## Announcement of production discontinuation

Firstly thank you for the continuous support in selling our products. NZ2MHG-T8F2 Industrial Managed Switch will be discontinued as part of product linup review.

| Materials to be discontinued |          | Replacement Materials<br>(not neccessarily 100% compatible) |          |
|------------------------------|----------|-------------------------------------------------------------|----------|
| Material Description         | Material | Material Description                                        | Material |
| NZ2MHG-T8F2                  | 298510   | NZ2MHG-TSNT8F2                                              | 611543   |

## Phase Out Schedule

|                             |                   |                                                                                                                                                                            |
|-----------------------------|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>End of Life (EOL)</b>    | <b>17.07.2026</b> | <i>Date from which the discontinuation will become effective</i>                                                                                                           |
| <b>Last Time Buy (LTB)</b>  | <b>31.01.2027</b> | <i>Date until when last Purchase Order from customer is accepted by Mitsubishi Electric</i>                                                                                |
| <b>End of Service (EOS)</b> | <b>31.03.2034</b> | <i>Date until support and service will be maximum available.<br/>If we are able, we are trying to repair a unit for a longer period.<br/>But this cannot be guaranteed</i> |

## **Additional Information**

The above listed material are just the main standard materials. Unfortunately, there is no replacement model.

## **Customer Action Requested**

Mitsubishi Electric will accept customer orders for the above mentioned EOL materials through LTB. They cannot be cancelled. Orders after the LTB date will not be accepted. The order can be scheduled with different delivery dates after LTB.

## **If you have further questions, please contact your regional sales representative**
