Announcement of production discontinuation

Firstly, thank you for your continued support in promoting and selling our products. Mitsubishi Electric has officially announced the discontinuation of the MELIPC series. Due to the lack of a direct successor, we recommend considering Nexcom devices as an alternative solution. These devices offer enhanced performance and features, providing customers with greater value and flexibility for future applications.

Materials to be discontinued		Replacement Materials (not necessarily 100% compatible)	
Material Description	Material	Material Description	Material
MI3321G-W	414698	IPPC 1611-C11-16GB-i5-M2-WIN11IOT	751821
MI3315G-W	414699	IPPC 2111-C11-16GB-i5-M2-WIN11IOT	751822

Phase Out Schedule

End of Life (EOL)	29.10.2025	<i>Date from which the discontinuation will become effective</i>
Last Time Buy (LTB)	30.09.2026	<i>Date until when last Purchase Order from customer is accepted by Mitsubishi Electric</i>
End of Service (EOS)	31.10.2031	<i>Date until service will be maximum available</i>

Additional Information

The above listed material are just the main standard materials. Unfortunately, there is no replacement model.

Customer Action Requested

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.
