Purpose

Pepperstone EU Limited (“the Company”) for purposes of transparency and full information of investors, and as per CySEC Circular C418 requirements, posts on its website a list with the names of the PSPs/EMIs we cooperate with, as well as the competent authority/country that supervises them.

Payment Providers (PSPs & EMIs) list

The Company currently uses the below payment service providers:

1. **PayPal Australia Pty Limited:** An Electronic Payment Provider which has an Australian financial services (AFS) licence by the Australian Securities and Investments Commission (ASIC).
2. **SafeCharge Limited:** an Electronic Money Institution authorised and regulated by the Central Bank of Cyprus (CBC).

Review

The Company shall update this document whenever there is change of the payment service providers it cooperates with and shall update its website accordingly.
