5,000.00 EUR / 100,000.00 EUR

Please note: The maximum amount of funds deposited at the Bank cannot exceed EUR 100,000.00. If you already have funds invested with the Bank, the maximum amount that can be invested for the purpose of this term deposit is lowered (maximum deposit would therefore be EUR 100,000.00 minus the amount of funds already invested).

Deposits up to an amount of EUR 100,000.00, including interest income, are legally protected at 100% per customer and per bank by the Slovak Deposit Protection Fund.

Within the European Union, the minimum requirements in all Member States are harmonized by Directives 94/19/EG, 2009/14/EG and 2014/49/EU.

Interest calculation: English interest calculation method (ACT/365), i.e. the year is generally calculated with 365 days.

3. Taxation

As a private investor, you are subject to taxation of your interest income in your country of tax residence. The interest income must be stated in your tax return. All required documents should be provided on time.

In the Slovak Republic 19 % withholding tax is levied on interest income from deposits. However, if customers provide Raisin with a certificate of tax residence by Irish Revenue at least 4 weeks before the maturity of the term deposit, than according the Convention between Ireland and the Slovak Republic for **the avoidance of double taxation no withholding tax will be levied.**

You cannot submit an exemption order for investments abroad. You are required to include foreign interest income in the tax return.

Additional tax information can be found on our website: raisin.ie/tax

Please note that the specific tax treatment depends on your personal circumstances and that there may also be future changes in the tax treatment. **For individual clarification of tax issues, please consult your tax adviser.**
