PART A – TERMS AND CONDITIONS OF THE SHARE DEALING SERVICE

THE PRICE AND VALUE OF INVESTMENTS AND ANY INCOME FROM THEM CAN GO DOWN AS WELL AS UP. PAST PERFORMANCE IS NO GUIDE TO FUTURE PERFORMANCE. IT IS ENTIRELY YOUR DECISION WHETHER OR NOT TO CONDUCT A TRANSACTION USING THIS SHARE DEALING SERVICE. IF YOU HAVE ANY DOUBT ABOUT THE ACTION THAT YOU SHOULD TAKE, IT IS RECOMMENDED THAT YOU CONSULT YOUR OWN STOCKBROKER, LAWYER, ACCOUNTANT OR OTHER INDEPENDENT PROFESSIONAL ADVISER.

Introduction

- Persons who wish to sell their Shares through this Share Dealing Service may only do so on these Terms. The Share Dealing Service is operated by OMLACSA and OMIGNAM (as the context requires). The following Terms constitute a legally binding agreement between OMLACSA or OMIGNAM (as the context requires) and you. These Terms will come into effect with OMLACSA or OMIGNAM (as the, context requires) when the Share Dealing Service accepts your instructions to sell your Shares. You may use the Share Dealing Service to sell Shares held on your behalf in a Nominee Account.

All telephone calls between you and the Share Dealing Service will be recorded for your protection.

Instructions

You acknowledge that prices may fluctuate from the time you give your instructions on the telephone until the time of the sale of your Shares ("**Sale**").

- You may give instructions to sell some or all your Shares by telephone when the telephone service is operational. You may not give instructions by any other means, including, without limitation, post, fax, e-mail, photocopied forms or through the internet.
 - All telephone instructions to sell Shares can be given by contacting the Share Dealing Service on the relevant telephone number at the details set out in Part D between 8.00 a.m. and 4.30 p.m. on a business day in South Africa and Namibia (as the case may be). The Share Dealing Service reserves the right to alter the hours during which instructions may be given.
 - You may sell all or part of your Shares by telephone in any single Sale.
 - The Share Dealing Service may, in its absolute discretion, refuse to carry out any instruction given by you. If documentation has not been completed correctly in accordance with the instructions on the document, is incomplete or is not accompanied by an appropriate power of attorney or other authority where required, all documentation may be returned to you without action. The Share Dealing Service will not carry out any instructions to sell Shares unless it is satisfied that you have been recorded as the Underlying Shareholder of the Shares in the Nominee Register.
 - The Share Dealing Service will endeavour to inform you if an instruction will not be carried out, unless it considers that it has good reasons for not doing so. The Share Dealing Service will not be liable to you if it refuses to carry out any instruction or if it does not inform you of this and considers that it has good reasons for not doing so.
 - You may only use the Share Dealing Service if you are an Underlying Shareholder whose Shares are registered through the Nominee Account on the Company's South African principal share register or Namibian branch share register. If your instruction is submitted to the Share Dealing Service by another person on your behalf, you will only be entitled to use the Share Dealing Service if the original of the relevant power of attorney or other appropriate authority (or a complete copy thereof certified by a Commissioner of Oaths) has been received by the Share Dealing Service.

- (f) All instructions given by you are irrevocable.
- (g) (i) Limit orders will not be accepted. This means that you will not be able to give instructions that your Shares will only be sold at a price at or above a specified price of your choosing.
- (ii) Raise orders will not be accepted. This means that you will not be able to give instructions that the Share Dealing Service should sell that number of your Shares which will result in you receiving Sale proceeds of, or in excess of, a specified amount.
- (h) Instructions to carry out more than one transaction will be treated as separate transactions.

Representations, warranties and undertakings

3. (a) By submitting an instruction to the Share Dealing Service to sell Shares you represent and warrant when you submit an instruction and when the Sale is executed that (i) you have not sold or purported to sell any of your Shares or any interest in any of your Shares to any third party; (ii) your Shares will be sold free from all liens, charges or other third party rights or any encumbrance of any kind; (iii) you are entitled or authorised to sell your Shares; (iv) the Sale of your Shares will not constitute a breach by you of any applicable law or regulation and; (v) you have the capacity and the authority to submit the instruction and sell the Shares.
- (b) You irrevocably undertake that you will do, or procure to be done, all acts and things, and execute or procure the execution of all such documents as the Share Dealing Service may from time to time require for the purpose of a Sale.

Execution

4. (a) The Share Dealing Service will be operated on an "execution only" basis. This means that the decision whether or not to sell your Shares is entirely your own decision. The information contained in these Terms is not, and should not be construed as, an express or implied recommendation, guide or proposal that any particular transaction in respect of the Shares or in relation to the business or future investments of the Company, is appropriate to the particular investment objectives, financial situations or needs of a prospective investor, and nothing in these Terms should be construed as constituting the canvassing for, or marketing or advertising of, financial services in Namibia or South Africa.
- (b) The selling of Shares through the Share Dealing Service will be executed by a stockbroker appointed by the Share Dealing Service. By submitting an instruction to the Share Dealing Service you irrevocably authorise the Share Dealing Service to appoint a stockbroker to sell your Shares on behalf of the Share Dealing Service on the basis that:
 - (i) the Share Dealing Service will instruct the stockbroker to obtain the best price reasonably available in the market at the time of dealing. If no such price can be ascertained, the stockbroker will take reasonable care to carry out your Sale at a price which is fair and reasonable; and
 - (ii) OMLACSA or OMIGNAM (as the context requires) shall, to the exclusion of all others including yourself, be entitled to bring any action, suit or proceedings ("**Actions**") against the stockbroker arising out of or in connection with a Sale. OMLACSA or OMIGNAM (as the context requires) shall, in its sole discretion, determine the manner, scope and nature of any such Actions to be brought against the stockbroker. By submitting an instruction to the Share Dealing Service you waive your rights in respect of any such Actions.
- (c) The stockbroker may aggregate your Sale with those of other Shareholders selling their Shares through the Share Dealing Service but may not aggregate the Sale with any other clients of the stockbroker. This may operate to your advantage or disadvantage as a more or less favourable price may be obtained than if your Shares were dealt with alone. Any aggregation of Sales will be in accordance with the rules of the JSE or the Namibian Stock Exchange (as the context requires).
- (d) (i) If the Sale of your Shares is aggregated with other Sales, the price per Ordinary Share you receive will be the total proceeds of all aggregated transactions in the relevant period less all costs of the transactions divided by the number of Shares sold in the transactions.
- (ii) If your Shares are not aggregated with other Sales, the price you receive for your Shares will be the price at which they were sold in the relevant period less all costs of the Sale.
- (iii) The Sale proceeds payable to you in respect of a Sale will be rounded down, where necessary, to the nearest whole unit of the relevant currency. Fractions of the relevant currency unit will be aggregated and paid to the Share Dealing Service.
- (e) Subject to the Shares being released from the relevant unclaimed shares trust (if applicable), instructions received by the Share Dealing Service will be dealt with on the trading day immediately following the trading day on which they are received and, failing that, as soon as reasonably possible thereafter and in any event in priority to instructions processed at a later time.
- (f) Each Share which is aggregated with other Shares being sold through the Share Dealing Service in any relevant period will only be treated as sold when it is actually sold by the Share Dealing Service.

5. (a) All orders executed through the Share Dealing Service are subject to the following charges:
 - (i) a service fee for each Sale, as published from time to time by the Share Dealing Service and notified to you and/or indicated on the Company's website; and

- (b) The Share Dealing Service will, subject to applicable exchange control law and regulation, pay you or invest on your behalf (as the context requires) the proceeds of a Sale by electronic funds transfer in accordance with your instructions given on the telephone and accepted by the Share Dealing Service.
- (c) The Share Dealing Service will pay to you or invest on your behalf the proceeds of a Sale 6 business days in South Africa and Namibia (as the case may be) after the Sale is effected or as soon as reasonably possible thereafter provided the correct documentation has been received by the Share Dealing Service or appropriate instructions have been given on the telephone by you to the Share Dealing Service and the Share Dealing Service has verified the instructions to its satisfaction.
- (d) An advice note will be sent to you in respect of each Sale 6 business days in South Africa and Namibia (as the case may be) after the Sale is effected or as soon as reasonably possible thereafter. The Share Dealing Service shall not be liable for the delays that may be caused as a result of the verification process.
- (b) The Share Dealing Service may employ agents on such terms as it thinks fit provided that the Share Dealing Service ensures that such agents are competent and comply with these Terms in connection with the Share Dealing Service.

By submitting an instruction to the Share Dealing Service you consent, where applicable, to the stockbroker acting as principal for its own account.
- (g) Some or all of these Terms may be varied or supplemented by the Share Dealing Service at any time without giving notice to you. No variation will affect any valid outstanding instructions or any legal rights or obligations which are in existence before the variation.
