

Pam cyflawni yr Arts Award?

Sut mae'n wahanol i arholiadau gradd gerdd?

Mae yr Arts Award yn gymhwyster sy'n seiliedig ar bortffolio, gan ymuno ar y cyd gydag arholiadau graddedig cerdd, neu fel cymhwyster unigol. Er mwyn cyflawni'r Arts Award byddwch yn ymwneud â chreu cerddoriaeth yn ymarferol, gwrando ar gerddoriaeth fyw, ymchwilio a darganfod am gerddorion sy'n eich ysbrydoli, a chyflwyno eich sgiliau neu arwain prosiectau. Wrth i chi fynd ymlaen byddwch yn casglu tystiolaeth o'ch taith yn ymwneud â'r Arts Award journey. Gallwch wneud hyn ar-lein, neu mewn cofnod y celfyddydau a fydd yn cael ei asesu gan eich cynghorydd yr Arts Award.

Mae pum lefel i'r Arts Award ac mae'n ofynnol ar gyfer y lefelau uwch eich bod yn cyflwyno eich sgiliau i rywun arall neu'n cynllunio ac arwain prosiect. Mae'n cynorthwyo i ddatblygu eich sgiliau cyfathrebu a'ch hunanhyder a gall gynorthwyo gyda chyflawni gwaith ysgol neu goleg arall.

How is it different to music grade exams?

Arts Award is a portfolio-based qualification which fits well alongside graded music exams, or as a stand-alone qualification. For your Arts Award you will get involved in practical music making, listening to live music, doing research and finding out about musicians who inspire you, and passing on your skills or leading projects. As you go along you collect evidence of your musical Arts Award journey. You can do this online, or in an arts log which is assessed by your Arts Award adviser.

There are five Arts Award levels, and the higher levels require you to pass your skills on to someone else or plan and lead a project. This helps to develop your communication skills and self confidence, and can help with other school or college work you are doing.
