IMPORTANT INFORMATION

The Old Mutual Linked Retirement Income is designed to provide retirees with a regular income from their accumulated retirement savings. You can select an annual income percentage of between 2.5% and 17.5% (of the portfolio value on the anniversary date), which can be adjusted annually. Your portfolio can be structured to suit your risk profile and investment preferences from any of the available unit trust funds (subject to restrictions on unit trust availability that may apply from time to time). Performance is dependent on the unit trust/s chosen and there is no guaranteed income level. Your income can therefore decrease or increase in line with the performance of your underlying portfolio. All risks associated with this investment are therefore carried in full by you, the annuitant. Any capital that is not exhausted can be bequeathed to your selected beneficiaries. This is a member-owned annuity, and investment into this annuity can only take place if the rules of the transferring fund allow such investment. Please read the Old Mutual Linked Retirement Income Product Brochure for more information.

This Old Mutual Linked Retirement Income application is for individual self-managed investors only. Should you be using the services of a Financial Planner, your appointed Planner should implement your investment via the Old Mutual Wealth Planner Portal.

7. SHARI'AH-COMPLIANT UNIT TRUSTS (OLD MUTUAL ALBARAKA EQUITY FUND AND OLD MUTUAL ALBARAKA BALANCED FUND)

I acknowledge that I have opted to invest into a Shari'ah-compliant unit trust, which means that it will be managed in accordance with the guidelines of the Shari'ah Supervisory Board and having regard to the Shari'ah Standards of the Accounting and Auditing Organisation for Islamic Financial Institutions (AAOIFI). I agree that any income deemed to be non-permissible by the Shari'ah Supervisory Board will be paid to the charitable trust elected by the Shari'ah Supervisory Board in line with the principles of Shari'ah and the supplemental deed of the unit trust. I acknowledge that this does not form part of my income and will not reflect on my tax certificate. I take note that in some instances, income may be reflected as "interest income", but accept that such income is fully Shari'ah compliant and has been approved as such by the Shari'ah Supervisory Board.

If you have opted to invest 100% into a Shari'ah-compliant fund(s), please be advised that all impermissible interest will be paid to a charitable trust. However, in the event of retirement, death or not being compliant in terms of regulation 28, you might earn interest as the investment will be moved to a money market fund.
