

**IMPORTANT INFORMATION**

1. This Tax-Free Investment is offered to individual people only (i.e. not for trusts, companies, etc.). You may invest for yourself or on behalf of other people, for example, your children.
2. "Tax-free" means that you will not pay income tax on the interest earned in the portfolio, or dividend withholding tax on the dividends earned in the portfolio, and when you eventually sell, you will pay no capital gains tax on the growth of the value in your portfolio (section 12T of the Income Tax Act).
3. The Effective Annual Cost (EAC) is a standard industry measure for your information and to facilitate comparing the cost of an investment over specific periods. (Visit [www.oldmutualinvest.com](http://www.oldmutualinvest.com) for more information and to access the EAC illustrator.) The EAC of your investment will be confirmed in writing once your investment has been processed.
4. You can invest up to R36 000 each year, until your total investment reaches R500 000 which is the lifetime limit that you are allowed to save in a tax-free account. If you go over these limits you will be taxed at 40% of the extra amount by SARS.
5. You can withdraw money from your portfolio at any time, but remember that the amount you withdraw remains part of your maximum lifetime investment amount and cannot be reinvested at a later stage. This means withdrawals permanently reduce your total amount of allowable tax-free savings.
6. In order to withdraw money from this investment, you need to sell your units and the money must be paid into the same bank account that we have on record for your Tax-Free Investment.
7. You may switch between unit trusts within your Tax-Free Investment portfolio but you may not switch out of this portfolio. Should you wish to disinvest from your standard unit trust investment to invest into the Tax-Free Investment, our administration will allow you to switch from your existing Old Mutual standard unit trust portfolio into an Old Mutual Unit Trusts Tax-Free Investment portfolio.
8. You may transfer your Tax-free Investment with another product provider to Old Mutual Unit Trusts or vice versa. If transferring in to Old Mutual Unit Trusts, please complete this form and a Tax-Free Investment transfer form. If transferring out, please complete the Tax-Free Investment transfer form.
9. Old Mutual Unit Trusts may withdraw an underlying unit trust fund from the Tax-Free Investment product. In this exceptional circumstance you will receive written notice informing you of this change and its reasoning. We will request you to switch the investment value (including if there is a monthly investment instruction) in the fund to another fund of your choice. If your switch instruction is not received by the required date, Old Mutual Unit Trusts will switch the invested proceeds to the Old Mutual Money Market Fund. There will be no tax impact nor additional fee that will be incurred in this instance.
10. Please ensure you complete sections 1-5 and 10-12 of this form and make sure you have all the supporting information (see "Supporting Documentation" below). Sections 6-9 are dependent on your investment requirements. You can contact our **Service Centre at 0860 234 234 if you have any queries.**
11. All transactions will be confirmed to you by SMS.
12. **Where to send your completed application form and required supporting documents:** email the scanned documents to [uttransactions@oldmutual.com](mailto:uttransactions@oldmutual.com).
13. Your Tax-Free Investment account will be opened when we have received and verified your application form and supporting documents, your debit order has been actioned and your money reflects in our bank account.
14. Once your account has been opened, you can register via [www.oldmutualinvest.com](http://www.oldmutualinvest.com) to view and/or transact on your portfolio.

**SUPPORTING DOCUMENTATION REQUIREMENTS**

Buying and selling requests require at least proof of identity (e.g. bar-coded ID/passport) and residential address (e.g. recent utility bill not older than 3 months), unless we have your current documents on record. Please refer to the document entitled "Supporting Document Requirements" (available on [www.oldmutualinvest.com](http://www.oldmutualinvest.com)) for further information. The Financial Intelligence Centre Act (FICA) requires that the investor and all related parties are identified and verified before the investment is processed. We cannot process your application without the relevant information.

**PROCESSING TIMES**

The same day's price will be applied to transaction requests submitted by 15h00 (13h00 for all transactions involving money market funds) on any working day, provided that all supporting documents are provided and all FICA requirements\* have been met. Transaction requests received after these times will be processed the next available working day, once all requirements have been met, with the same cut-off times applying.

\* In line with FICA, Old Mutual Unit Trust Managers (RF) (Pty) Ltd has adopted a risk based approach to establish and verify the identity of individuals or entities it enters into business transactions with. This verification process may require for additional documentation. In the event of this, there may be a delay in processing your transaction instruction and in some instances this may result in the same day's price not being applied to instructions submitted by 15h00. The transaction will be applied once all additional verification processes have been completed.

**3. TAX RESIDENCY DETAIL**

As a financial institution we are obliged to comply with international agreements signed by our government aimed at combatting tax evasion. In terms of these agreements, we are required to collect information regarding where you are resident for tax purposes including the related tax reference numbers. If you are resident for tax purposes in a country other than South Africa, certain of your information will be reported to SARS who will automatically share this information with the participating countries where required.

Each country has its own rules for whether a person is resident for tax purposes or not. It is possible to be resident for tax purposes in more than one country. Depending on the rules of the country, tax residency may be determined by factors such as where you permanently live, where you were born, or if you live and work in the country for more than half the year. If you are a US citizen or hold a US passport or green card, you will also be considered resident for tax purposes in the US even if you live outside the US, unless you have given up your citizenship.

**Please answer the following questions and complete your tax reference number(s) in the table below, along with details of your identifications and any other nationality or citizenship, providing identification for each country for which you are a resident for tax purposes.**

**7. INSTRUCTION FOR PAYMENT OF ADVISER FEES (If applicable)**

**Note: Fees to the adviser can only be applied if this section is fully completed for all fees agreed.**

**INITIAL ADVISER FEE**

An initial adviser fee has been agreed as follows (subject to the maximums for each unit trust, stipulated on the unit trust fund fact sheet). The applicable amount will be deducted prior to the purchase of units.

% incl. VAT (max. 3.45% incl. VAT) for interest bearing, equity/multi asset unit trusts and all Shari'ah managed unit trusts, which is  R (incl. VAT)

(Note: If % and rand amount differ, the % holds.)

**ANNUAL ADVISER FEE**

In addition, you may elect to pay an ongoing annual adviser fee. This fee is negotiated between yourself and your adviser or broker, and is over and above the initial adviser fee stipulated above.

Yes  No

If Yes, specify percentage . % incl. VAT (max. 1.15% p.a. incl. VAT) of your discretionary (non-retirement savings) unit trust portfolio.

Note that this instruction overrides all existing annual adviser fee agreements.

A from  Fund (one unit trust only) UT  (unit trust account number)

**OR**

B proportionally across all my unit trusts.

This annual fee is calculated as a percentage of the value of your discretionary or tax-free unit trust portfolio(s). All unit trust retail classes which make up the invested portfolio are included in this calculation. The annual adviser fee is deducted monthly, through the sale of units from the nominated unit trust/s. This is thus a capital gains tax event. If this fee is being paid from a single unit trust and there is at any time an insufficient number of units in the unit trust, the fee will automatically be deducted from your Money Market Fund, failing which, the largest unit trust in your portfolio. Where investments are held in more than one class in the same unit trust, the fee will be deducted from the class open to new business. You will receive confirmation of the implementation of this fee, any adjustments made to the annual percentage or to the unit trust, as well as the cancellation thereof. This fee is based on an agreement between the client and the Financial Planner. You need to take into account whether your Planner is VAT registered. Old Mutual Unit Trusts is not a party to the agreement and will cancel the fee on the written instruction of either party. The fee will further be automatically cancelled by a change in the appointed Financial Planner. Old Mutual Unit Trusts will change any erroneous instructions received, but will not rectify prior payments based on erroneous instruction.

## 10. DISCLAIMER

We aim to treat our clients fairly by giving you the information you need in as simple a way as possible to enable you to make informed decisions about your investments.

- We believe in the value of sound advice and so recommend that you consult a financial adviser before buying or selling unit trusts. You may however, buy and sell without the help of a financial adviser. If you do use a financial adviser, we remind you that they are entitled to certain negotiable adviser fees or commissions.
- You should ideally see unit trusts as a medium to long term investment. The fluctuations of particular investment strategies affect how a fund performs. Your fund value may go up or down. Therefore, we cannot guarantee the investment capital or return of your investment. How a fund has performed in the past does not necessarily indicate how it will perform in the future.
- Our cut-off time for client instructions (e.g. buying and selling) is at 15:00 each working day for all funds, except the Money Market Funds, which is at 13:00. These are also the times we value our funds to determine the daily ruling price (other than at month-end when we value the Old Mutual Index Funds and Old Mutual Multi-Managers Fund of Funds ranges at 17:00 close). Daily prices are available on our public website ([www.oldmutualinvest.com](http://www.oldmutualinvest.com)) and in the media.
- The daily ruling price is based on the current market value of the fund's assets plus income minus expenses (NAV of the portfolio) divided by the number of units in issue.
- The fund fees and costs that we charge for managing your investment is accessible on the relevant fund's minimum disclosure document (MDD) or Table of fees and charges, both available on our public website ([www.oldmutualinvest.com](http://www.oldmutualinvest.com)), or from our contact centre (0860 234 234).
- Additional information on this proposed investment can be obtained, free of charge, from our public website or our contact centre.
- Funds may borrow to pay client disinvestments and may engage in scrip lending. A process of ring-fencing of withdrawal instructions and managed pay-outs over time may be followed should excessive withdrawals from a fund place the fund under liquidity pressures.
- Old Mutual Unit Trust Managers (RF) (Pty) Ltd has the right to close a portfolio to new investors in order to manage it more efficiently in accordance with its mandate.
- Old Mutual Unit Trust Managers (RF) (Pty) Ltd is a registered manager in terms of the Collective Investment Schemes Control Act 45 of 2002.
- Old Mutual is a member of the Association for Savings & Investment South Africa (ASISA).

### Money Market Funds:

A Money Market Fund is not a bank deposit account. Its unit price aims to be constant but investment capital is not guaranteed. The total return is primarily made up of interest (declared daily at 13:00) but may also include any gain/loss on any particular instrument. In most cases this will merely have the effect of increasing or decreasing the daily yield, but in the case of abnormal losses, it can have the effect of reducing the capital value of the fund. The published yield is calculated using the average of the fund's previous seven days' net income (and assumes all income was reinvested). This figure is then annualised, which is the weighted average compound growth rate. A process of ring-fencing of withdrawal instructions and managed pay-outs over time may be followed should excessive withdrawals from a fund place the fund under liquidity pressures.

### Income Funds:

Income funds derive their income primarily from interest-bearing instruments as defined. The published yield is a current yield and is calculated daily. The value of underlying assets of Income funds are marked to market on a daily basis.

### Fund of Funds:

A fund of funds is a portfolio that invests in other funds in order to meet the investment objective of the fund of funds. Fund of funds can invest in local, foreign or offshore funds which levy their own charges, and may result in a higher fee structure.

### Feeder Funds:

A feeder fund is a portfolio that invests all of its capital in a single underlying fund. This underlying fund can be a local, foreign or offshore fund and levy its own charges which may result in a higher fee structure.

### Third-Party Named Funds (co-branded):

Old Mutual Unit Trust Managers (RF) (Pty) Ltd is the manager of Adviceworx, Old Mutual Multi-Managers and Public Investment Corporation SOC Limited suites of co-branded funds and retains full legal accountability.

### Funds holding foreign assets:

Some funds hold assets in foreign countries and therefore may have risks, in these countries, regarding liquidity, the repatriation of funds, political and macro-economic situations, foreign exchange, tax, settlement and the availability of information.
