Announcement of production discontinuation

Firstly, thank you for the continuous use of our products. Since their release, the Robot Teaching Boxes R56TB and R57TB have sold successfully. However, as Mitsubishi Electric has already introduced successor - R86TB respectively, we have to announce their product discontinuation. The Teaching Box R86TB have been designed with greater performance and features and will offer customers more value.

Materials to be discontinued		Replacement Materials (not necessarily 100% compatible)	
Material Description	Material	Material Description	Material
R56TB	218854	R86TB	687249
R56TB-15	271449	R86TB	687249
R57TB	250485	R86TB	687249
R56TB-15	334299	R86TB	687249

Phase Out Schedule

End of Life (EOL)	01.08.2023	<i>Date from which the discontinuation will become effective</i>
--------------------------	-------------------	--

Last Time Buy (LTB)	29.02.2024	<i>Date until when last Purchase Order from customer is accepted by Mitsubishi Electric</i>
----------------------------	-------------------	---

End of Service (EOS)	31.09.2030	<i>Date until service will be maximum available</i>
-----------------------------	-------------------	---

Additional Information

The above listed material are just the main standard materials. Unfortunately, there is no replacement model.

Customer Action Requested

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.
