 2 or 6 of the Bribery Act 2010 if such activity, practice or conduct had been carried out in the UK;
 - 34.1.2.2. an offence under sections 1, 2 or 4, of the Modern Slavery Act 2015 if such activity, practice or conduct were carried out in the UK
 - 34.1.2.3. a UK tax evasion facilitation offence under section 45(1) of the Criminal Finances Act 2017;
 - 34.1.2.4. a foreign tax evasion facilitation offence under section 46(1) of the Criminal Finances Act 2017; or
 - 34.1.2.5. a fraud offence, including Economic Crime and Corporate Transparency Act 2023;
 - 34.1.3. comply with such of LLA's prevailing policies relating to ethics, anti-bribery, anti-slavery, anti-tax evasion and anti-fraud as are made

13. Terms of Use

- available to such Operator or published by LLA time to time (“**Ethics Policies**”) and promptly notify LLA as soon it becomes aware of any breach of such Ethics Policies;
- 34.1.4. have and shall maintain in place its own policies and procedures (including, as applicable, adequate procedures under the Bribery Act 2010 and procedures to prevent the commission of fraud in connection with its business), to ensure compliance with the Ethics Requirements, the Ethics Policies and clause 34.1.2, and will enforce such policies and procedures accordingly so as to ensure compliance with them;
- 34.1.5. immediately notify LLA:
- 34.1.5.1. of any request or demand for any undue financial or other advantage of any kind received by that Operator in connection with the performance of its obligations in connection with these CCU (or a relevant Operator Agreement);
- 34.1.5.2. of any request or demand from a third party to facilitate the evasion of tax within the meaning of Part 3 of the Criminal Finances Act 2017; and
- 34.1.5.3. of any actual or suspected slavery or human trafficking in a supply chain which has a connection with these CCU or any relevant Operator Agreement;
- 34.1.5.4. if a foreign public official becomes an officer or employee of that Operator or acquires a direct or indirect interest in that Operator, and that Operator warrants that it has no foreign public officials as direct or indirect owners, officers or employees at the relevant Commencement Date;
- 34.1.5.5. of the commission of any fraud offence, including any offence under the Economic Crime and Corporate Transparency Act 2023, in connection with these CCU (or a relevant Operator Agreement), or has reason to believe that it has received a request or demand to commit a fraud offence within the meaning of section 199(6) of the Economic Crime and Corporate Transparency Act 2023 in connection with these CCU (or a relevant Operator Agreement); and
- 34.1.5.6. upon request by LLA, certify to LLA in writing signed by an officer of that Operator, compliance with this clause 34.1 by that Operator and all persons associated with it under clause 34.2. That Operator shall provide such supporting evidence of its compliance as LLA may reasonably request.
- 34.2. Each Operator shall ensure that any person associated with that Operator who is performing services or providing goods in connection with these CCU or any relevant Operator Agreement (“**Associated Person**”) does so only on the basis of a written contract which imposes on and secures from such person terms equivalent to those imposed on that Operator in clause 34.1 (“**Ethics Terms**”). Each Operator shall be responsible for the observance and performance by such persons of the Ethics Terms, and shall be directly liable to LLA for any breach by such persons of any of the Ethics Terms.
- 34.3. Each Operator shall, if requested by LLA, co-operate with and provide all reasonable assistance to LLA, to enable LLA to investigate, defend or respond to any requests or prosecutions from or initiated by a relevant government department or agency to investigate or prosecute, an alleged offence in connection with any of the Ethics Requirements which reasonably relate to the actions or inactions of that Operator.
- 34.4. For the purpose of clause 34.1.4, the meaning of adequate procedures and foreign public official and whether a person is associated with another person shall be determined in accordance with section 7(2) of the Bribery Act 2010 (and any guidance issued under section 9 of that Act), sections 6(5) and 6(6) of that Act and section 8 of that Act respectively. For the purpose of this clause 34, a person associated with the relevant Operator includes but is not limited to any subcontractor of that Operator.
- 35. Manager Liaison**
- 35.1. At all times between the relevant Commencement Date and the relevant Cessation Date, each Operator shall appoint a member of its Personnel to be responsible for the management of its Activities at the Airport (an “**Operator Manager**”). Each Operator shall notify LLA, of the name, email address and contact telephone number (“**Manager Details**”) of that Operator’s then current Operator Manager:
- 35.1.1. on the relevant Commencement Date;
- 35.1.2. at any time on request by LLA; and
- 35.1.3. whenever the identity or Manager Details of its Operator Manager changes.
- 35.2. Each Operator shall procure that its Operator’s Manager, will meet with LLA’s Manager (“together the “**Managers**”) at such times as LLA may determine from time to time to discuss any relevant matters in connection with these CCU or any Operators Agreement (“**Meetings**”). The relevant Operator shall procure that its Operator’s Manager will discuss in good faith with LLA’s Manager any relevant issues tabled by either of them, including, but not limited to:
- 35.2.1. operational issues;
- 35.2.2. customer service issues;
- 35.2.3. feedback and complaints received by LLA, and action taken or to be taken by that Operator to prevent a repetition of similar complaints;

13. Terms of Use

- 35.2.4. opportunities for improved efficiencies in connection with the relevant Activities or Airport Services;
 - 35.2.5. that Operator's adherence to these CCU or any relevant Operator Agreement; and
 - 35.2.6. that Operator's adherence to operational safety and security standards.
- 35.3. Any improvements or changes to be implemented by an Operator in connection with its operations at the Airport (including those specified in these CCU and each relevant Operator Agreement) which LLA's Manager requests at a Meeting shall be implemented by that Operator as soon as reasonably practicable (and in any event within one month of that Meeting).

36. LLA Audit

- 36.1. Each Operator shall from time to time:
- 36.1.1. send to LLA all relevant records (in such electronic format as is specified by LLA) and provide all such additional information as LLA may request;
 - 36.1.2. permit LLA (or its professional advisors) access to that Operator's premises, Personnel, systems and relevant records; and
 - 36.1.3. permit LLA (or its professional advisors) to observe that Operator's operations, staffing levels and Activities;
- to verify each such Operator's adherence to the terms of these CCU (and any relevant Operator Agreement) ("**Audit**").
- 36.2. Each Operator shall provide LLA (and its professional advisers) with all reasonable co-operation, access and assistance in relation to each Audit.
- 36.3. If an Audit is conducted by LLA at any of an Operator's premises located outside of the Airport, LLA shall provide at least 2 Business Days' notice of its intention to conduct such Audit to such Operator and any such Audit shall be conducted during normal business hours. If an Audit is conducted by LLA at the Airport, LLA may conduct such Audit at any time without notice to the relevant Operator.
- 36.4. In respect of each Audit, LLA and its professional advisers shall have the right to take copies of any records which they reasonably require and remove such copies and the relevant Operator shall provide the necessary facilities to assist in copying free of charge. In the event that the relevant Operator's records contain information which that Operator is prohibited by law from disclosing to LLA, that Operator shall prepare redacted or edited versions of its records at LLA's cost to enable LLA by its duly authorised representatives to verify that Operator's compliance with the terms of these CCU (or any relevant Operator Agreement).

37. Competent Authority Requirements

- 37.1. Each Operator shall:

- 37.1.1. ensure that it co-operates fully and provides such access as is necessary to permit the CAA, the DfT, HM Revenue & Customs, Border Force or any other regulatory authority or law enforcement agency ("**Competent Authority**"), to undertake audits and inspections of its operations at the Airport ("**Competent Authority Audit**");
- 37.1.2. provide LLA with notice of each such Competent Authority Audit as soon as reasonably practicable, and permit LLA to attend each such Competent Authority Audit;
- 37.1.3. ensure that all requirements and instructions of a Competent Authority are adhered to as soon as practicable in connection with its operations at the Airport; and
- 37.1.4. provide to LLA in writing details of all requirements and instructions of a Competent Authority which are issued to it from time to time, together with details of how it intends to implement such requirements and instructions (and if so requested by LLA from time to time, promptly provide to LLA evidence of such implementation).

38. Suspension & Termination of Airport Services

- 38.1. Without prejudice to any other right or remedy of LLA, if an Operator fails to pay the Charges when due or is otherwise in material breach of these CCU (or a relevant Operator Agreement), LLA may at its discretion, without notice to that Operator:
- 38.1.1. suspend or terminate all, or any part, of the provision of Airport Services to that Operator; and/or
 - 38.1.2. charge for all or any part of the provision of Airport Services at the rates specified in Standard Tariff (if applicable) in place of any varied charges agreed for such Airport Services in a relevant Operator Agreement.
- 38.2. Without prejudice to any other right or remedy of LLA or the continuation of any relevant Operator Agreements (in respect of any unaffected Airport Services), LLA may suspend (for such period as LLA may specify) or terminate the provision of some or all of the Airport Services (to end on such date and time as LLA may specify, which may be immediately) by giving written notice to the relevant Operator to that effect if:
- 38.2.1. any of that Operator's Workers or Invitees gains access to any part of the Airport without LLA authorising such access;
 - 38.2.2. that Operator commits a material breach of any terms of these CCU (or a relevant Operator Agreement) and such breach is irremediable or, if such breach is remediable, that Operator fails to remedy that breach within a period of 14 days after being notified in writing to do so;
 - 38.2.3. that Operator repeatedly breaches any of the terms of these CCU (or a relevant Operator Agreement) in such a manner as to reasonably justify the opinion that its conduct is inconsistent with it having the intention or ability to give effect to the terms of these CCU (or a relevant

13. Terms of Use

- Operator Agreement);
- 38.2.4. a Worker of that Operator commits a criminal offence (or is arrested on suspicion of doing so) or breaches any of the Mandatory Policies;
 - 38.2.5. that Operator's financial position deteriorates to such an extent that in LLA's reasonable opinion that Operator is unable, or will no longer be able, to fulfil its obligations under these CCU (or a relevant Operator Agreement);
 - 38.2.6. that Operator suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or (being a company or limited liability partnership) is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or (being an individual) is deemed either unable to pay its debts or as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the IA 1986 or (being a partnership) has any partner to whom any of the foregoing apply;
 - 38.2.7. that Operator commences negotiations with all or any class of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with any of its creditors;
 - 38.2.8. a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of that Operator;
 - 38.2.9. an application is made to court, or an order is made, for the appointment of an administrator, or if a notice of intention to appoint an administrator is given or if an administrator is appointed, over that Operator;
 - 38.2.10. the holder of a qualifying floating charge over the assets of that Operator has become entitled to appoint or has appointed an administrative receiver;
 - 38.2.11. a person becomes entitled to appoint a receiver over all or any of the assets of that Operator or a receiver is appointed over all or any of the assets of that Operator;
 - 38.2.12. a creditor or encumbrancer of that Operator attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of that Operator's assets and such attachment or process is not discharged within 14 days;
 - 38.2.13. any steps are taken by a secured lender of that Operator to obtain possession of that Operator's property over which it has security or otherwise to enforce its security;
 - 38.2.14. that Operator (being an individual) is the subject of a bankruptcy petition or order or (being a partnership) has any partner to whom the foregoing applies;
 - 38.2.15. any event occurs, or proceeding is taken, with respect to that Operator in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in clause 38.2.7 to clause 38.2.13 (inclusive);
 - 38.2.16. that Operator suspends or ceases, or threatens to suspend or cease, carrying on all or a substantial part of its business, or disposes of all or substantially all of its assets;
 - 38.2.17. that Operator (being an individual) dies or, is in LLA's reasonable opinion, by reason of illness or incapacity, unable, or will no longer be able, to fulfil its obligations under these CCU (or any relevant Operator Agreement) or (being a partnership) has any partner to whom the foregoing applies; or
 - 38.2.18. there is a change of control (as defined in Section 1124 of the Corporation Taxes Act 2010) of that Operator.
- 38.3. For the purposes of clause 38.2.2, a material breach of a term of these CCU shall be interpreted as:
- 38.3.1. any breach that has a serious effect on a benefit that LLA would have otherwise derived from these CCU (or a relevant Operator Agreement); or
 - 38.3.2. the relevant Operator's breach of any condition of these CCU (or a relevant Operator Agreement).
- 38.4. Without limitation, each of an Operators applicable obligations in clauses 2 (Operator Agreements), 3 (Charges, Invoicing & Payment), 5 (Airport Access), 12 (Airport Safety), 14 (Airport Security), 17 (Incident Reporting), 18 (Aircraft Operational Requirements), 19 (Airsides Driving) 20 (Aircraft Incidents) 23 (Aircraft Detention), 24 (Operator Workers), 26 (Commercial Rights), 36 (Audit) shall be a condition of these CCU.
- 38.5. Without affecting any other right or remedy available to it or the continuation of any relevant Operator Agreements (in respect of all unaffected Airport Services), LLA may suspend (for such period as LLA may specify) or terminate the provision of some or all of the Airport Services at any time on giving not less than one month's written notice to the relevant Operator.
- 38.6. Each Operator shall notify LLA in writing immediately upon the occurrence of a change of control (as defined in Section 1124 of the Corporation Taxes Act 2010) of that Operator.
- 39. Consequences of Cessation of Operations**
- 39.1. On the date of the relevant Cessation Date applicable to an Operator;
- 39.1.1. any rights, remedies, obligations or liabilities of LLA or that Operator

13. Terms of Use

that have accrued up to that Cessation Date, including the right to claim damages in respect of any breach of these CCU or a relevant Operator Agreement (as appropriate) which existed on or before that Cessation Date shall not be affected;

- 39.1.2. any provision of these CCU or a relevant Operator Agreement that expressly or by implication is intended to come into or continue in force on or after that Cessation Date, including the following clauses in these CCU: clause 1 (Definitions and Interpretation), clause 28 (Liability), clause 30 (Indemnity), clause 32 (Confidentiality), this clause 39 (Consequences of Termination), clause 53 (Governing Law & Jurisdiction), shall remain in full force and effect;
- 39.1.3. all Charges incurred, and any other amounts owed, by that Operator to LLA shall become immediately due and payable; and
- 39.1.4. that Operator shall remove from the Airport any Operator branded signage and any Operator property. Any damage caused by such removal shall at LLA's option, either be made good:
 - 39.1.4.1. by that Operator to the satisfaction of LLA; or
 - 39.1.4.2. by LLA (or its appointed contractor), and the proper and reasonable costs of doing so shall be paid by that Operator to LLA (within 30 days of LLA's demand for such payment)
- 39.2. On the Cessation Date applicable to an Operator, that Operator shall immediately return all LLA Materials to LLA. If that Operator fails to do so, then LLA may enter that Operator's premises and take possession of them. Until they have been returned or delivered, that Operator shall be solely responsible for their safe keeping and will not use them for any purpose not connected with these CCU (or a relevant Operator Agreement).
- 39.3. The relevant Operator will, during any termination notice period, continue to observe and discharge its obligations under these CCU (and each relevant Operator Agreement) prior to termination in good faith as if the provision of the relevant Airport Services were not terminating or expiring.
- 39.4. Unless otherwise specified in accordance with clause 38.1, any valid notice of termination served in accordance with these CCU (or a relevant Operator Agreement) will be deemed to provide that such termination shall take effect at 23:59 hours on the date specified in the notice.
- 39.5. The service of notice of termination by LLA on grounds that it reasonably considers to be legitimate will not be construed as a repudiation of these CCU (or any relevant Operator Agreement) and the relevant Operator hereby waives any right to accept such repudiation that it may have had but for this clause.

40. Rights & Remedies

- 40.1. If an Operator fails to comply with, any terms of these CCU (or any relevant Operator Agreement), LLA shall be entitled (without prejudice to any other right or remedy) to exercise one or more of the following rights:
 - 40.1.1. to rescind or repudiate (as appropriate) these CCU (or any relevant Operator Agreement);
 - 40.1.2. suspend or cease the provision of some or all Airport Services to the relevant Operator;
 - 40.1.3. in connection with a Supplier Contract, to refuse to accept the provision of any further services or goods by the relevant Supplier and to require the immediate repayment by that Supplier of all sums paid by LLA to that Supplier for any unperformed services or undelivered goods under the relevant Supplier Contract;
 - 40.1.4. to require that Operator, without charge to LLA, to carry out such remedial works or services, or provide such replacement goods, as is necessary to correct that Operator's failure; and
 - 40.1.5. in any case, to claim such damages as it may have sustained in connection with that Operator's breach (or breaches) of these CCU (or the applicable Operator Agreement) except as otherwise remedied by the provisions of this clause 40.1.
- 40.2. Except as expressly provided in these CCU (or an applicable Operator Agreement), the rights in this clause 40 of LLA are in addition to, and not exclusive of, any rights or remedies provided by common law.

41. Inadequacy of Damages

- 41.1. Without prejudice to any other rights or remedies that LLA may have, each Operator acknowledges and agrees that damages alone would not be an adequate remedy for any breach of the terms of these CCU (or a relevant Operator Agreement). Accordingly, LLA shall be entitled to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of the terms of these CCU (or a relevant Operator Agreement).

42. Force Majeure

- 42.1. If an Operator is, or reasonably anticipates that it may become, affected by a Force Majeure Event which either does, or is likely to, adversely affect its Activities, that Operator shall immediately notify LLA of:
 - 42.1.1. the nature and extent of that Force Majeure Event;
 - 42.1.2. the nature and extent of that Force Majeure Event's then current, and anticipated, impact on its Activities; and
 - 42.1.3. the actions it intends implement to mitigate or reduce the impact of the Force Majeure Event on its Activities.
- 42.2. Notwithstanding any other provision of these CCU or any relevant Operator Agreement:

13. Terms of Use

- 42.2.1. if a Force Majeure Event adversely affects, hinders or impairs LLA's business or the operation of the Airport (without liability to each relevant Operator):
 - 42.2.1.1. LLA may delay, suspend or cease the provision of some or all Airport Services without notice to each relevant Operator; and
 - 42.2.1.2. if so requested by LLA, each Supplier shall (as directed by LLA) delay, suspend or cease the provision of its Supplier Services to LLA for such period as LLA may specify (and LLA shall not be required to pay to that Supplier any charges in respect of any Supplier Services which have not been performed or delivered at the time such delay, suspension or cessation commences);
- 42.2.2. LLA shall not be deemed to be in breach of these CCU (or any relevant Operator Agreement), or otherwise be liable to an Operator, for any delay in performance, partial performance or non-performance of any of its obligations under these CCU (or any relevant Operator Agreement) if such delay, partial performance or non-performance is due to a Force Majeure Event.

43. Assignment and other Dealings

- 43.1. Each Operator shall not assign, transfer, mortgage, charge, subcontract, declare a trust over or deal in any other manner with any or all of its rights and obligations under these CCU (or any relevant Operator Agreement) without the prior written consent of LLA.
- 43.2. LLA may at any time assign, novate, mortgage, charge, declare a trust over or deal in any other manner with any or all of its rights and obligations under these CCU (or any Operator Agreement). Upon an assignment or novation, the obligations of LLA under these CCU (or any relevant Operator Agreement) will cease, except for the purpose of enforcing any outstanding obligations arising prior to the date of assignment or novation.

44. Variation

- 44.1. LLA reserves the right to amend, vary or rescind any or all of the CCU at any time. No other variation of these CCU agreed between LLA and an Operator shall be effective unless expressly set out in the terms of an applicable Operator Agreement. No variation of any relevant Operator Agreement shall be effective unless carried out in accordance with the terms of that Operator Agreement.

45. Waiver

- 45.1. A waiver of any of LLA's right or remedy under these CCU (or any relevant Operator Agreement) or by law is only effective if given in writing and shall

not be deemed a waiver of any subsequent breach or default.

- 45.2. A failure or delay by LLA to exercise any right or remedy provided under these CCU (or any relevant Operator Agreement) or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.
- 45.3. If LLA waives a right or remedy provided under these CCU (or any relevant Operator Agreement) or by law in relation to an Operator, or takes or fails to take any action against that Operator, such waiver shall not affect LLA's rights in relation to any other Operator.
- 45.4. Nothing in these CCU (or any relevant Operator Agreement) shall be taken to confer a right for an Operator to use the Airport without LLA's consent and LLA may withdraw any consent provided to an Operator in the event that such Operator is in breach of these CCU (or any relevant Operator Agreement).

46. Severance

- 46.1. If any provision or part-provision of these CCU (or any relevant Operator Agreement) is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of these CCU (or where relevant an Operator Agreement).
- 46.2. If any provision or part-provision of these CCU (or any relevant Operator Agreement) is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

47. Entire Agreement

- 47.1. These CCU (and each relevant Operator Agreement) constitute the entire agreement between LLA and each Operator and supersede and extinguish all previous agreements, promises, assurances, warranties, representations and understandings between LLA and that Operator, whether written or oral, relating to its subject matter. These CCU (and each relevant Operator Agreement) shall prevail over any other terms of business (or similar) put forward by an Operator.
- 47.2. LLA will not be liable to an Operator for any costs or losses, expenses, damages, claims or liabilities suffered or incurred by that Operator in respect of any notification and/or information given by LLA which proves incorrect (except where such notification and/or information is given fraudulently or recklessly).
- 47.3. Each Operator agrees and acknowledges that in entering into these CCU (and each relevant Operator Agreement) no reliance has been placed on any statement,

13. Terms of Use

representation assurance or warranty other than expressly set out in these CCU (or a relevant Operator Agreement) and that it shall have no remedy in respect of any such statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in these CCU (or a relevant Operator Agreement).

47.4. All warranties, conditions, terms and representations not set out in these CCU (or an Operator Agreement) whether implied by statute or otherwise are excluded to the extent permitted by law.

47.5. Nothing in this clause 47 will exclude any liability in respect of misrepresentations made fraudulently.

48. No Partnership or Agency

48.1. Nothing in these CCU (or any relevant Operator Agreement, unless expressly stated) is intended to, or shall be deemed to, establish any partnership or joint venture between LLA and any Operator, constitute LLA or the any Operator as the agent of another party, or authorise any Operator to make or enter into any commitments for or on behalf of LLA.

48.2. Each party confirms it is acting on its own behalf and not for the benefit of any other person.

49. Third Party Rights

49.1. Except to the extent set out in these CCU (or any relevant Operator Agreement), no third party may enforce these CCU (or any relevant Operator Agreement) by virtue of the Contracts (Rights of Third Parties) Act 1999.

49.2. LLA and each Operator may vary, terminate or rescind these CCU and any relevant Operator Agreement (in accordance with the terms of these CCU or the relevant Operator Agreement) without the consent of any third party

50. Conflicts

50.1. If the provision of Airport Services by LLA to an Operator is subject to a separate Operator Agreement, the description of those Airport Services in that separate Operator Agreement shall be deemed to fully describe those Airport Services, in place of any description set out in these CCU. Except as otherwise provided in a relevant separate Operator Agreement, if there is any other inconsistency between any of the provisions of these CCU and the provisions of that Operator Agreement, the provisions of these CCU shall prevail except to the extent otherwise specified in that Operator Agreement.

50.2. If an Operator Agreement and these CCU contain provisions which limit the same liability, both sets of provisions in respect of that liability shall apply, with the provisions that limit that liability to greatest extent interpreted as applying first to that liability.

51. Notices

51.1. Except in respect of a notice sent in accordance with clause 51.6, a notice

given to a party under or in connection with these CCU or any relevant Operator Agreement:

51.1.1. shall be in writing and in English or accompanied by an accurate translation into English;

51.1.2. shall be signed by or on behalf of the party giving it;

51.1.3. shall be sent to the party for the attention of the contact and at the address, listed or specified in clause 51.2;

51.1.4. shall be sent by a method listed in clause 51.4; and

51.1.5. is deemed received as set out in clause 51.4 if prepared and sent in accordance with this clause 51.

51.2. The parties' addresses and contacts are as set out or as specified in this table:

Party	Contact	Postal Address
LLA	General Counsel	Percival House 134 Percival Way, London Luton Airport, Luton, United Kingdom, LU2 9NU
The relevant Operator	A director (or person of equivalent seniority) of the relevant Operator	To the then current registered company address or the principal place of business of the relevant Operator (or such other address for the provision of notices as set out in a relevant Operator Agreement)

51.3. A party may change its details given in the table in clause 51.2 by giving notice, the change taking effect for the party notified of the change at 9.00 am on the later of:

51.3.1. the date, if any, specified in the notice as the effective date for the change; or

51.3.2. the date five Business Days after deemed receipt of the notice.

51.4. This table sets out:

51.4.1. delivery methods for sending a notice to LLA or an Operator under these CCU (and any relevant Operator Agreement); and

51.4.2. for each delivery method, the corresponding delivery date and time when delivery of the notice is deemed to have taken place provided that all other requirements in this clause 51 have been satisfied and subject to the provisions in clause 51.5:

13. Terms of Use

Delivery method	Deemed delivery date and time
Delivery by hand.	On signature of a delivery receipt or at the time the notice is left at the address.
Pre-paid first class post or other next working day delivery service providing proof of postage	9.00 am on the second Business Day after posting or at the time recorded by the delivery service.
Pre-paid airmail providing proof of postage	9.00 am on the fifth Business Day after posting or at the time recorded by the delivery service.

- 51.5. For the purpose of clause 51.4 and calculating deemed receipt:
- 51.5.1. all references to time are to Local Time in the place of deemed receipt; and
- 51.5.2. if deemed receipt would occur in the place of deemed receipt on a Saturday or Sunday or a public holiday when banks are not open for business, deemed receipt is deemed to take place at 9.00 am on the next Business Day.
- 51.6. Notwithstanding the preceding provisions of this clause 51, a notice given by LLA to an Operator under or in connection with these CCU, or any relevant Operator Agreement, may be sent by LLA by email to the then current business email address of a member of that Operator's Personnel. A notice sent by LLA to an Operator by email shall be deemed to be received by that Operator at the time of transmission.
- 51.7. This clause 51 does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.

52. Dispute Resolution

- 52.1. Either LLA or an Operator may serve notice of dispute ("**Dispute Notice**") on the other in respect of a dispute or difference under a relevant Operator Agreement or these CCU ("**Dispute**").
- 52.2. On receipt by LLA or an Operator of a Dispute Notice from the other, LLA and that Operator shall attempt, in good faith, to resolve any Dispute promptly by negotiation, which shall be conducted by a director of LLA and a director (or person of equivalent seniority) of that Operator.
- 52.3. If LLA and the relevant Operator are unable, or fail, to resolve the Dispute within 14 days of the date of the Dispute Notice, then either may commence or continue court proceedings in respect of such unresolved Dispute.
- 52.4. Notwithstanding clause 52.3, any Dispute may be referred to and finally

resolved by arbitration under the CI Arb Rules (in force at the time of the referral) by a sole arbitrator to be agreed by LLA and the relevant Operator or, in the absence of such agreement, as nominated by the Chartered Institute of Arbitrators (if so requested by either LLA or the relevant Operator).

- 52.5. An Operator may not commence any court proceedings/arbitration in relation to any dispute arising out of these CCU (or any relevant Operator Agreement) until it has attempted to settle the relevant dispute in accordance with clauses 52.1 to 52.3 provided that:
- 52.5.1. the right to issue proceedings is not prejudiced by a delay; or
- 52.5.2. one of the remedies sought by the claimant party is not the grant of an injunction or specific performance of the other relevant party's obligations under these CCU (or any relevant Operator Agreement).

53. Governing Law

- 53.1. These CCU, any relevant Operator Agreement and any dispute or claim arising out of or in connection with them or their subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of England and Wales.

54. Jurisdiction

- 54.1. Subject to clause 52, LLA and each Operator irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these CCU, any relevant Operator Agreement or their subject matter or formation.
