At Home with Martha Stewart

A new chapter in pattern, texture and considered interiors

Where every wall is designed with purpose and detail.

Timeless Style for Inspired Living

Martha Stewart is a lifestyle entrepreneur, author, and television personality whose work has inspired homes around the world for over four decades. Known for her timeless approach to entertaining, home decorating, gardening, and cooking, her style blends elegance with everyday living.

As the founder of Martha Stewart Living Omnimedia, Martha created one of the first lifestyle brands of its kind, built around the idea of making every aspect of home life more beautiful and enjoyable for all.

Today, her influence continues through thoughtfully designed collections that bring warmth, creativity, and effortless style to everyday spaces.

The Collection

10 wallpaper designs, across 41 colourways

The Autumn Winter 2026 collection presents a considered range of wallpapers defined by structure, pattern and surface detail. Drawing on natural forms, traditional interiors and refined decorative techniques, each design has been developed to offer balance, versatility and clarity within the home.

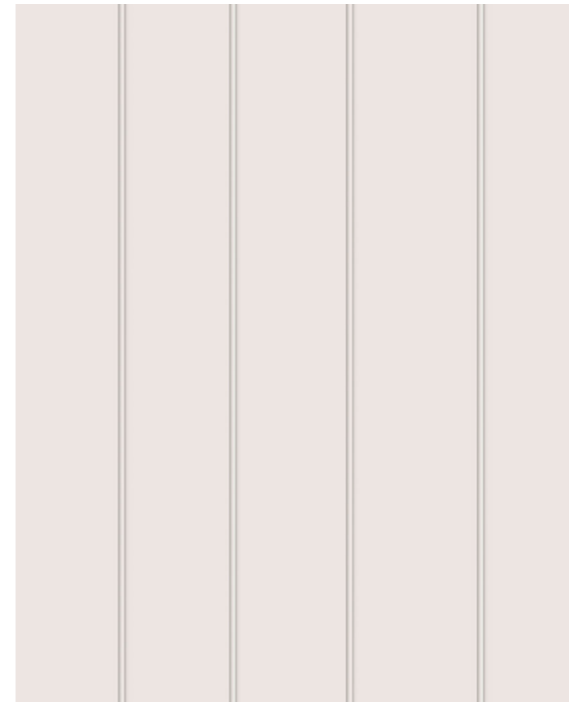

The collection includes wood-effect panelling, softened damasks, botanical motifs and tailored stripes, each explored through a carefully edited palette of tonal and heritage-inspired colourways.

Together, the range provides a cohesive foundation for interior spaces, where pattern and proportion work quietly to enhance the architecture of the home.
