VIA Outlets B.V. announces Tender Offer for its €600,000,000 1.750 per cent. Senior Notes due 15 November 2028

20 October 2025. VIA Outlets B.V. (the **Offeror**) announces today its invitation to holders of the outstanding €600,000,000 1.750 per cent. Notes due 15 November 2028 (ISIN: XS2407027031) (the **Notes**), issued by the Offeror, to tender their Notes for purchase by the Offeror for cash subject to satisfaction (or waiver) of the New Issue Condition (as defined below) and the other conditions described in the Tender Offer Memorandum (as defined below) (such invitation, the **Offer**). The Offer is being made on the terms and subject to the conditions contained in the tender offer memorandum dated 20 October 2025 (the **Tender Offer Memorandum**) prepared by the Offeror and is subject to the offer and distribution restrictions set out below and as more fully described in the Tender Offer Memorandum.

Copies of the Tender Offer Memorandum are (subject to the offer and distribution restrictions) available from the Tender Agent as set out below. Capitalised terms used in this announcement but not defined have the meanings given to them in the Tender Offer Memorandum.

Summary of the Offer

A summary of certain of the terms of the Offer appear below:

Description of the Notes	ISIN/ Common Code	First Call Date	Outstanding Nominal Amount	Maturity Date	Reference Rate	Purchase Spread	Amount subject to the Offer
€600,000,000 1.750 per cent. Senior Notes due 15 November 2028	XS2407027031 / 240702703	15 August 2028	€600,000,000	15 November 2028	Interpolated Mid-Swap Rate	60 bps	Subject as set out herein, up to €150,000,000 in aggregate nominal amount of the Notes (the Maximum Acceptance Amount), although the Offeror reserves the right, in its sole discretion, to accept significantly more or significantly less than (or none of) the Maximum Acceptance Amount for purchase pursuant to the Offer

Rationale for the Offer

The Offer is being made as part of the Offeror's proactive balance sheet management strategy in optimising its debt maturity profile in conjunction with the issue of the New Notes. Furthermore, the transaction provides liquidity or reinvestment optionality to those Noteholders whose Notes are accepted in the Offer. It is intended that any Notes purchased by the Offeror pursuant to the Offer will be cancelled and not subsequently reissued or resold.

Purchase Price and Accrued Interest

The Offeror will, on the Settlement Date, pay for Notes validly tendered and accepted by it for purchase pursuant to the Offer, a cash purchase price (expressed as a percentage, the **Purchase Price**) to be determined at or around 12.00 p.m. (Central European Time) on 28 October 2025 (the **Pricing Time**) (subject to the right of the Offeror to amend such time and date in its sole discretion and without prior notice to Noteholders) in the manner described in the Tender Offer Memorandum by reference to the "Purchase Yield", which shall equal the sum of (i) the Purchase Spread specified in the table on page 1; and (ii) the Interpolated Mid-Swap Rate (as defined in the Tender Offer Memorandum).

The Purchase Price will be determined in accordance with market convention and expressed as a percentage of the nominal amount of Notes accepted for purchase pursuant to the Offer (rounded to the nearest 0.001 per cent., with 0.0005 per cent. rounded upwards) and is intended to reflect a yield to the Maturity Date on the Settlement Date based on the Purchase Yield.

Specifically, the Purchase Price will equal (a) the value of all remaining payments of principal and interest on the Notes up to and including the Maturity Date, discounted to the Settlement Date at a discount rate equal to the Purchase Yield, minus (b) any Accrued Interest for the Notes.

The Offeror will also pay accrued and unpaid interest in respect of Notes validly tendered and accepted for purchase pursuant to the Offer, from (and including) the immediately preceding interest payment date for such Notes to (but excluding) the Settlement Date, calculated in accordance with the terms and conditions of the Notes.

Final Acceptance Amount and Scaling

The Offeror proposes that (subject to satisfaction or waiver of the New Issue Condition) the aggregate nominal amount of Notes (if any) which it will accept for purchase pursuant to the Offer will be an amount of up to €150,000,000 (the **Maximum Acceptance Amount**), although the Offeror reserves the right, in its sole and absolute discretion, to accept significantly more or significantly less than (or none of) the Maximum Acceptance Amount for purchase pursuant to the Offer (the final nominal amount accepted for purchase pursuant to the Offer being the Final Acceptance Amount).

If the Offeror decides to accept for purchase any Notes validly tendered pursuant to the Offer and the aggregate nominal amount of Notes validly tendered pursuant to the Offer is greater than the Final Acceptance Amount, the Offeror intends to accept such validly tendered Notes for purchase (subject to satisfaction or waiver of the New Issue Condition on or prior to the Settlement Date) on a *pro rata* basis such that the aggregate nominal amount of Notes accepted by the Offeror for purchase pursuant to the Offer is no greater than the Final Acceptance Amount.

New Issue Condition

The Offeror announced on 20 October 2025 its intention to issue a new series of euro-denominated senior fixed rate notes (the **New Notes**), the proceeds of which will be used, in whole or in part, to finance the Offer. Whether the Offeror will accept for purchase Notes validly tendered in the Offer is subject (unless such condition is waived by the Offeror in its sole and absolute discretion), without limitation, to the successful completion (in the sole determination of the Offeror) of the issue of the New Notes (the **New Issue Condition**).

Even if the New Issue Condition is satisfied (or waived), the Offeror is not under any obligation to accept for purchase any Notes validly tendered pursuant to the Offer. The acceptance for purchase by the Offeror of Notes validly tendered pursuant to the Offer is at the sole and absolute discretion of the Offeror and tenders may be rejected by the Offeror for any reason.

Any investment decision to purchase any New Notes should be made solely on the basis of the information contained in (i) the offering memorandum to be prepared by the Offeror pursuant to which the New Notes are intended to be issued (the **Offering Memorandum**), and no reliance is to be placed on any representations other than those contained in the Offering Memorandum.

The New Notes are not being, and will not be, offered or sold in the United States. Nothing in this announcement constitutes an offer to sell or the solicitation of an offer to buy the New Notes in the United

*States or any other jurisdiction. Securities may not be offered, sold or delivered in the United States absent registration under, or an exemption from the registration requirements of, the United States Securities Act of 1933, as amended (the **Securities Act**). The New Notes have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S of the Securities Act).*

MIFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, **MiFID II**); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

UK MiFIR product governance / Professional investors and ECPs only target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (**COBS**), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (**UK MiFIR**); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the **UK MiFIR Product Governance Rules**) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – *The New Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (EEA). For these purposes, a "retail investor" means a person who is one (or more) of: (i) a retail client as defined in point (11) of MiFID II; (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the **PRIIPs Regulation**) for offering or selling the New Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.*

Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law of the United Kingdom by virtue of the EUWA (the **UK PRIIPs Regulation**) for offering or selling the New Notes or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the New Notes or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation.*

No action has been or will be taken in any jurisdiction in relation to the New Notes to permit a public offering of securities.

Allocation of the New Notes

The Offeror intends, in connection with the allocation of the proposed issue of New Notes by or on behalf of the Offeror, to consider among other factors whether or not the relevant Noteholder seeking an allocation of the New Notes has validly tendered, or indicated a firm intention to the Offeror or the Dealer Managers to tender, their Notes pursuant to the Offer, and, if so, the aggregate nominal amount of the Notes validly tendered or intended to be tendered by such Noteholder (subject to such Noteholder making a separate application for the subscription of the New Notes to the joint lead managers of the issue of the New Notes). When considering allocation of the New Notes, the Offeror intends to give preference to those Noteholders who, prior to such allocation (which is expected to take place prior to the Expiration Deadline), have validly tendered or indicated their firm intention to the Offeror or to the Dealer Managers to tender their Notes pursuant to the Offer and subscribe for New Notes. Any such preference in the allocation of the New Notes will be applicable up to the aggregate nominal amount of Notes tendered or firmly indicated to be tendered by such Noteholder pursuant to the Offer. However, the Offeror is not obliged to allocate the New Notes to a Noteholder who has validly tendered or indicated a firm intention to tender its Notes for purchase pursuant to the Offer. Any allocation of the New Notes, while being considered by the Offeror as set out above, will be made in accordance with customary new issue allocation processes and procedures and, if New Notes are allocated, the nominal amount thereof may be less or more than the nominal amount of Notes tendered by such Noteholder and accepted by the Offeror pursuant to the Offer. In the event that a Noteholder validly tenders Notes for purchase pursuant to the Offer, such Notes will remain subject to such tender and the conditions of the Offer as set out in the Tender Offer Memorandum irrespective of whether that Noteholder receives all, part or none of any allocation of New Notes for which it has applied.

A Noteholder wishing for its Tender Instruction or its intention to tender Notes to be taken into account in the allocation process for the New Notes should contact the Dealer Managers (each in its capacity as a joint lead manager of the issue of the New Notes) in accordance with the standard new issue procedure of such Dealer Manager, or by contacting the Dealer Managers using the contact details set out below. The pricing of the New Notes is expected to take place prior to the Expiration Deadline and, as such, Noteholders are advised to contact the Dealer Managers as soon as possible, and prior to the allocation of the New Notes, in order for this to be taken into account as part of the New Notes allocation process.

Tender Instructions

In order to participate in, and be eligible to receive the Purchase Consideration and the Accrued Interest Payment pursuant to, the Offer, Noteholders must validly tender their Notes by delivering, or arranging to have delivered on their behalf, a valid Tender Instruction that is received by the Tender Agent by 5.00 p.m. (Central European Time) on 27 October 2025 (the **Expiration Deadline**).

Tender Instructions will be irrevocable except in the limited circumstances described in the Tender Offer Memorandum.

Tender Instructions must be submitted in respect of a minimum nominal amount of Notes of no less than €100,000, being the minimum denomination of the Notes, and may be submitted in integral multiples of €1,000 thereafter.
