Announcement of production discontinuation

Firstly, thank you for the continuous support in selling our products. Please be informed that MELSEC Q-Series MES Interface IT products will be discontinued. Mitsubishi Electric has already introduced successors: MELSEC iQ-R Series MES interface module with optional drivers (available shortly). Should the iQ-R MES module not support desired connection function, please consider MESUS 2.0 solution (MI1000 based). Please see the related presentation for more information or contact FA PMD Office.
