Dear Evie,

I hope you are well,

The Judge has approved the orders now, however the LCA order is too big to be sent as an attachment, has to be a link. I am going to try and make it work with the court associates, however in the event they can not seal and serve the order, do you have any recommendations? Is it possible to make the pictures smaller? Can it be served in two separate documents? Happy to help where needed.

Kind Regards,

Samantha Waite

Can I check whether you received my email below? I had a mail delivery failure notification from your email. In the event that it hasn't come through, please see below. I've now provided the links to the orders, rather than attachments in the hope that works.

Dear Samantha

I attach four revised orders which hopefully address the judge's concerns below. In respect of the judge's second query, I have altered the wording in para 3 below in the London City Airport draft order so that paragraph 1 reads: "The Knowles J Order shall remain in full force and effect, subject to the variations thereto set out in the schedule to this order (and subject to review, as provided for in paragraph 3 of the Knowles J Order)." The schedule to the order then contains the Knowles J order as varied with a new plan and paragraph 3 of the body of the order then requires the order to be served in accordance with paragraph 9 of the Knowles J Order, which dealt with service of the order.

Should I be able to assist further, please let me know.

Best,
Evie

Subject: Re: London City Airport Limited and ors -v- Persons Unknown

Dear Evie,

Thank you for sending these draft orders. The Judge has some queries I hope you can assist with,

1. Is it a good idea to have 10 orders, rather than 1 order in each of the 4 claims?
2. The London City Airport draft order para 2 refers to amending the claim form. Is it not necessary to refer to amending the plan attached to the Injunction? Does that give rise to a question of re-service?
3. The wording of para 1 of each order doesn't quite work. It needs to be made clear that the previous injunctions continue, which again may suggest a need for service. Compare the wording used in the order following the review in Valero Energy: "The Ritchie Order shall remain in full force and effect (subject to review, as provided for in paragraph 18 of the Ritchie Order)."

Thank you,

Kind Regards,
Samantha Waite
