

Your name:

Part B: Explore

For **Part B** you will find out about an artist or artists and their work. You will also find out about an arts organisation and the arts work that they do. You must find out about both an artist and an arts organisation in order to complete this part.

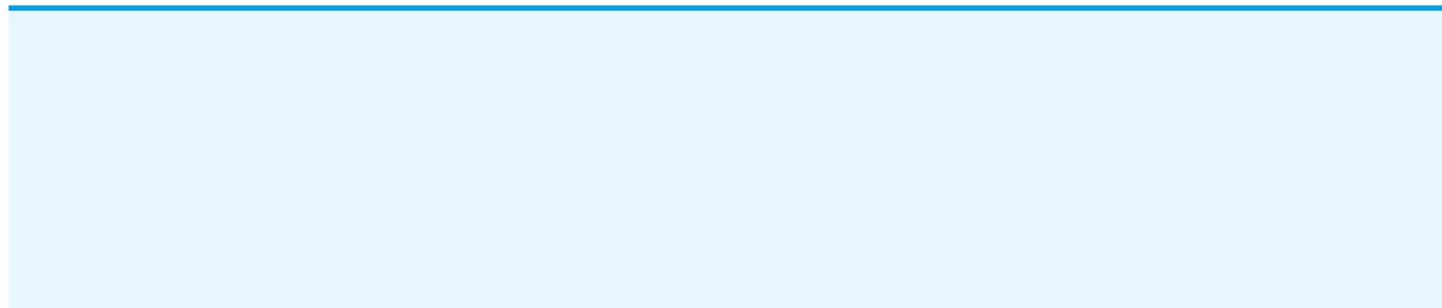

Artist(s)

Which artist(s) have you found out about?

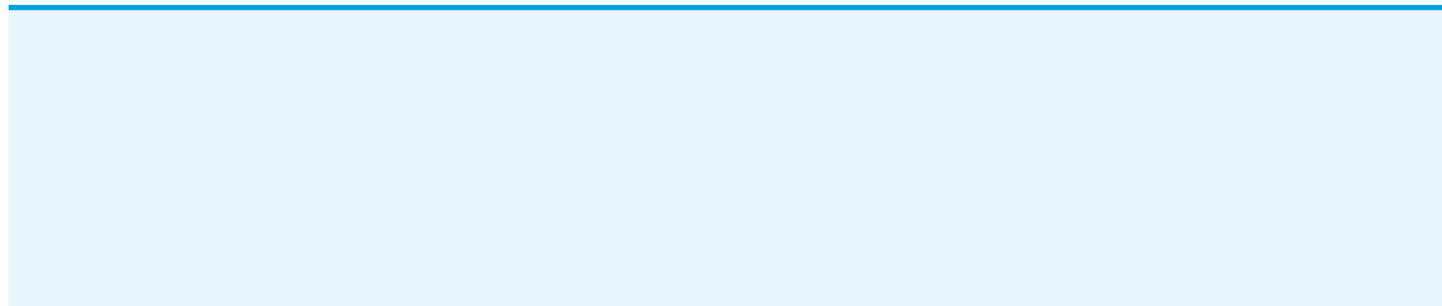

Why did you choose them?

How did you find out about them? (Tell us about how you did your research. For example did you look online or read a book? Did you visit an exhibition or take part in a workshop?)

What did you find out about their work and life? (For example, how did they get started? What sort of art do they create? How do they make or create their art?)

Do you have a favourite piece of their work?

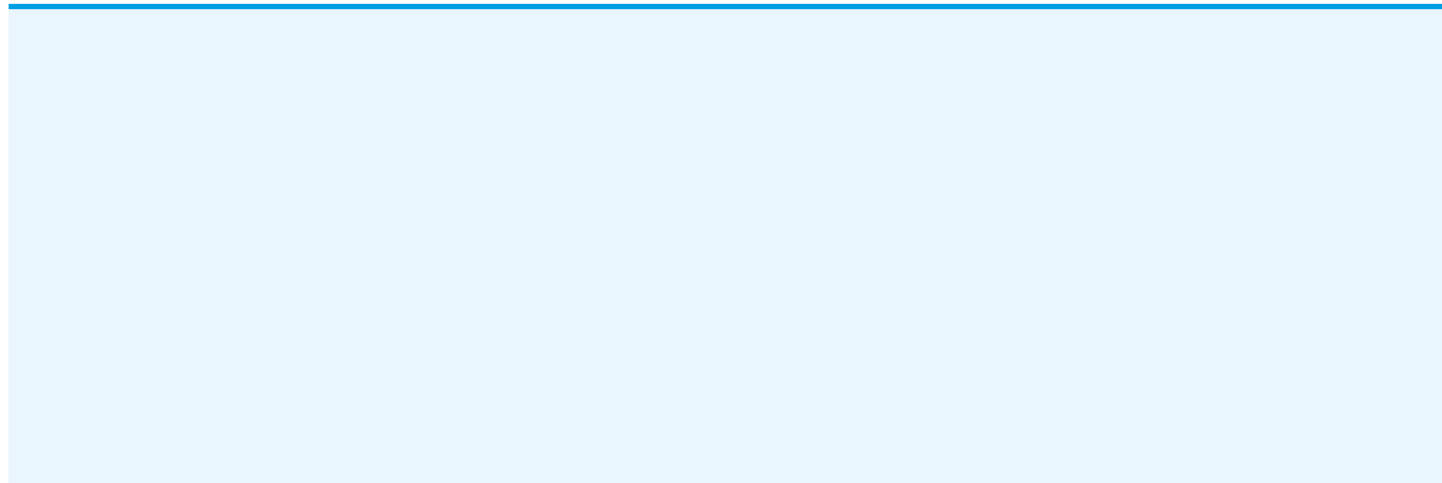

Arts organisation(s)

Which arts organisation(s) have you explored?

How did you find out about this arts organisation?

Tell us about how you did your research. For example did you look online, visit this arts organisation, read one of their programmes etc?

What sort of arts activities does this arts organisation do?

What artists or arts professionals work at this arts organisation? For example, dancers, musicians, curators, writers, designers.
