Announcement of production discontinuation

Firstly, thank you for your continuous support in selling our LVS products.

Since its release, the optional unit for SD-Q Series: UQ-PL Indicator Lamp has sold successfully.

However, due to difficulties in maintaining production, we must announce its official discontinuation.

There is no replacement product after the discontinuation.

Materials to be discontinued		Replacement Materials	
		(not necessarily 100% compatible)	
Material Description	Material	Material Description	Material
UQ-PL DC24V	316131		

Phase Out Schedule

End of Life (EOL)	07.08.2025	<i>Date from which the discontinuation will become effective</i>
Last Time Buy (LTB)	31.07.2026	<i>Date until when last Purchase Order from customer is accepted by Mitsubishi Electric</i>
End of Service (EOS)	31.07.2033	<i>Date until support and service will be maximum available. If we are able, we are trying to repair a unit for a longer period. But this cannot be guaranteed.</i>

Additional Information

The above listed materials are just the main standard materials. All corresponding options or non-standard materials for the target series are also in scope of discontinuation.

Customer Action Requested

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.
