RECKITT

'RECKITT FOCUS ON' INVESTOR SEMINAR

Reckitt will today host the next event in its series of 'Reckitt Focus On' investor seminars, which provide incremental insights into our business, strategy, and key growth drivers.

Today's event, Reckitt Focus On: North America, will give investors and analysts an opportunity to hear directly from Jérôme Lemaire, President, North America, and to gain a deeper understanding of the region's role as a key engine of Reckitt's long-term growth ambitions.

The event will showcase a business built on iconic brands, delivered through sales and omnichannel excellence, enabled by our investment into a locally built supply network. Jérôme will be joined by Shannon Eisenhardt, CFO and Jonathan Weiss, VP Customer Marketing, North America.

No new material financial or trading information will be disclosed.

The event will begin at 15:00 GMT and will be live-streamed. Registration details and other information can be found at:

Reckitt Focus On: North America | Reckitt.com

A replay of the event will be available on Reckitt's website afterwards.

About Reckitt

Reckitt* is a world-class consumer health and hygiene company on a mission to deliver better health in more hands, every day. Founded in 1840 in the United Kingdom, Reckitt is home to some of the world's most trusted and recognised brands across Germ Protection, Household Care, Intimate Wellness and Self Care, including Dettol, Durex, Finish, Gaviscon, Harpic, Lysol, Mucinex, Nurofen, Strepsils, Vanish and Veet.

Operating in more than 80 countries, Reckitt sells approximately 30 million products every day and employs around 36,000 people worldwide. Through trusted brands, science-led innovation and deep consumer understanding, Reckitt helps make health, hygiene and wellbeing more accessible for millions of people while creating sustainable value for consumers, customers, communities and shareholders.
