1. Except as noted below or otherwise specified, all events must be held within seven (7) days of the scheduled date to be considered "action." For example, if a game is postponed on a Saturday, it must be completed by the following Friday.
2. BASKETBALL, HOCKEY, FIGHTS (boxing and mixed martial arts), RUGBY, BASEBALL and SOFTBALL games must be played on the date scheduled for "action." If a game is postponed and/or rescheduled to a later date, said game will automatically constitute "no action," unless otherwise specified.

6. For player proposition bets to be considered "action", the following criteria must be met:
 - Football – player must play

If a game goes to extra innings, winners and losers are "official" after the winner is decided after a full inning of play if the visiting team is ahead, or after the home team has scored to win the game.
 - a. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead.
 - b. The called/suspended games rule also applies to seven inning scheduled games.
 - c. For bets on the pregame money line, if a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full

- inning of play, unless the team batting second scores to tie, or takes the lead in the bottom half of the inning, in which case the results are determined by the score at the time the game is called
- d. For first 5 innings wagers, if a game is suspended in the bottom of the 5th inning with the home team ahead, all money line bets will be posted as official at the time of suspension, with the total being refunded.
2. SOFTBALL (major league and college): In all seven-inning scheduled games, winners and losers are "official" after seven innings of play unless the home team is leading after six and one half innings or the game is tied at the end of seven innings and goes into extra innings. If a game goes to extra innings, winners and losers are "official" after the winner is decided after a full inning of play if the visiting team is ahead, or after the home team has scored to win the game.
 - a. Called/suspended games must go a minimum of five innings, or four and one-half innings if the home team is ahead. ii. If a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play. (For example, in a case in which the home team scores to tie or take the lead in the bottom half of the inning which is not completed and the game is subsequently called, the runs scored in that inning do not count for wagering purposes.)
 - b. For bets on the pregame money line, if a game goes past five innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play, unless the team batting second scores to tie, or takes the lead in the bottom half of the inning, in which case the results are determined by the score at the time the game is called
 3. BASKETBALL (WNBA, college and international): After 35 minutes of play.

1.5 DETERMINING THE WINNER

1. The winner of an event or game will be determined on the date of the events conclusion. Management does not recognize suspended games, protests, overturned decisions, changes to the score, etc. Management, at its sole discretion, may delay payment of winning wagers if the final score is questioned or challenged. Once the score is posted for payment, no subsequent score changes will be recognized.
2. The winner of an event or proposition wager that occurs while a game or match is in progress will "action", regardless if the game or match is played to its conclusion, unless otherwise specified.
3. If conference or division alignment is changed for any reason, the original futures on those specific categories will be deemed "no action".

4. If a league declares a championship, conference, division, award or any other category a winner, all bets on the winning team (or player) will be paid out regardless of team relocation, name change, or changes to regular season schedules or playoff formats, and regardless of when they are determined as long as they are designated winners by the league in a particular season.
5. Bets will be paid out if the league declares a championship, conference, division, or any other category a winner without playoffs taking place in a particular season.
6. If a league does not declare a championship, conference, division, or any other category a winner, all bets on those futures markets will be void and considered “no action”.

5. Teaser payoff – Please see the off the board teaser and teaser odds chart, posted at the sportsbook.

1.9 OBVIOUS PRICE OR TERMS ERRORS

We do all that we can to avoid errors, however we cannot accept responsibility for obvious errors, also referred to as palpable errors, or omissions in respect of the announcing, publishing or marking of prices, spreads, or results that occur despite our every effort to ensure total accuracy.

1. A non-exhaustive list of "obvious errors" is as follows:
 - the prices/terms offered are materially different from those available in the general market at the time the bet was placed;
 - the prices/terms offered at the time the bet is placed are clearly incorrect given the probability of the event occurring;
 - odds or terms of a bet have been misquoted as a result of human or system error;
 - where we have continued to accept bets on a game which should have been suspended, including where the relevant event is in progress or had already finished;
 - where an error is made by us as to the amount of winnings/returns that are paid to you, including as a result of a manual or computer input error.
 - where markets are created and graded for an event or matchup that does not take place
2. We reserve the right to correct any obvious error made on a bet placed in one of our betting InPlay markets and settle at the correct price or terms, which were actually available with The Company (absent the obvious error) at the time the bet was struck.
3. When a bet is placed on a market offered before an event has started and more advantageous odds or terms than those actually available with The Company are applied, we will either settle the bet at the correct price or terms available with The Company.
4. Where the incorrect odds or terms are less advantageous than those available with The Company, the odds or terms will be amended to the correct odds or terms available.

2. BASEBALL AND SOFTBALL RULES

1. Professional baseball wagers are accepted in the following manner:
 - a. Action: Team against team regardless of the starting pitcher.
 - b. One Specific Pitcher: A wager on or against one specific pitcher regardless of the other starting pitcher. The specified pitcher must start, or the wager is deemed "no action".
 - c. Both Specified Pitchers: A wager that specifies both starting pitchers. Any variation constitutes "no action."
 - d. NOTE: Each team's starting pitcher is defined, for wagering purposes, as the pitcher who throws the initial pitch.
 - e. In the event of a change in pitcher(s) prior to the start of a baseball game, money line odds may be adjusted. If one scheduled pitcher starts against an unscheduled pitcher, "action" and "specified pitcher" wagers will be computed at the opening price established with the new pitcher.
2. For all non-US professional leagues and college baseball and softball, wagers are "action" regardless of starting pitchers. "Totals" and "run line" wagers are subject to the same game length rules as professional US baseball. The bottom team that is listed, does not necessarily bat last.
3. For all specific inning or combined inning (e.g., first 5 innings) wagering on baseball, the specified inning or period must have been completed for action. For example, a wager on a run being scored in the 5th Inning where a game is postponed in the 7th is action; whereas if the game were to be called at any time during the 5th, the wager is void (regardless if a run has already been scored).
4. When wagering on baseball "totals" or "run lines", the game must go at least the regulation nine innings (eight and one-half if the home team is ahead) for a scheduled nine-inning game and seven innings (six and one-half innings if the home team is ahead) for a scheduled seven-inning game.

- a. If the game goes past regulation innings into extra innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not complete their turn at bat in the bottom half of an extra-inning game, the score reverts to the previous full inning of play, unless the home team scores to tie the game, in which then the score will be determined at the point of suspension.
 - b. When wagering pre-match on a baseball "total" or "run line", pitchers will be automatically listed. A pitcher change before the game constitutes "no action".
5. For pre-season/exhibition and pro baseball All-Star games, games are "action" if the league determines a result, no matter what the rule changes are pertaining to the individual games.
6. For 1st 5 inning wagers, listed pitchers must start for "action". In the case of a pitching change, 1st 5 innings wagers will be considered "no action".
7. For baseball first inning wagers, the first inning must be fully completed for there to be "action"; otherwise, wagers are refunded. In the case of a pitching change, first inning yes-no run scored bets associated with that pitching matchup will be considered "no action".
8. For daily baseball grand slam and no-hitter proposition wagers, all wagers constitute "action" regardless of the number of games completed that day. For the yes-no no-hitter proposition, the no-hitter must be at least nine innings to be considered "action".
9. For the Grand Salami (total runs scored in all games that day), all scheduled games must go at least 8½ or 9 innings for there to be "action".
10. For total bases propositions, only hits count towards this wager. A single counts as one, a double as two, a triple as three and a home run as four. Reaching base by any other means (walk, hit by pitch, etc.) does not count towards this wager.
11. When wagering on softball "totals" or "run lines", the game must go at least the regulation seven innings (six and one-half innings if the home team is ahead).
 - a. If the game goes past regulation innings into extra innings and is subsequently suspended or postponed, it is considered to have "action" and the winner and loser shall be determined by the score at the time the game is called/suspended. In the case where the home team does not complete their turn at bat in the bottom half of an extra-inning game, the score reverts to the previous full inning of play, unless the home team scores to tie the game, in which then the score will be determined at the point of suspension.
12. For the World Baseball Classic or any other games that are called due to the mercy rule, "totals" and "run lines" are considered "action".
13. Unless odds are quoted for a tie, any market where the result is a wagering tie, those bets will be refunded.
14. For pro baseball regular season wins wagers, please check customer sheets for the minimum required games to be played for "action".

3. FIGHTS: BOXING & MMA RULES

1. All fights are "action" regardless of site changes. Fights must be fought on the scheduled date for "action".
2. A "full round" is defined as one in which the bell, buzzer, etc. has sounded signifying the conclusion of such round. If a fighter is counted out or the bout is officially stopped prior to the bell, buzzer, etc., such round is not considered a "full round" for wagering purposes.
3. If a half round (one minute and thirty seconds of a three-minute round, 2 minutes and thirty seconds of a five-minute round) or other specified time is listed, the official time of the bouts conclusion, as determined by ring officials, will determine proposition winners and losers.
4. In the event of a draw, wagers on who will win are "no action".
5. All straight win wagers will have "action" regardless of any changes in weight class, scheduled length of the bout, or championship sanction unless otherwise stipulated. All round, knock-out ("K.O.") or decision proposition wagers are "no action" if the scheduled length of the bout is changed.

6. On K.O. proposition wagers, K.O. includes knockout, technical knockout, disqualification, technical decision, or any other stoppage.
7. On decision proposition wagers, "decision" means that the fight result is determined by the result of the scorecards.
8. In the event of a fight being declared a "no-contest", all wagers (including totals) on that fight will be considered "no-action", regardless of when the fight is stopped.
9. For pick the knockout round wagers, if a fighter doesn't answer the bell for the next round, the previous round will be declared the winner. Knockout includes a technical knockout and disqualifications.

4. HOCKEY RULES

1. For professional hockey wagering purposes, in the event of a shootout, the winner is awarded one goal, which is considered in the determination of the winner and loser and counted toward the game total.
2. For college hockey wagering purposes, final scores will be determined by the rules of the particular conference. Three on Three and shootout results may not count towards the final score. In mid-season tournament games, all overtime and shootout results count towards the final score.
3. Wagers for all full-game markets stand providing at least 55 minutes of play have taken place and an official result is declared, unless otherwise specified.
4. Wagers for all part-game markets are action upon the completion of the specified period. For example, a first period wager is action if a game is postponed in the third period; whereas a 2 nd period wager is void if the game is postponed in the 2nd period.
5. Unless odds are quoted for a tie, any market where the result is a wagering tie will be refunded.
6. For the daily pro hockey salami (total goals scored in all scheduled games), all games must be official for wagering purposes for "action".
7. For pro hockey regular season points wagers, please check customer sheets for the minimum required games to be played for "action".
8. For monthly team points wagers, all scheduled games for that month must be played for "action".

5. SOCCER RULES

1. For all full match goal line, money line, and total soccer wagers, the score at the end of 90 minutes, plus injury minutes, will be used to determine winning and losing wagers; extra time and shoot-outs do not count, unless otherwise specified. For all first half goal line, money line and total wagers, the score at the end of 45 minutes, plus injury minutes, will be used to determine winning and losing wagers.
2. For 3-way wagering propositions: sides must win, lose or tie (each is a separate wagering interest).
3. c. "To advance" or "to Win Tournament" wagers include the result of extra time and/or penalty kick shootouts
4. For all soccer betting, unless otherwise specified, the score at the end of regulation time (90 minutes plus any added injury minutes) will be deemed the final score and used to settle all markets. Goals scored in "Extra Time" or during "Penalty Shoot Outs" do not count.

6. AUTO RACING RULES

1. Auto races are "action" when the first car crosses the start line after the green flag is dropped.

2. If a driver withdraws before attempting to qualify for a race, then all futures bets on that driver will be refunded, unless otherwise specified. If a driver attempts, but fails to qualify for the race, futures bets on that driver are considered "action".
3. In driver match-up propositions, all drivers involved in any match-up must start or the wager is deemed "no action."
4. If any driver in a match-up is substituted during the race, then the match-up is considered "no action."
5. The winner of match-up propositions will be based on the official finish order.
6. Wagers accepted on drivers only, not on teams or cars unless stipulated on the odds sheets/displays.
7. For NASCAR, Xfinity Series and Truck Series races, race results will not be posted until after the post-race inspection is complete and the official order of finish is determined.
