1.5 The country-specific provisions set forth in Appendix 1 are hereby incorporated into these Terms and Conditions. In the event of a conflict between a term in a Purchase Order, the country-specific provisions and these Terms and Conditions, the term in the document first mentioned shall prevail.

2. Formation, amendment, and termination of the Agreement

- 2.1 These Terms and Conditions apply to each Purchase Order and any additional or different terms proposed by Supplier (including any general terms and condition of sale by Supplier) that the Supplier seeks to impose or incorporate are expressly rejected, regardless of whether the Supplier refers to those terms in a request for a quotation, other communication addressed to Wavin or otherwise, and shall not be binding upon Wavin unless expressly accepted in writing by Wavin's authorized representative with specific reference to those terms.

- 2.3 In the event of apparent errors, incompleteness of or inconsistencies in a quotation or Purchase Order, Supplier must inform Wavin accordingly before starting the execution or supply thereof. The consequences of failure to do so shall be entirely at the Supplier's expense and risk.
- 2.4 Wavin shall not be obliged to conclude an agreement with the party quoting the lowest price. Furthermore, Wavin shall not be required to provide information on whether or not it concludes an agreement with parties other than the Supplier. If no Agreement is formed, all the information which Wavin provided to the Supplier must be returned to Wavin free of charge if the latter so requests and any information supplied shall be deemed Confidential Information under these Terms and Conditions.
- 2.5 An Agreement shall only come into force if Wavin accepts a quotation or Purchase Order by confirming this in writing.

3. Warranties

- 3.1 The Performance to be delivered by the Supplier must comply with:
 - (a) the description and/or the specification in accordance with the Agreement;
 - (b) the reasonable expectations which Wavin may hold as regards (inter alia) the characteristics, quality and/or reliability pursuant to (inter alia) regulations and requirements of good workmanship, these Terms and Conditions, the Agreement and the description(s) in the offer or quotation concerned;
 - (c) the requirements and workmanship applying to the relevant sector;
 - (d) the timetable and/or execution schedule issued or (tacitly) approved by Wavin;
 - (e) the requirement that the persons to be involved by the Supplier are suitable for their duties;
 - (f) the requirement that the costs of (obtaining) the permits required for the execution of the Agreement are included;
 - (g) the requirement that the costs of the drawings and other preparatory activities and/ or development activities to be carried out pursuant to the Agreement are included.
- 3.2 The Supplier shall not be allowed to conclude direct agreements with the client(s) (customers) of Wavin for whom it purchases the Products under an Agreement.
- 3.3 Supplier shall comply to the most recent version of the Wavin Supplier Code of Conduct which is published at www.wavin.com. Upon request of Supplier, Wavin shall send a copy.

4. Delivery times

- 4.1 The delivery times agreed with regard to (parts of) the Performance to be delivered by the Supplier shall be binding. If these delivery times are exceeded, the Supplier shall automatically be in default under the Agreement without notice of default being required to that effect.
- 4.2 For each calendar day by which the aforesaid delivery times are exceeded, the Supplier shall pay to Wavin an amount of 0.5% of the total sum agreed with a maximum of 10%, which is a genuine pre-estimate of the losses incurred by Wavin.
- 4.3 The Supplier shall always be obliged to provide Wavin in time, and in all cases within 24 hours after the Supplier became aware of this or should reasonably have foreseen this, with adequate and written notification of its impending failure to meet the delivery time. Execution of the Agreement in partial deliveries shall require Wavin's prior written consent. If Wavin so requests, the Supplier shall be obliged to submit a written production or execution schedule and/or to cooperate in progress monitoring.

5. Amendments, contract variations

- 5.1 Wavin shall be entitled to amend the scope and nature of the Performance to be delivered at its convenience. The Supplier must report the amendments necessary to that end in time, and in any case within eight calendar days of the request, to Wavin in writing. In addition, the Supplier undertakes to execute without delay the amendments required by Wavin, for example in drawings, models, instructions, specifications and activities.

- 5.2 If, in the Supplier's view, an amendment referred to in Paragraph 1 affects the agreed price, the performance of the Agreement and/or the delivery times, the Supplier, before making the amendment, shall inform Wavin of this in writing as soon as possible, but in all cases within eight calendar days of the request to that end or as much earlier as Wavin explicitly stated as the response period in such a request for amendment. If Wavin does not accept these effects on the price, the performance of the Agreement and/or delivery times reported by the Supplier, Wavin shall have the right to revoke the amendment. If the amendment requested by Wavin is required for Wavin to comply with applicable laws, and Wavin does not accept the effects on the price, the performance of the Agreement and/or delivery time, Wavin may terminate the Agreement. Termination pursuant to this paragraph shall not entitle either Party to claim compensation of any damage.
- 5.3 If the Supplier has not reported any effects as referred to in Paragraph 2 within the timeframes indicated, the Supplier shall be deemed to agree to the requested amendment(s) and the right to any compensation or other changes in this connection shall lapse. In case of price reductions due to the requested amendment(s), Wavin shall be entitled to a pro rata reduction of the price.

6. Price

- 6.1 The agreed price shall be fixed and binding. The price cannot be increased as a result of changes in circumstances and factors that are not attributable to Wavin, such as exchange rates, rise in energy prices, freight rates, import or export duties, excise duties, levies and other taxes, prices of raw materials or semi-finished products, wages and other services owed by the Supplier to third parties.
- 6.2 Unless the Supplier proves the contrary, the price shall also be deemed to include:
- (a) import duties, excise duties, levies and taxes (with the exception of VAT);
 - (b) charges and other levies or costs incurred when applying for the permits required for the Performance;
 - (c) fees for the use of intellectual and industrial property rights, including any software;
 - (d) all costs relating to or arising from the delivery of the agreed Performance;
 - (e) the costs of packaging, transport, storage, insurance, premiums, installation and putting into operation on location. This also applies to goods made available by Wavin in the execution of the Agreement;
 - (f) all other costs borne by the Supplier pursuant to the Agreement;
 - (g) all that is necessary for the proper execution of the Agreement, taking account of the applicable standards, regulations and requirements of good workmanship, even if these were not expressly mentioned in the Agreement.

7. Invoicing and payment

- 7.1 The Supplier shall not invoice the amounts owed by Wavin any earlier than on the earlier of the date of the delivery of the Performance or the date on which the Performance was accepted by Wavin. If the Agreement was implemented completely and correctly, Wavin shall pay the invoiced amount within 60 days of receiving and approving the invoice, unless otherwise agreed in writing between the Parties. Payment shall not be deemed acceptance of the Performance delivered and shall not release the Supplier of any obligation towards Wavin. Only invoices mentioning the Purchase Order number will be accepted by Wavin.
- 7.2 If the information which the Supplier must (periodically) submit to Wavin for the execution of the Agreement and/or the agreed security has not been received, or not in the correct form, Wavin may suspend the payment of invoices. The same applies if the documents referred to in Paragraph 6 are lacking or have not been signed.
- 7.3 Wavin shall be entitled to offset amounts it owes against amounts it can claim from the Supplier. The Supplier shall not be entitled to offset amounts it owes against amounts it can claim from Wavin.
- 7.4 Any invoices which Wavin receives more than six months after the delivery of the Products or the date on which Wavin accepted the Performance shall not be accepted. The Supplier's entitlement to payment of these invoices shall lapse through the mere expiry of that period.
- 7.5 If Wavin has valid reasons to assume that the Supplier is insufficiently solvent to deliver the agreed Performance in full, Wavin shall be entitled to suspend payment until the Agreement has been implemented in full or until a solvent party has provided sufficient security for compliance, which shall be exclusively at Wavin's discretion.
- 7.6 In the dated and numbered invoices, the Supplier shall in any case state the following details in a clear and orderly fashion. If these details are lacking, any payment obligation on Wavin's part may be suspended until this information is stated correctly:
- (a) Wavin's contract number (purchase number) and that of the Supplier relating to the Agreement;
 - (b) the Supplier's name, address and place of residence or business;
 - (c) the period and the Performance delivered to which the invoice relates;

- (d) a reference to the “VAT reverse charge mechanism” if this applies to the Agreement. The same applies to the amount of VAT;
- (e) the Supplier’s complete bank details;
- (f) the wage costs, if applicable;
- (g) the confirmation note and/or time sheets signed by Wavin;
- (h) The Supplier’s Chamber of Commerce registration number and VAT number.

7.7 If Wavin owes interest to the Supplier, this interest shall be simple and equal to the six-month Euribor rate increased by a surcharge of 100 basis points. This shall be based on the one-month rate applicable on the due date of the invoice. No compound interest shall be paid.

7.8 If Wavin exceeds a payment term or does not pay an invoice, the Supplier shall not be entitled to terminate or suspend the agreed Performance.

8. Duty of disclosure, checks, approval and consent

8.1 The Supplier shall inform Wavin immediately and in writing of any circumstance that is likely to affect or prevent the execution of the Agreement. Wavin shall be entitled, at its reasonable discretion and at the Supplier’s expense, to take necessary and reasonable measures and/or demand amendment of the Agreement in order to prevent disadvantages or damage as a result thereof. In addition, Wavin may on these grounds terminate the Agreement. The foregoing shall also apply if Wavin suspects on other reasonable grounds that such a circumstance exists.

8.2 Wavin shall have the right but not the obligation to check the manner in which the Supplier implements the Agreement. To this end, Wavin may take all reasonable measures which Wavin considers necessary, such as inspecting the locations where the Performance is executed wholly or in part (whether or not accompanied by experts) and checking or auditing the Supplier’s accounts with regard to the execution of the Agreement.

9. Material failure

9.1 Every material failure in the (timely) fulfilment of the Supplier’s obligations shall give Wavin the right to terminate the Agreement in accordance with clause 12.2.

10. Remedies guarantees and Product Warranty

10.1 Any faulty Performance shall be rectified immediately at the Supplier’s expense, or shall be carried out or delivered again by the Supplier free of defects, without prejudice to Wavin’s right to claim damages and other compensation under applicable law. In case of failure of (timely) fulfilment by the Supplier of its obligations to rectify such faulty Performance, Wavin shall be entitled to assign such performance to another supplier at the risk and the costs of Supplier. If the Products supplied or the result of the Services or Works provided should be wholly or partly lost or appear to be unsuitable for the purpose for which they are intended within the statutory time limit, this shall be regarded as the result of failure in the execution of the Agreement, unless the Supplier proves the contrary.

10.2 Any warranty agreed shall remain without limiting any right of Wavin’s under the law in the event of any failure in the execution of the Agreement. If the Supplier fails in the execution of the Agreement, Wavin, in urgent cases, for example in which the repair of the defect cannot reasonably be postponed, or in cases in which it must reasonably be assumed that the Supplier cannot or will not arrange the repair or replacement, or cannot or will not do so properly or in time, shall have the right to carry out the repair or the correct execution, or arrange for this to be done, at the Supplier’s expense. Whether a case is urgent shall be exclusively at Wavin’s reasonable discretion. In such urgent case, no notice of default is required and the Supplier shall be deemed to be in default by sole operation of law. If it should afterwards appear that the situation was not urgent, this shall not affect the operation of this provision.

10.3 Supplier’s Products are warranted to be free from defects in material and workmanship, for the period of 24 months from the date of shipment.

10.4 If Wavin is of the opinion that it reasonably needs to take action to prevent further damages (for example by executing a product recall) Wavin shall be entitled to compensation by Supplier of all connected costs.

11. Suspension

11.1 Wavin shall be entitled to oblige the Supplier to suspend the execution of the Agreement for reasons of Wavin’s own reasonable discretion for the duration of a period to be specified by Wavin. Wavin shall reimburse the actual direct and reasonable costs demonstrably incurred as a result thereof by the Supplier, unless the suspension is attributable to the Supplier. No further damages or other compensation shall be paid to Supplier.

11.2 The Supplier shall be obliged to keep the costs arising from such a suspension to a minimum by taking appropriate effective measures.

12. Termination of the Agreement

12.1 Without prejudice to the other provisions regarding (early) termination, Wavin may terminate the Agreement immediately in the following cases:

- (a) if the Supplier or the party that guaranteed the Supplier's obligations or provided security applies for a provisional moratorium. The same applies if the Supplier is declared insolvent, is wound up voluntarily or involuntarily, ceases substantial business activities, decides to wind up its business, or files a winding-up petition or applies for a moratorium;
- (b) if there are changes in the Supplier's direct or indirect shareholders, insofar as this, in Wavin's reasonable opinion, entails a considerable increase in risks for Wavin;
- (c) if an attachment is made against the Supplier or if the Supplier's assets are threatened with attachment or other judicial measures;
- (d) the Supplier is involved in any fraudulent, misleading and/or unlawful activities;
- (e) Wavin has legitimate reasons to believe that Supplier adversely affects the reputation, good name or goodwill of Wavin or Wavin's products.

In those cases, a notice of default shall not be required and the Supplier shall be deemed to be in default by sole operation of law.

12.2 Without prejudice to the other provisions regarding (early) termination, Wavin may terminate the Agreement immediately if the Supplier is in breach and failed to remedy the breach within 30 days after having received a notice of default requiring it to remedy the breach, unless the breach is incapable of being remedied (in which case Wavin may terminate the Agreement immediately and without remedy period).

12.3 Wavin shall be entitled, in addition to the cases that may be specifically mentioned in the Agreement, to terminate the Agreement prematurely at any time without specifying the reasons for termination taking into account a notice period of three (3) months.

13. Intellectual property rights

13.1 Intellectual property rights developed under or in connection with the execution of this Agreement by the Supplier, including – where applicable – patent rights and rights in software, shall be vested exclusively in Wavin. The Supplier hereby assigns and transfers, in advance, such intellectual property rights to Wavin, without any further compensation for such assignment and transfer being due.

13.2 The Supplier guarantees that the Products and Services to be supplied do not infringe intellectual property rights or any other right of third parties. The Supplier shall indemnify Wavin against all third-party claims that are based on any (alleged) infringement of such rights and shall compensate Wavin for all damage sustained as a result thereof and for the costs of putting up a defense against such a claim.

13.3 If the assignment and transfer referred to in Paragraph 1 is not possible, the Supplier shall grant Wavin a worldwide, exclusive, perpetual, assignable, royalty-free, fully paid up, and irrevocable license with the right of sublicensing (through multiple tiers of sublicensees) in respect of such intellectual property rights regarding the Products or Services to be supplied by the Supplier. The fee for this license shall be deemed included in the agreed price. Wavin may enter the license in the appropriate registers or arrange for this to be done, in which the Supplier shall cooperate as required. If a deed or other document or assistance is required by Wavin for the transfer of intellectual property rights as referred to in Paragraph 1 or the grant of a license as referred to in the present paragraph, the Supplier shall cooperate without reservation.

13.4 The Supplier shall inform Wavin immediately if third parties (are about to) infringe Wavin's intellectual property rights.

14. Secrecy and Data Protection

14.1 Each Party shall comply with all applicable data protection laws. Unless agreed otherwise by the Parties, Supplier or its subcontractors will not process information relating to any identified or identifiable natural persons for Wavin or on Wavin's behalf.

15. Confidentiality

15.1 "Confidential Information" means the terms of the Agreement and all non-public information, technical data or know how in whatever form and materials (including samples) concerning the business, Products, Services and/or activities of Wavin and/or its affiliates disclosed or made available to the Supplier in relation to the Agreement, whether orally or in writing, in electronic or other form, and whether or not marked as proprietary or confidential, and any information derived from the Confidential Information; provided that Confidential Information does not include information (i) known to the Supplier at the time of disclosure or rightfully obtained by the Supplier on a non-confidential basis from a third party; (ii) that is now, or hereafter becomes, through no act or failure to act on the part of the Supplier, generally known in the public; or (iii) that is independently developed by the Supplier without reliance on the Confidential Information, in each case as shown by contemporaneous documentary evidence. The Supplier shall not use the Confidential Information except for the purpose of exercising its rights or performing its obligations under the Agreement (the "Purpose"). The Supplier shall not disclose the Confidential Information to any third party except its employees and agents who have a need to know such information for the Purpose and who are bound by written nondisclosure obligations at least as stringent as those contained in the Agreement. The Supplier shall not reverse engineer any

Confidential Information, including any samples, without permission of Wavin. The Supplier shall take reasonable, prudent safeguards to prevent the use or disclosure of Confidential Information in violation hereof. The Supplier shall be responsible for the obligations of its employees and agents under the Agreement and the Supplier assumes liability for damages arising from any breach of this Agreement by its employees and agents, that would be a breach of this Agreement if committed directly by the Supplier, including without limitation, unauthorized use of Confidential Information. Upon Wavin's request, the Supplier shall promptly return all copies, whether written, electronic, or other form, of any such Confidential Information, or delete and destroy Confidential Information in a secure manner. Notwithstanding the foregoing, the Supplier may retain one copy of the Confidential Information for records management purposes, or copies in enterprise-wide archival back-up systems. Notwithstanding the destruction or retention of the Confidential Information, the Supplier shall continue to be bound by its obligations of confidentiality hereunder. In the event the Supplier is required to disclose any Confidential Information by order of a court or any government agency, by law, regulation, judicial or administrative process, the Supplier shall: (a) give prior written notice of such disclosure to Wavin, if legally permitted; (b) reasonably cooperate with Wavin, at Wavin's request and expense, to resist or limit such disclosure or to obtain a protective order; and (c) in the absence of a protective order or other remedy, disclose only that portion of the Confidential Information that is legally required to be disclosed in the opinion of counsel and assure that confidential treatment will be accorded the disclosed information. Following termination, the obligations of the Supplier under this Agreement with respect to the Confidential Information will continue in full force and effect as follows: (i) in the case of any Confidential Information that constitutes a trade secret within the meaning of Applicable Law, for as long as such information remains a trade secret; or (ii) in the case of any other Confidential Information or materials, for a term of five (5) years from the date of disclosure. Wavin shall be entitled to injunctive relief for any breach or threatened breach of this provision without the requirement of posting bond or proving damages.

16. Force majeure

- 16.1 Neither Party shall be liable to the other, nor considered in breach or default of its obligations under the Agreement, to the extent performance of such obligations is delayed or prevented, directly or indirectly, due to causes beyond the impacted Party's reasonable control, including but not limited to: (a) natural or man-made disasters, acts of God, fire, severe weather conditions, earthquake, strikes or other labor disturbances, flood, serious risk of kidnapping, war (declared or undeclared), regional, national or international calamities, civil unrest, or riot (all the foregoing defined as "Force Majeure"); and (b) in the case of Wavin, acts or omissions of Supplier, including failure to timely provide Wavin with any access, information, tools, material including raw materials, and approvals necessary to permit Wavin group to timely perform the required activities, shall also qualify as Force Majeure in favor of Wavin. The impacted Party shall promptly notify the other Party in the event of a delay under this clause. The delivery or performance dates shall be extended for a period equal to the time lost by reason of such delay, plus such additional time as may be reasonably necessary to overcome the effect of such delay. Supplier also represents and acknowledges that its experience and/or abilities are such, that it will meet its obligations even in cases of Force Majeure to the maximum extent possible and as permissible under Applicable Law.
- 16.2 If a delay arising through circumstances set out in this clause extends for more than 30 (thirty) days and the Parties have not agreed upon a revised basis for resuming work, then either Party (except where such delay is caused by the Supplier, in which event only Wavin), upon 10 (ten) days' written notice may terminate the Agreement.

17. Transfer, third parties

- 17.1 The Supplier shall not be entitled to transfer, pledge or entrust the execution of the Agreement either wholly or in part to third parties without Wavin's prior consent, which consent shall not be withheld on unreasonable grounds.
- 17.2 The Supplier shall be fully responsible for any performance by third parties in the execution of the Agreement, as if this were its own Performance. The Supplier guarantees that (sub-)suppliers and third parties will comply with the Agreement, these Terms and Conditions and all other regulations and provisions declared applicable by Wavin.

18. Liability and limitations of liability

- 18.1 The Supplier shall be liable for any damage directly or indirectly resulting from non-performance, late performance or improper performance of the Agreement or from the breach of any contractual or non-contractual obligation towards Wavin or third parties. For the purpose of this clause, third parties shall also include Wavin staff, third parties engaged directly or indirectly by Wavin or their staff.
- 18.2 Inspection, purchase and/or payment by or on behalf of Wavin shall not release the Supplier from any obligation or liability.
- 18.3 **SPECIAL OR CONSEQUENTIAL LOSSES.** THE REMEDIES PROVIDED IN THIS AGREEMENT SHALL BE THE SOLE AND EXCLUSIVE REMEDIES OF SUPPLIER (INCLUDING THIRD PARTY CLAIMS). WAVIN SHALL NOT BE LIABLE TO SUPPLIER FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY NATURE SUCH AS (BUT NOT LIMITED TO), DELAY DAMAGE, DAMAGE DUE TO BUSINESS INTERRUPTION, LOST PROFITS, LOST SAVINGS, LOST REVENUE, MISSED OPPORTUNITIES, LOSS OF GOODWILL, LOSS OF DATA,

REPUTATIONAL DAMAGES OR FORFEITED PENALTIES OR FINES, WHETHER OR NOT SUCH DAMAGES ARE BASED ON TORT, WARRANTY, CONTRACT OR ANY OTHER LEGAL THEORY.

18.4 **TOTAL LIABILITY.** WAVIN'S TOTAL LIABILITY UNDER OR IN CONNECTION WITH THE AGREEMENT FOR CLAIMS OF ANY KIND (INCLUDING THIRD PARTY CLAIMS) WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE ARISING OUT OF THE PERFORMANCE/NON-PERFORMANCE OR BREACH OF THE AGREEMENT, INCLUDING ANY OTHER COMPENSATION UNDER THE AGREEMENT, OR THE PROVISION OF ANY PRODUCTS OR SERVICES SHALL NOT EXCEED THE AMOUNT PAID OR PAYABLE FOR THE SPECIFIC PRODUCT OR SERVICE THAT GIVES RISE TO THE CLAIM.

18.5 **WILLFUL MISCONDUCT.** THE LIMITATIONS AND EXCLUSIONS SET FORTH ABOVE IN THIS CLAUSE SHALL ONLY APPLY TO THE EXTENT PERMITTED BY APPLICABLE MANDATORY LAW AND SHALL NOT APPLY IN CASE OF WILLFUL INTENT OR DELIBERATE RECKLESSNESS OF SUPPLIER OR ITS MANAGEMENT.

19. Insurance

19.1 The Supplier shall be obliged to take out and retain adequate insurance at its own expense for its liability in the widest sense of the word towards Wavin and third parties with regard to the obligations and risks ensuing from the Agreement. Such liability shall include professional liability, product liability and third-party (strict) liability. At Wavin's request, the Supplier shall be obliged to submit within ten (10) working days an insurance certificate and evidence of the insurance premiums having been paid.

19.2 The Supplier undertakes to assign all claims relating to payment(s) of insurance money to Wavin – immediately after having been held liable by Wavin – if the latter so requests.

20. Applicable law, dispute settlement; export controls and boycotts

20.1 The Agreement shall be governed by and construed in accordance with the applicable laws of the jurisdiction in which Wavin entity was incorporated, excluding in any case conflict of law rules. The Parties acknowledge and agree that the applicability of the United Nations Convention on Contracts for the International Sale of Goods (often referred to as the Vienna Sales Convention) is expressly excluded.

20.2 Any dispute or claim arising out of or in connection with the Agreement or its subject matter or formation (including non-contractual disputes or claims) shall be subject to the exclusive jurisdiction of the competent courts in the jurisdiction and district where the Wavin entity that entered into the Agreement is incorporated and the Parties hereby irrevocably submit to the exclusive jurisdiction of those courts for these purposes.

20.3 Nothing in the Agreement is intended, and nothing herein should be interpreted or construed, to induce or require either Party to act in any manner which is inconsistent with, penalized or prohibited under any applicable laws, regulations or decrees applicable to such Party which relate to foreign trade control, export controls, embargos or international boycotts of any type.

20.4 Supplier agrees to comply with all applicable export laws and regulations, including those of the United States and of the United Kingdom, to ensure Products, parts, and technology not used, sold, disclosed, released, transferred, or re-exported in violation of such laws and regulations. Supplier shall not directly or indirectly export, reexport, or transfer any items or technology sold to Wavin under the Agreement to: (a) any country designated under Applicable Law as a "State Sponsor of Terrorism" howsoever described; (b) any person or entity listed on a blocked, embargoed or prohibited list maintained by a competent authority under Applicable Laws; or (c) an end-user engaged in any nuclear, chemical, or biological weapons activities. If Products or Services to be exported outside the U.S. and/or EU, or other jurisdictions where laws require "dual use" statements, are considered or likely to be considered as "dual use", Supplier shall (or shall cause the end user of the Products/Service) provide to Wavin, promptly upon its request, an "End User Statement" in accordance with the applicable legal requirements. Wavin shall not be liable to Supplier for any delay and shall not be in breach of its obligations in the event of Supplier's failure or delay in providing such statement.

20.5 Notwithstanding any other provision of the Agreement, the Parties shall at all times comply with all Applicable Law in the performance of the Agreement.

II SALE AND SUPPLY OF PRODUCTS

If the Agreement concluded between Wavin and the Supplier also covers the supply of Products, the following provisions shall apply in addition to the above provisions (clauses 1 to 20 inclusive). In the event of conflict between the above provisions and the following provisions, the latter shall prevail insofar as they concern the supply of Products.

21. Quality and description of the Products to be supplied

21.1 The Products to be supplied (and their production process) must:

- (a) be in agreement with what is stated in the Agreement in terms of quantity, description and quality;
- (b) in all respects correspond to and comply with the specifications declared applicable and the samples and examples shown;
- (c) be accompanied by the necessary instructions to Wavin or the latter's staff, so that they can use the Products independently;
- (d) be made of sound new materials and be well constructed;
- (e) be fit and ready for the purpose for which they are intended;

- (i) bear a type, serial and machine number and an indication of the country of origin in the form of an adequate mark applied by the manufacturer or importer. If this is not possible, the packaging of the supplies shall bear such marks;
- (j) be accompanied by an invoice to Wavin which also states the names of the manufacturer and the importer, as well as the type and production number, if this involves a party other than the Supplier.

21.2 Supplier shall at any time during the Agreement ensure that all substances (in its own, or as an ingredient in preparations or in articles) as defined in the Reach regulation (published at www.echa.europa.eu) delivered to Wavin are (pre)registered at and authorized by ECHA in due times according to the REACH regulation to the extent such regulations apply to the Products delivered pursuant to this Agreement. Upon request Supplier shall provide proof thereof. Supplier shall ensure that Wavin's use of the delivered substances is included in any registration and request for authorization at ECHA and in the Safety Data Sheets and Exposure Scenario's belonging to substances (in itself, in preparations or in Products) delivered to Wavin. Supplier guarantees that the delivered Products shall not contain SVHC as defined in the Reach regulations above 0,1 % in weight. In case Supplier decides to terminate the sale of a certain substance (in its own, or as an ingredient in preparations or in articles) delivered to Wavin, Supplier shall inform Wavin beforehand with a six months written notice. In case Supplier decides no longer to include a certain substance in a preparation or a Product delivered to Wavin without notifying Wavin, Supplier warrants this shall not be of any influence of the quality of the preparation and/or the Product. 22.1 Wavin shall be entitled to subject the Products to be supplied to inspections, tests and checks (hereinafter "Inspection"), or to arrange for this to be done, before, during and after delivery, whether or not in the presence of the Supplier. The Inspection shall be carried out in the manner to be determined by Wavin.

If Wavin identifies a visible defect in a Product and informs Supplier of that visible defect no later than seventy-two (72) hours from delivery and during the applicable warranty period set out in clause 3, and such Product is found by Wavin to be defective at Wavin's sole discretion, then Supplier as the sole remedy shall repair or replace, at its sole discretion, either the Product or the defective part.

22.2 If a specific Inspection has been agreed between Wavin and the Supplier, the Supplier must present the Products supplied or installed for this Inspection at the agreed location and on the agreed date, and if no date has been agreed, at the earliest moment when the Inspection can take place. If no Inspection procedure has been agreed, the Parties shall decide in joint consultation in accordance with what generally acceptable procedure the Inspection will be carried out. Thereby the point of departure shall be that the Inspection must be customary in the relevant sector and/or for the relevant Products.

22.3 The Inspection shall have been completed successfully if the Supplier receives a written communication to this effect from Wavin, which may list small defects that constitute no obstacle to putting the Products into full operation. Small defects shall be rectified by the Supplier free of charge within five working days of the receipt of the aforesaid communication, and if this appears to be impossible within reason, as soon as possible after that.

22.4 If the Products are fully or partially rejected after Inspection, Wavin shall report this in writing to the Supplier, stating the reason for this.

22.5 If it appears that the Products, regardless of the results of the Inspection, do not comply with the warranty provisions or specifications pursuant to the Agreement and other applicable criteria, the Supplier shall at its own expense repair or replace – such at Wavin's discretion – the Products on demand within five working days of having received this demand. Thereafter the Products shall again be subjected to an Inspection pursuant to the provisions of this clause 22. All costs associated with the new Inspection shall be borne by the Supplier. The foregoing shall not affect any other right of Wavin, such as the right to terminate the Agreement or to claim compensation in accordance with the law.

22.6 If the Supplier does not collect the rejected Products within ten working days of the date of Wavin's written communication to this effect, Wavin shall have the right to return the rejected Products to the Supplier at the latter's expense and shall be entitled to a refund of any amounts already paid within 14 days.

In that case, the Supplier must ensure that the Products are identified and kept identifiable as much as possible and the Supplier shall count as the holder for Wavin in respect of those Products. No retention of title or any other security interest shall exist for the Supplier after the delivery to Wavin.

24.2 The risk of loss of or damage to the Products shall only pass to Wavin at the moment when both the actual delivery and the transfer of title to Wavin have taken place in accordance with the Agreement. 24.3 If Wavin makes items available to the Supplier for the execution of the Agreement (including raw materials, semi-finished products, materials and components, models, specifications, drawings, software and information carriers), these items shall remain Wavin's property. Subject to Wavin's written consent, the Supplier shall refrain from acting or failing to act in such a way with regard to these items that Wavin loses the ownership thereof, whether by specification, accession, confusion of property or in any other way whatsoever. Furthermore, the Supplier shall guarantee that the items are not encumbered or burdened with third-party rights.
