

Production discontinuation of BH, BL, NV-L, Thyristor Protector, and accessories

We would like to inform that we will discontinue BH, BL, NV-L, Thyristor Protector, and accessories as follows.

**1. Types**

(1) Item

Series	Division	Discontinued model
BH	No-Fuse Switch	KB-K, KB-K100
BL	Safety Breaker	BL-1C, BL-2C (*1)
NV-L	Safety Breaker Type Earth Leakage Circuit Breaker	NV-L20***, NV-L21***, NV-L22** ,NV-L22*U
Thyristor Protector	Thyristor protection circuit breaker	SP50-K

(2) Accessories

Series	Division	Discontinued model	Applicable models
BL	Lock Covers	LC-NVL	BL-**, NV-L*****
NV-L	Terminal Covers	TC-NVL(AM)	NV-L*****
	IEC 35mm Rail Mounting Adapter	DIN-NVL	BL-**, NV-L*****

\*1: For BL-2C, both Fukuyama Model and MDI model will be discontinued.

**2. Reason for the change**

Due to the discontinuation of production of materials and electronic parts, the deterioration of production facilities, and the productivity improvement through standardization of specifications.

**3. Alternative model and the time of change**

(1) Item

Series	Division	Discontinued model	Alternative model	Order stop	Discontinuation
BH	No-Fuse Switch	KB-K	DSN63-CV	End of June 2026	End of September 2026
		KB-K100	DSN125-CV		
BL	Safety Breaker	BL-1C, BL-2C	(*2)		
NV-L	Safety Breaker Type Earth Leakage Circuit Breaker	NV-L20***	Nothing		
		NV-L21***	(*2)		
		NV-L22**	(*2)		
Thyristor Protector	Thyristor protection circuit breaker	SP50-K 2P/3P	NV30-FAU		
		SP50-K 1P	Nothing		
				End of March 2026	

(2) Accessories

Series	Division	Discontinued model	Alternative model	Order stop	Discontinuation
BL	Lock Covers	LC-NVL	LC05FA	End of June 2026	End of September 2026
NV-L	Terminal Covers	TC-NVL(AM)	TCS-05FA*		
		IEC 35mm Rail Mounting Adapter	DIN-NVL	Standard equipment for the NV30-FAU
