

IMDS Workflow Guide

Customer MDS Request

D. Beck / Chi Kien Linh

1. Introduction

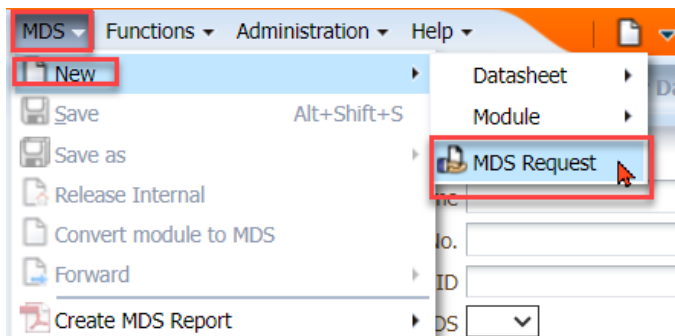

Welcome to the IMDS Customer Readiness Assessment

Here at Oetiker, we strive to continuously improve existing processes and procedures. This workflow guide provides a standardized process that is IMDS-compliant, efficient and qualitative.

For additional questions, please contact your IMDS Organization Unit response person.

2. MDS Requests

After logging into [IMDS](#), go to **MDS – New – MDS Request** to submit a direct IMDS request to Oetiker.

Please complete your MDS request with the following information:

MDS Request

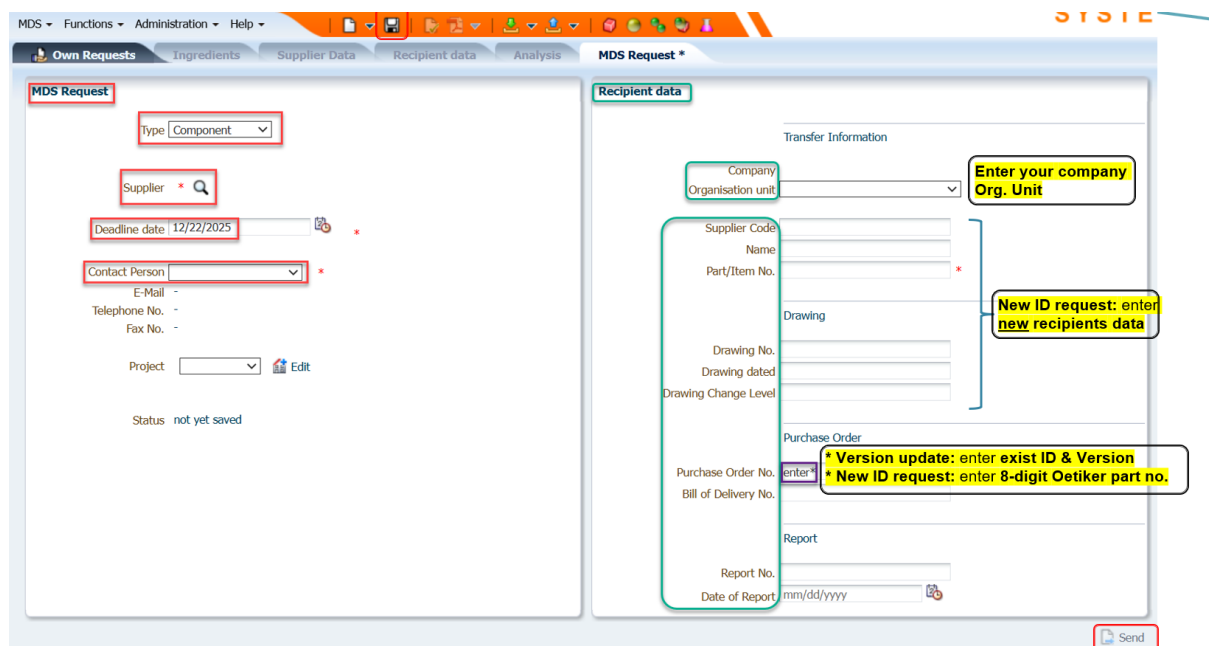

- **Type:** Use "Component"
- **Supplier:** Search company name (see [How to Find the Right Oetiker Supplier](#) for more details)
- **Deadline Date:** Enter the date you would like to receive the requested MDS
- **Contact Person:** Enter your name or the name of the person who should receive this request

Recipient Data

Enter your company name, organization unit, and all relevant recipient details, such as supplier code, part name, part/item number (mandatory field), drawing data, and report data into the form sheet.

In the free-text **Purchase Order No.** field:

- **For version updates:** enter the existing ID & Version
- **For new requests:** enter the 8-digit Oetiker part number

The screenshot shows the 'MDS Request' form with two main sections: 'MDS Request' and 'Recipient data'.

MDS Request Section:

- Type: Component (dropdown)
- Supplier: [Search icon]
- Deadline date: 12/22/2025
- Contact Person: [Dropdown]
- E-Mail: -
- Telephone No.: -
- Fax No.: -
- Project: [Dropdown]
- Status: not yet saved

Recipient data Section:

Transfer Information

- Company: [Dropdown] **Enter your company**
- Organisation unit: [Dropdown] **Org. Unit**
- Supplier Code: [Text]
- Name: [Text]
- Part/Item No.: [Text] **New ID request: enter new recipients data**
- Drawing: [Text]
- Drawing No.: [Text]
- Drawing dated: [Text]
- Drawing Change Level: [Text]
- Purchase Order: [Text]
- Purchase Order No.: [Text] *** Version update: enter exist ID & Version**
- Bill of Delivery No.: [Text] *** New ID request: enter 8-digit Oetiker part no.**
- Report: [Text]
- Report No.: [Text]
- Date of Report: mm/dd/yyyy

Buttons: Edit, Send

3. New Oetiker IMDS Structure

The following updates have been made to the Oetiker IMDS structure.

Key Changes:

- Deactivated old IDs: IDs 1056 and 33960 merged into Oetiker NY, Inc. (ID 249649)
- All data from ID 249650 merged into 249655, now renamed Oetiker Lietuva UAB
- Root “Hans Oetiker” renamed to “Oetiker Schweiz AG” (old name removed from IMDS)

4. How to Find the Right Oetiker Supplier

- Click on the magnifier icon next to the supplier field to search for a company.
- Enter the company name "**Oetiker Schweiz**". Uncheck the "only root companies" option to find all Oetiker Organization Units/Suppliers.
- Select the correct **manufacturing Organization Unit** that produces this part and click "Apply".
- NOTE:** Do not send your request to the main root company ID 441 if it is not the correct manufacturing organization unit.

5. Saving Your Request

Once all the required data has been entered, click the **save button** in the toolbar.

The system will then run a check on the MDS request. Correct any errors that may appear. If the request is successfully saved, you can send it to our organization unit.

Our Quality Department will review your data, add any necessary information, create a new ID, or update an existing ID to a new version before sending or proposing it back to you. If any data is missing or unclear, they will reject the request and provide a reason.

Please Note

- Using the **blue arrow “MDS Request”**, then pressing **search**, will allow you to view the MDS requests that you have sent.
- Please provide our 8-digit Oetiker part number that corresponds to your part number. This will help us efficiently match the records for these two linked part numbers in our system. If you are unsure of the correct number for your part, please contact your purchasing department for assistance.
- Ensure that Oetiker part numbers are entered without spaces or special characters such as dashes, dots, etc.
