Advanced ★★★★☆

Our most popular hearing technology level provides advanced noise management and speech processing - ideal for active environments like restaurants, meetings and outdoor activities.

Pair with Roger™ and experience the difference!*

-  Enjoy clear phone conversations
-  Have comfortable conversations
-  Seemlessly watch TV and listen to the radio
-  Hear the birds chirping again

Standard ★★★☆☆

Our Standard technology level is ideal for hearing in small groups, telephone conversations, music and driving. This technology level is great for improving everyday listening experiences.

We have rated our technology levels based on overall product quality, features and benefits, with the understanding that everyone's hearing is unique and what may be a 5 star hearing solution for someone may not be for someone else.
