

VIP Customer Events

Personal Invitation

4th and 8th May 2023 | Mitsubishi Electric, Adolf-Dembach-Straße 22i, 47829 Krefeld

Welcome to Smart Factory Solutions Summit

4th and 8th May 2023 | Mitsubishi Electric Krefeld

Intro

F&B and Packaging industries meet Innovation

In this complex period for many global brand owners, made up of significant economic, social and environmental challenges, can also deliver a positive message, by offering the opportunity to transform obstacles into opportunities, by adapting and innovating.

In the coming years, experts see some key transformations on the packaging area which will be also boosted by E-commerce, Digital transformation of the manufacturing and the whole supply chain. Such changes will be supported by disruptive technologies where Mitsubishi Electric have been working such as IoT, Data science and robotic solutions...

At the Mitsubishi Electric VIP Customer Events held during Interpack, Senior Leaders from global Brand Owner will share their experience and their vision on the ***Future of Packaging*** and the impact of ***Digital transformation***.

We look forward to welcoming you to these exclusive presentations, which will be delivered in a relaxing atmosphere with great food and drinks !
