Announcement of production discontinuation

Firstly thank you for the continuous use of MELSEC-F products. Due to evolving regulatory requirements in the European market, particularly the Cyber Resilience Act, the FX2 and FX3 series and related extension modules will be discontinued in the EMEA region. These timelines apply only to EMEA and do not indicate a global discontinuation, this document outlines the affected models and relevant details.

| Materials to be discontinued | | Replacement Materials | |
|------------------------------|----------|-----------------------------------|----------|
| | | (not necessarily 100% compatible) | |
| Material Description | Material | Material Description | Material |

Phase Out Schedule

| | | |
|-----------------------------|-------------------|---|
| End of Life (EOL) | 19.06.2026 | <i>Date from which the discontinuation will become effective</i> |
| Last Time Buy (LTB) | 31.01.2027 | <i>Date until when last Purchase Order from customer is accepted by Mitsubishi Electric</i> |
| End of Service (EOS) | 19.06.2033 | <i>Date until support and service will be maximum available. If we are able, we are trying to repair a unit for a longer period. But this cannot be guaranteed.</i> |

Additional Information

The above listed materials are just the main standard materials. All corresponding options or non-standard materials for the target series are also in scope of discontinuation.

Customer Action Requested

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.

If you have further questions, please contact your regional sales representative
