III. TERMS OF SALE

ELIGIBILITY AND ORDERING

Eligibility

You can order as a registered user or as a guest. You need an email address to place an order, and you may need to set your browser to accept both cookies and pop-ups in order to be able to use all the functionalities of the Website, which includes adding products to your shopping cart and submitting your order.

To place an order you must be at least 16 years old, or older if that is required under applicable law to enter into agreement with Tommy Hilfiger, and you must be a consumer - not a reseller.

Ordering

The products offered on the Website represent an offer to purchase products from Hilfiger Stores B.V. ("Tommy Hilfiger") based on the data provided on the Website.

All prices indicated are GBP amounts and include value added tax. Orders and deliveries are possible only within the United Kingdom. If Tommy Hilfiger is not able to execute an order, Tommy Hilfiger will inform you as quickly as possible. Orders are accepted only in quantities usual for households. For more information about ordering, please check [Order Information](#).

When you submit an order, we will send you an email acknowledging receipt of your order ("Order Confirmation"). This does not mean that we have accepted your order. Our acceptance of the order takes place when the products are shipped to you – we will send you an email confirming that the products have been shipped ("Shipping Confirmation").

At this point a contract, containing these General Terms and Conditions, comes into existence and is binding on you and us (the "Contract").

Products on the Website are generally in stock and ready to be sent. Any sizes that are out of stock are marked as unavailable. We may have stock issues when customers order products at the same time. When we are unable to ship an item already ordered, we may cancel or reject that part of your order and you will be reimbursed or not charged accordingly. We work hard to keep our stock levels as accurate as possible. Occasionally, errors may occur. Our online collection is regularly replenished so it's worth checking back with us regularly. Alternatively, if the products you are looking for are sold out, you may wish to check availability with your Tommy Hilfiger store through our [Store Locator](#).

If you have placed an order in error, or would like to cancel an order before it is delivered, please immediately call Tommy Hilfiger's customer service at 080000346 Monday-Friday: 9:00 – 18:00 (standard rates, prices per mobile may vary) or e-mail Tommy Hilfiger at: contact.eu@service.tommy.com. Tommy Hilfiger will do its best to assist you any way it can. As Tommy Hilfiger always strives for quick deliveries, it means there is not much time to cancel your order before delivery.

Please note that we cannot make or accept any changes to your order (address, size, color) once your order has been placed.

Fulfilment of all orders on the Website is subject to availability. We explicitly reserve the right to cancel your order for any legitimate reason, including but not limited to the following situations:

- The product is not available
- Your billing information is not correct or not verifiable
- Your order is flagged up by our security systems as an unusual order or an order susceptible of fraud
- You are under 16, or you are otherwise not of the age permitted under applicable law to enter into an agreement with Tommy Hilfiger
- You are a reseller
- If applicable, your bank transfer payment is not received within 5 business days after the Order Confirmation
- We could not deliver to the address provided by you

For the promotion code to be applied successfully, the total order amount must exceed the value of the promotion code.

Promotion codes are non-refundable nor replaceable in case of (full or partial) returns of an order.

Promotion codes can be entered by clicking on 'Enter you promo code' when you are on the shopping bag page. Then click on 'Apply'.

Please note:

- Only one promotion code is redeemable per order, unless stated differently.
- Promotion codes cannot be used in combination with other existing promotions or sales.
- In case of returns, the promotion code value will be proportionally split across the ordered items.

Data check

During the payment process Tommy Hilfiger may perform credit checks. Based on the outcome of those checks Tommy Hilfiger may change, adjust or decline an order and/or the selected payment method. In most cases Tommy Hilfiger will offer you the option to select a different payment method. Our customer service team will not be informed of the outcome of credit checks.

Your total price

The total price specified in the final checkout screen includes tax and shipping costs. This price will be recorded in the Order Confirmation. If paying by credit card, the total amount for your entire order will be reflected on your bank statement.

Price changes

The prices of the products will be as displayed on the Website. Prices may change from time to time, but changes will not affect any order which we have confirmed in the Order Confirmation.

DELIVERY AND RETENTION OF OWNERSHIP

Delivery

As a rule, delivery time is 2 to 5 working days after shipping the order. See our [delivery information](#) for more details including our delivery rates (if applicable).

If the delivered products have obvious material or production defects, including damage caused by transport, please notify us of such defects immediately by email or phone. Not doing so will not affect your legal rights.

Retention of Ownership

You are responsible for the products following delivery of the products to the address you gave us. The products remain the property of Tommy Hilfiger until payment is made in full.

RETURN AND CANCELLATION OF ORDERS

Your right to cancel

Your online order may be returned within 120 days of receipt without having to give any reason or to inform us.

If you cancel your order, we will reimburse you all payments received from you, including the costs of standard delivery and administration fees (if applicable), without undue delay and in any event not later than 14 days from the day on which we are informed about your decision to return the products. We may however withhold reimbursement until we have received the products back or until you have supplied evidence of having sent back the products, whichever is the earliest. The following products may not be returned: underwear, swimwear, gift cards, perfumes and make-up (unless in original sealed wrapping).

How to return

If you return the product(s) by mail, you will have returned the products on time if you have delivered the product(s) at the post office or to the carrier within the aforementioned 120 days period.

If available in your country, you can also return your items in selected Tommy stores. To check which stores offer this service, please check our [Store Locator](#). Please see our [return information](#) for more information.

Returned products must be returned in the state in which you received them: the returned products must be complete, unworn, unwashed and have all the product labels and tags intact, and must not be used in any other way than what is reasonably necessary to decide if you want to keep the product(s). If you do not comply with the foregoing and the value of the product diminishes as a consequence thereof, we can hold you liable for such diminished value.

Please make sure that you do not have returns from multiple orders in one parcel to ensure that you get your refund as quickly as possible.

Returning defective products

You may return products delivered to you that are defective, misdescribed or otherwise not in conformity with your order. You can do so within 6 months after you notice the defect. In the event your claim is justified, the purchase price and the shipping costs (if applicable) will be refunded.

We also remind you that under applicable law, we are responsible for providing products that are in conformity with the Contract. If it becomes apparent within six years that the products do not conform with the Contract you have several legal rights. You may be entitled to some money back or to a repair or replacement of the product in question. The foregoing does not limit your legal rights in any way.

In addition, please be reminded of the existence of a legal guarantee of conformity for products under Section 13 of the Sales of Goods Act 1979.

For practical information on how to return, see our [return information](#).

No exchange

Tommy Hilfiger does not have an exchange service. You can return any product that you are not fully satisfied with and receive a refund. If you would like another product, color or size, please place a new order.

Refunds

Once your returned products have been checked and inspected, you will receive a refund e-mail notification, if a refund will be made.

Refunds usually take up to 8-10 working days to appear on your statement. The length of time depends solely on your card company's policies. You can always check your refund status on your online account or by contacting your card issuer.

In order to get a full refund it is important that we receive the returned products in the state in which you received them: the returned products must be complete, unworn, unwashed and have all the product labels and tags intact and must not be used in any other way than what is reasonably necessary to decide if you want to keep the product(s).
